DISTINGUISHED BUDGET PRESENTATION AWARD

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Hamilton County, Tennessee for its Comprehensive Annual Budget Report for the fiscal year beginning July 1, 2024. This is the twenty-third year in a row Hamilton County has received this award for its Comprehensive Annual Budget Report.

In order to be awarded a Distinguished Budget Presentation Award, a governmental unit must publish an easily readable and efficiently organized Comprehensive Annual Budget Report whose contents conform to program standards. Such reports must satisfy both generally accepted accounting principles and applicable legal requirements.

We believe that our current report continues to conform to program requirements, and we are currently submitting it to GFOA to determine its eligibility for another award.

Glossary

HOW TO USE THIS DOCUMENT

The FY26 Comprehensive Annual Budget Report is organized into eight major sections. These are the Introduction, General Fund (with nine total tabs), Special Revenue Funds, Debt Service Fund, Capital Improvements Program (CIP), Hamilton County Schools, Personnel Schedule and Glossary.

INTRODUCTION

The introduction begins with two separate letters – one from the County Mayor and one from the Certified Financial Officer – transmitting the FY26 budget document. Hamilton County's long-term initiatives focus on meeting the needs of the community and providing a superior quality of life. The two budgetary financial summaries with revenue and expenditure pie charts are designed to provide the reader with a quick overview of the County's FY26 budget. This section provides the reader with an organizational chart, a profile of Hamilton County with selected demographics, economical and statistical information, the budget calendar and the County's financial policies and procedures.

GENERAL FUND

This section includes departmental expenditure summaries for all units of the General Fund, which include Independent Offices, Unassigned Division, Finance Division, Public Works Division, Health & Social Services Division, Human Resources Division, Public Safety Division and Office of the Sheriff.

SPECIAL REVENUE FUNDS

This section includes Hotel/Motel Fund and Sheriff Special Revenue Fund (which includes Narcotics Enforcement and TN State Sexual Offenders).

- **Hotel/Motel Fund** accounts for revenues collected from the County-wide occupancy privilege tax and expenditure of the proceeds to the Chattanooga Tourism Company (CTC).
- **Narcotics Enforcement —** Federal law requires non-federal agencies to account for collections of forfeited assets from joint investigations.
- **TN State Sexual Offenders —** Tennessee Code Annotated requires separate reporting for the collection of sexual offender fees as well as expenditures.

DEBT SERVICE FUND

This section includes a short narrative about the outstanding general obligation debt of Hamilton County with accompanying financial schedules.

CAPITAL IMPROVEMENTS PROGRAM

This section provides a general overview of the County's Capital Improvements Program.

HAMILTON COUNTY SCHOOLS

Hamilton County Schools (HCS), a component unit of Hamilton County, is presented in this section. HCS receives the majority of its funding from property taxes collected by the County and from the State of Tennessee Investment in Student Achievement (TISA) Act which is a student-based funding approach.

PERSONNEL SCHEDULE

Included in this section is a summary of the budgeted employees for four fiscal years, with a narrative describing the budgetary impact of significant changes.

GLOSSARY

A listing of words and their definitions which may not be familiar to the average user are presented in this document.

Office of the County Mayor

May 2025

To the County Board of Commissioners
and Citizens of Hamilton County

Each year presents a new set of challenges and opportunities as we work to be responsible stewards of taxpayer dollars. In preparing the Fiscal Year 2026 budget, we faced a reality shaped by inflationary pressures, slower revenue growth, and our ongoing investments in public education — all of which limited our ability to take on new priorities.

The majority of new revenue is directed to the Office of the Sheriff, volunteer fire departments, EMS, and animal control — core services that keep our communities safe.

As the chief executive of county government, I am also mindful of the nearly 2,000 people who work every day to serve our residents. In a tight budget year, we were still able to include a modest pay increase for county employees and propose a one-time inflation supplement to help offset cost-of-living challenges.

At the same time, our County Efficiency Task Force worked over the course of four months to identify more than $3 million in savings through frozen positions, renegotiated contracts, and smarter controls on printing, phones, and fleet usage. These efficiencies are built into this budget.

Even in a challenging fiscal environment, we are proud to again deliver a budget without proposing a tax increase. It's an honor to serve the people of Hamilton County, and I remain committed to ensuring every dollar we spend reflects the priorities of those we represent.

Sincerely,

Weston Wamp
County Mayor

HAMILTON COUNTY STRATEGIC PLANNING

The Southeast Tennessee Development (SETD) comprised of government officials, business leaders, and stakeholders collaborated to establish strategic plans and goals with a focus on building a region where citizens want to live, work, and play.

SETD works diligently to empower a region that fosters strong communities, encourage thriving businesses and industries, and enhance recreational spaces whereby individuals desire to live.

In light of this collaboration, a total of 230 projects from prior years are a work-in-progress. Hence, the focus is on repairs of existing projects. Due to funding cuts, the American Job Center closed. However, case workers were dispersed into the communities as an alternative plan to assist in job training within the communities.

Goal 1: Enhance a region where citizens desire to live.

- Community Enhancement
  - Upgraded outdoor public spaces that can support multifaceted activities such as farmer's markets, outdoor concerts and movies and other community events.
  - Added bike lanes, improve sidewalk conditions, and revive landscaping and canopied storefronts.

- Improve and Develop Housing
  - Repair and improve homes in disrepair for the low-income, disabled and elderly as a priority as well as provide education to individuals on how to maintain renovated homes.
  - Develop affordable housing options with varying levels of community support for senior citizens.
  - Accommodate a diversity of housing styles and densities by updating development codes.

- Implement Strong Community Institutions and Quality Public Services
  - Work with school boards and institutions to ensure high-quality education is provided to all students.
  - Improve access to top quality and affordable healthcare throughout the region.
  - Provide good customer service to residents and businesses by performing essential government duties well.

- Promote Community Resilience
  - Ensure public officials and emergency personnel are properly trained, have up-to-date equipment and conduct readiness drills.
  - Work to minimize disruptions during outages by developing utility interconnections.

- Leadership and Civic Capacity
  - Educate local leaders concerning basic public finance, planning and community and economic development.
  - Building community capacity to advance projects and initiatives by restructuring Joint Economic Community Development Boards (JECDB).
  - Work toward achieving regional solutions for regional problems by committing to regional collaboration and partnerships.

Goal 2: Build an environment whereby businesses and industry want to invest.

- Workforce Development
  - Identify skill gaps in the labor force and align workforce development programs to meet employer needs.
  - Retrain and educate displaced workers so they can obtain employment with the industries.
  - Work with educational institutions to highlight careers with projected growth and advancement.

- Promote Wellness in the Labor Force
  - Partner with Tennessee Department of Health in efforts to improve population health and create healthier communities.
  - Create a healthy, drug-free workforce by supporting initiatives to reduce substance and opioid abuse.
  - Encourage schools and employers to implement health improvement programs for students and employees.

- Infrastructure and Site Development
  - Expand affordable high-speed broadband

throughout the region.
• Ensure industrial sites are certified in order to demonstrate a community's commitment to economic development.
• Reduce congestion, improve safety and enhance regional connectivity by prioritizing transportation projects.
• SEIDA (Southeast Industrial Development Association) worked with Chattanooga Chamber of Commerce and Hamilton County officials to facilitate $3M in water infrastructure of McDonald Farm.

- Entrepreneurs and Business Startups
  • Support entrepreneurs and business startups by ensuring they have access to capital that is needed for expansion.
  • Establish business incubators in rural communities to provide resources needed to develop sustainable business models and help develop their operations.
  • Develop local supply chains to support small businesses.

Goal 3: Create a place that will fulfill recreation needs of residents.

- Enhance recreation needs of citizens
  • Protect and conserve natural areas from degradation and pollution.
  • Improve parking and public access to hiking trails, waterfalls, canoe launches and rock climbing areas.
  • Market experiences to tourists by working with the Chamber of Commerce and local businesses which would include package deals, promotion of special events and web-based business development.

Hamilton County remains focused on several strategic goals which correlates with regional strategic plans:

1. **Education** – to provide sufficient funding to the Hamilton County Schools so that quality programs can be enhanced, adequate compensation is awarded to employees, and an improved conducive learning environment to include safe, updated school buildings is provided for students and teachers.
   • Approved a $692,229,789 operating budget for the enhancement of quality programs and the continued development of Hamilton County Schools.

   - Hamilton County Schools (HCS) focus areas are as follows:
     • Every employee valued – increase employee satisfaction by providing additional promotion and growth opportunities, incentives and additional compensation efforts.
     • Every community served – provide work-based learning and job shadowing opportunities, organize wrap around community support, and increase career and future ready institute opportunities.
     • Every student learns – develop students as readers, writers, and thinkers by providing intervention staff and classroom support, literacy resources and opportunities, and additional tutoring opportunities.
     • Portrait of a graduate – foster students to academically thrive, learn to be solution-oriented, become an effective communicator, be culturally aware and community involved, and become a resilient learner.
     • Every student belongs – strengthen relationships between schools and families as well as create a sense of belonging in school and in the community by providing additional opportunities for extracurricular activities, behavior staff and classroom supports, and additional school counseling supports.
     • Every school equipped – create environments that support learning by providing functional and efficient buildings that are safe and secure. Invest in resources that remove barriers.

   More information about HCS can be found on its website at www.hcde.org

2. **Economic Development** – Continue to focus on efforts to stimulate economic growth and industrial development. Efforts in FY 2025 included:
   • A $100 million, first-phase development of

HAMILTON COUNTY STRATEGIC PLANNING - *CONTINUED*

a 63-unit, three-level apartment complex opened in 2025. The apartment complex is one of many new apartments and town homes that sits on nine to ten-acre parcels which includes on-site parking and private balconies.

- Microtex Composites Inc., an Italian company that manufactures products used in structural and aesthetic composites for motorsports, automotive, marine, and other sectors, plans to open a new plant in Chattanooga. This company plans to invest an estimate of $4 million and create 26 jobs.

3. **Safety** – Establish and maintain strong partnerships with the community and provide excellent service by:
    - Increasing the number of neighborhood patrols to be more proactive within the community.
    - Approved funding in the FY26 budget for the launch of the Hamilton County Emergency Medical Service (EMS) overdose prevention team. The team will administer much needed medications to assist those that are in need.

To the County Mayor
and the County Board of Commissioners

It is my pleasure to present to you the Comprehensive Annual Budget Report of Hamilton County, Tennessee for fiscal year 2026. This budget has been balanced with no increase in property taxes. In keeping with our mission of ensuring progressive, sustainable growth for future needs of Hamilton County citizens where they live, work, and play, every effort has been made to maintain the level of quality services to which the citizens have been accustomed.

The Mayor submitted the FY2026 proposed budget for Hamilton County Government to County Commissioners May 2025 for review. During the time of review, the Mayor, Commissioners, and Hamilton County Schools (HCS)/School Board Members held multiple meetings and discussions to address all questions and concerns dealing with the budget proposal. The Mayor presented the FY2026 proposed budget on May 19, 2025 which included the Hamilton County Schools proposed budget approved by the school board members. The FY2026 budget was adopted on June 18, 2025.

KEY FACTORS INVOLVED IN THE BUDGET DEVELOPMENT

Our focus remains on five overarching principles that guide the budget's development each year.

Customer Service – Maintain and/or enhance customer service and citizen satisfaction.

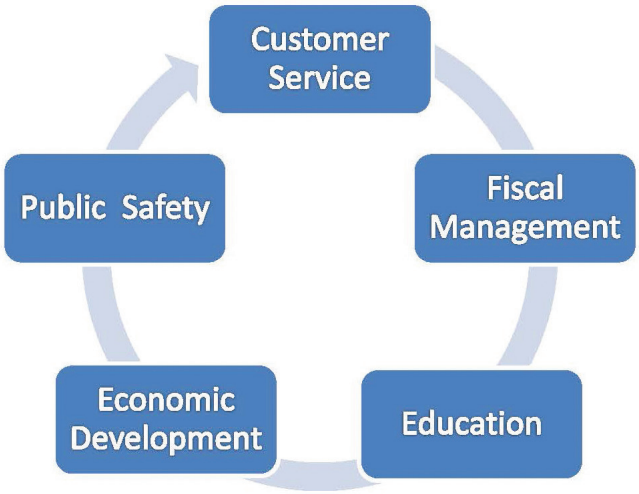
- Continually evaluate operations and promote training of department staff.
- Foster employee satisfaction, growth and development which lends to positive customer service which can be achieved by training staff and evaluating roles and responsibilities.
- Promote effective internal and external communications.

Fiscal Management – Assess all feasible options to increase/maintain our revenue base.

- Explore grants, operational efficiencies and additional economic development opportunities.
- Obtain additional dedicated revenue sources for funding capital projects.
- Evaluate projects and personnel functions to find opportunities for cost savings.

Education – Support the fostering of quality education for our children.

- Provide sufficient funding so that quality programs can be enhanced and resources can be best allocated to continue development of Hamilton County schools.
- Ensure every student is provided adequate learning tools and equipment by collaborating with local businesses.
- Provide adequate facilities which lend to a better learning environment.



Economic Development – Promote and foster economic development.

- Obtain all available grants to maintain safe roads and provide the community with safe top-notch parks.
- Work with partners in the non-profit and private sector to stimulate and encourage economic development within the region.

Public Safety – Provide the necessary resources for maintaining the public's health, safety and well-being.

- Continue to maintain well-trained and dedicated law enforcement officers.
- Enhance equipment and services provided by volunteer fire and rescue services.
- Maintain and expand, as needed, the services of the Health Department.
- Establish Emergency Medical Services (EMS) Quick Response Team to address the opioid crisis.

BUDGET CHALLENGES:

Several budget challenges were identified in FY 2026:

1. Employee compensation — During a challenging budget year, we worked to provide a one percent cost of living increase to employees and a one-time bonus of $750.
2. Health insurance cost — We allocated $3.7 million (a 10.7% increase over prior year's costs) to address rising costs of employee health insurance.
3. Maintenance of Effort — State law requires that the same level of funding for certain functions provided in the prior year's budget for education, highways and streets, election commission, mayor's office, and sheriff's office must be provided in the subsequent year's budget.
4. Capital Improvements — We were required to delay funding for several General Fund capital projects to include essential equipment and improvement requests by EMS, Emergency Management, Sheriff, Highway Department and Recreation during a lean budget year.

PRIORITIES:

We focused on several priorities in this budget:

1. **Public Education** - the operations of Hamilton County Schools is an ongoing priority for County government. We issued general obligation bonds in September 2024, with $241 million of the proceeds allocated toward new construction of several schools and ongoing renovations, significant renovations of school facilities, and deferred maintenance of school buildings.
2. **Public Safety**- maximize use of the opioid settlement proceeds by applying funds to initiatives such as combating fentanyl, meth, and opioid overdoses as well as providing preventative services and family support.
3. **Employee Compensation** – the FY2026 budget includes a plan to address the continuous challenge in recruiting and retaining employees:
   - Allocate $2.7 million toward increases in employee compensation which consisted of 1.0% cost of living increase and a one-time bonus of $750 for all General Government employees.
   - Allocate $3.7 million to address rising cost of employee medical insurance.

BUDGET 2026 HIGHLIGHTS

The fiscal year 2026 adopted budget totals $1,095,678,025 and represents an overall increase of $44,226,000 (4.2%) over the fiscal year 2025 budget. (Refer to Exhibit I) Budgeted funds include the County General Fund, Debt Service Fund, Hotel-Motel Fund, Sheriff Special Revenue Fund, and Hamilton County Schools.

The Sheriff Special Revenue Fund includes the operations for the Sheriff Narcotics Enforcement and the Sheriff Sexual Offenders.

The Hamilton County Schools (HCS) funds include the operations of the HCS General Purpose Fund, the Federal Projects Funds, the School Nutrition Fund, and the Self-Funded Funds.

A brief recap of the overall County budget, along with changes from the prior year, is presented in Exhibits I through V.

REVENUE (ALL FUNDS)

The primary source of revenue for the County comes from taxes, primarily property taxes. The majority of taxes listed above consist of property tax revenues for the County General Fund and the Hamilton County Schools ($196,676,000 and $151,794,000 respectively) and local option sales tax revenue for the Hamilton County Schools ($124,737,000).

Property tax revenues for fiscal year 2026 are budgeted to be relatively flat.

Intergovernmental revenues account for 39.6% of the County's total revenue. The intergovernmental revenues consist primarily of funding received from the State of Tennessee ($339,909,000) and from the Federal government ($69,185,000). Hamilton County Schools received 91% of the intergovernmental revenues ($391,658,000), with $40,566,000 going to the General Fund. Intergovernmental revenues are projected to grow 8% in fiscal year 2026 primarily due an increase in the State's TISA allocation to Hamilton County Schools.

Transfers in from other funds include excess fees paid to the General Fund from various constitutional offices ($16,950,000) and appropriations from the General Fund to the Debt Service Fund to cover scheduled principal and interest payments due in fiscal year 2026 ($55,905,000). Total revenues from transfers increased from the FY 2025 budget by $9,868,000 (14.8%) which is primarily related to the increase in the debt service appropriation resulting from the debt services requirements of the new bond issue which closed in September 2024.

EXPENDITURES (ALL FUNDS)

Hamilton County Schools (HCS) represents the largest portion of the County's overall budget (63.2%). Information regarding certain of its major budgetary expenditures is discussed below and also in the section entitled "Education".

As noted in Exhibit III (and common for most governmental entities), the majority (61.3%) of the County's expenditures are personnel-related (salaries and employee benefits). Total expenses for salaries decreased over the prior year by $3,803,000 (0.8%). The decrease in salaries occurred in Hamilton County Schools ($5,754,000; 1.6%) as opposed to the overall increase in salaries in the General Fund ($1,951,000; 1.6%).

Total costs budgeted for employee benefits increased from the FY 2025 budget by $12,621,000 (6.8%) with County General Fund increasing by $3,252,000 (5.2%) and the Hamilton County Schools increasing by $9,369,000 (7.6%). The increase in employee benefits costs was primarily due to increased costs for employee medical expenses.

Expenditures for Debt Service principal and interest payments increased by $11,819,000 (25.0%) compared to the prior year. The County typically issues debt as needed to finance its capital needs. Hamilton County Government and Hamilton County Schools have proceeded with a plan to make a significant impact on school facility needs. In September 2024, the County closed on a $270 million bond issue which will fund new school projects, existing school improvements and additions,

school deferred maintenance, and some general government projects. The County's fiscal strength continues to enable us to maintain an excellent bond rating, which in turn allows us to obtain necessary financing of long-term projects at favorable interest rates.

GENERAL FUND

The expenditures budget for the General Fund increased over the FY 2025 budget by $3,085,000 (0.9%). The majority of this increase was for salaries and benefits in the amount of $5,203,000 (2.8%).

The overall cost of the employee raises and one-time employee bonuses budgeted for FY2026 was $2.7 million.

An analysis of the major General Fund budgetary increases/ (decreases) compared to the prior year is presented in Exhibit IV

EDUCATION

The Hamilton County Schools (HCS), a discretely presented component unit of Hamilton County, adopted a fiscal year 2026 budget of $692,229,789. This cost does not include the debt service obligation attributed to HCS that is appropriated in the General Fund. The fiscal year 2026 budget is a balanced budget with revenues equaling expenditures.

HCS's combined budget growth is 4.4% more than the fiscal year 2025 budget. The Fiscal Year 2026 increase in Tennessee Investment in Student Achievement (TISA) is from a combination of factors including a 3% increase in the per average day membership (ADM) rate for Base funding which is primarily from the Governor's investment to increase starting teacher salaries, and an increase in ADM in district and charter schools. Approximately, 62% of the revenue growth is due to the funding from County and School Board approved bond projects through Hamilton County Government.

Property tax, sales tax, and other taxes were budgeted at the fiscal year 2025 levels due to revenues being realized lower than originally projected. In fiscal year 2025, Hamilton County provided $5,000,000 one-time funding for HCS to help increase teacher salaries to the $50,000 level. This funding was not continued for fiscal year 2026.

Due to budgetary constraints, compensation increases and step pay increases were not approved for FY26. Additional funding was appropriated for the cost of employee benefits primarily due to rising healthcare costs. Centralized positions and costs were reduced to achieve a balanced budget.

The Federal Projects Fund, Child Nutrition Fund and Self-Funded Projects Fund are contingent on funding from outside sources.

The fiscal year 2026 budget is aligned with the school district's strategic plan Opportunity 2030 which has the following commitments: Every Student Learns, Every Student Belongs, Every School Equipped, Every Employee Valued, and Every Community Served. The majority of the fiscal year 2026 increase is to fund projects that will make long-term investments in the school buildings and equipping the schools to serve all students well. The HCS budget reflects thoughtful and intentional investments in schools and the students HCS serves.

Major increases/ (decreases) in funding for the HCS are summarized in Exhibit V below.

ECONOMIC AND WORKFORCE DEVELOPMENT

Hamilton County's residential and commercial development continued to experience growth during the last year. Like many places, the housing market has continued to experience an increase in demand. From apartments and condos downtown to housing developments in Chattanooga and the outlying areas of the County, we continue to see growth with increased home sales and values, and increased demand for new home construction. The County continues to seek ways to improve and expand infrastructure along with this growth.

Construction has started on a 43-unit, four-story condominium development, valued at $22 million, which will include a 3,000-square-foot restaurant. The development will be located on South Broad Street across from the site of the new Chattanooga Lookouts Stadium.

FINANCIAL CONDITION AND OUTLOOK

Hamilton County is in a strong position financially and our future is bright due to the sound management practices that have enabled the County to maintain solid fund balances and reserves. One measure of an entity's financial strength is the level of its fund balances. The County has consistently maintained a fund balance in its General Fund well in excess of three months of expenditures, which places the County in an excellent position to adequately address most fiscal emergencies. The County's Fund Balance Policy recommends that the fund balance be no less than 25% of the planned operating expenses, and our fund balance is well in excess of this goal.

The County's excellent bond ratings (AAA by Standard and Poor's and Fitch Ratings and Aaa by Moody's Investors Service) are further evidence of this financial strength. These ratings indicate that the County's bonds are considered to be very high investment quality, which translates to lower interest

rates and corresponding lower interest payments. Having solid conservative financial policies and strong financial reserves are principal reasons for these ratings.

CONCLUSION

While the capacity to predict financial outcomes with a degree of certainty is somewhat limited, the foremost factors affecting fiscal planning are the condition of the economy and continuing sound management practices. Hamilton County is well postured for the coming year. With our solid financial management, our strong fund balance positions, and the County's current and historical economic growth, Hamilton County has a sound financial future.

ACKNOWLEDGEMENTS

I would like to express my gratitude for the support received from Mayor Wamp and the County Board of Commissioners in conducting the financial operations of Hamilton County in a sound and progressive manner and to the staff of the Finance Division for their dedication in the preparation of this report.

Respectfully submitted,

LEE H. BROUNER, CPA, CGFM, CCFO

HAMILTON COUNTY'S LONG-TERM INITIATIVES

The County's mission remains to meet the needs of the people where they live, work and play. We are proud of our achievements over the past several years and believe that we are making a difference in our community and in the lives of those who depend on us to make the most of our resources. It is our commitment to this mission that guides our plans for the future and directs us toward delivering quality services to Hamilton County citizens.

SOUND FINANCIAL OPERATIONS

The FY 2026 budget reflects our budgeted revenues and expenditures for the year ending June 30, 2026. This budget, similar to prior annual operating budgets, was developed in accordance with the County's long-term financial goals and objectives.

Financial Sustainability is our first and most focused long-term objective. The County's primary budget objective is to maintain expenditures within the means of our revenue stream each year. This philosophy has enabled the County to build and maintain a solid fund balance in the General Fund. The projected fund balance at June 30, 2025 of our General Fund of approximately $144 million represents 42% of the FY 2026 General Fund expenditure budget, which is significantly more favorable than the requirement of 25% as mandated by our Reserve Policy. The total fund balance, in addition to the unassigned fund balance, includes items which have been assigned, committed or restricted for specific purposes and certain items, such as inventories and prepaid items, which are non-spendable. We project that unassigned fund balance will represent $128 million of the total of $141 million fund balance at June 30, 2025.

Debt Management - Hamilton County funds its annual debt service obligations through the General Fund. Prior to 2024, the vast majority of debt issued by the County was repaid on a level principal repayment schedule over a 15-year repayment schedule. In September 2024, the County closed on two bond issues, consisting of 2024A bonds of $238,280,000 and 2024B refunding bonds of $18,250,000. The 2024A bond issue will be repaid over a 20-year schedule and includes funding primarily for major capital additions and improvements for Hamilton County Schools.

The County continues to have a financially conservative approach when issuing debt and protecting fund balance. The results of our conservative approach can be seen in the County's bond rating, where we hold the prestigious AAA bond rating (the highest rating possible) from Standard & Poor's Global Ratings, Moody's Ratings, and Fitch Ratings.

PLANNED GROWTH STRATEGIES

The elected officials of Hamilton County Government, along with business leaders, organizations and citizens, formed an alliance to create and implement a 40-year sustainable vision for the 16-county, tristate region of Tennessee, Georgia, and Alabama. The strategic plan focused on four key areas which are as follows:

- Economic Development - the regions work together to coordinate and promote regional economic development.
- Education and Workforce - higher education institutions joined forces to address workforce readiness issues. As a result, public entities in the tri-state region collaborated to train teachers and students in design thinking and community engagement.
- Regional Transportation - continue to secure grant funding for improvement of highway, rail and water infrastructure to support growth in warehousing, freight and distribution employment.
- Preservation of Natural Treasures - by conserving natural treasures, more open spaces are provided and agricultural activity and ecotourism are increased.

ECONOMIC DEVELOPMENT

Our economic development initiatives reflect our goal of a viable and sustainable economic future for our community. We believe that this is vital for those who currently live here and for those who are considering relocating to Hamilton County. The Chattanooga-Hamilton County Regional Planning Commission, citizens of Hamilton County unincorporated areas, developers, and Hamilton County Commissioners have been engaged in ongoing extensive conversations concerning the Hamilton County growth plan. The plan aims to address population growth and needed infrastructure, road improvements, housing and fire services to support the growth. These conversations

are a move in the right direction to address the needs of community.

Enterprise South Industrial Park (ESIP) - Investment in economic growth continues at the Enterprise South Industrial Park. The 3,000-acre industrial park was identified by TVA as Tennessee's first industrial mega site. Today it is home to the Volkswagen Group of America's North American assembly plant. Volkswagen is the home of the all-electric ID.4, Volkswagen Atlas, and the Volkswagen Atlas Cross Sport. In addition, VW has its own battery engineering lab (BEL) which is the flagship facility for battery experts who focus on electric vehicle battery testing and high-voltage engineering activities.

Enterprise South Industrial Park currently is home to multiple companies such as Volkswagen (VW), Amazon, Gestamp, Plastic Omnium, Empire Distributors of Tennessee, TAG Manufacturing, and Sese.

Job Growth Outside of Enterprise South - Other notable projects have sparked job growth in Hamilton County. They include:

- Novonix, a facility that uses synthetic graphite to make batteries used in electric vehicles and other goods, anticipates a billion-dollar expansion of its Chattanooga manufacturing operation with an expectancy of creating 500 new jobs in Hamilton County.
- Avail Enclosure System invested $10 million in its operations which created approximately 82 new jobs. Avail is a provider of application-critical equipment, highly engineered technologies, and specialized services to power industrial markets.

Business Development Center – The Hamilton County Business Development Center (BDC) is a 127,000 square-foot former manufacturing facility that has been renovated into a highly successful business incubator. Located at 100 Cherokee Boulevard, the BDC is owned by the County and managed by the Chattanooga Area Chamber of Commerce. The BDC offers start-up businesses office or manufacturing space at highly competitive lease rates for up to three years. Tenants have access to clerical support, manufacturing and office space, training workshops, conference centers, and free on-site business counseling from the Tennessee Small Business Development Center (TSBDC). The BDC is currently home to various startup businesses. The INCubator, a program of the Chattanooga Area Chamber of Commerce that is housed in the BDC, is accredited by the International Business Innovation Association.

Entrepreneurship - The entrepreneurial ecosystem of Chattanooga continues to thrive through the efforts of a robust business development pipeline, the growth in venture capital and the development of the Innovation District. The Edney Building, the center of entrepreneurial activity in the Innovation District, houses the Enterprise Center, City of Chattanooga Information Technology Department, Society of Work, Co.LAB and other tenants.

The Enterprise Center's vision is to bring together community members to share ideas and create projects, businesses, art, and innovative solutions of all kinds. Co. LAB selected five startup businesses to invest $20,000 in each of the businesses. The five were selected through a competitive application process with 132 applicants from 19 different countries. Each of the five businesses reflected strong potential for developing products and services that could support the growth of Chattanooga's existing industries.

Recruitment and Retention - Greater Chattanooga Economic Partnership (GCEP), an outgrowth of THRIVE 2055, represents a 16-county-region development partnership that includes Northeast Alabama, Northwest Georgia, and Southeast Tennessee. The partnership focuses on building awareness for business expansion and relocation for counties in the tri-state region and around Hamilton County. GCEP provides site selection, public workforce support, incentive support, and community visits. Such rigorous recruitment efforts are supported by private sector funding for economic growth.

REGIONAL TRANSPORTATION

Phase two of Interstate 24 and Interstate 75 intersection improvement is estimated to be completed in 2026. This phase of the project will replace median barriers and guardrails, reinstall concrete pavement, replace Interstate 75 bridge, and install new signs and lighting. The total anticipated cost of phase one and two of the interchange reconstruction project is estimated to be $293.6 million.

COMPREHENSIVE PLANNING

For many years, Hamilton County has been an active participant in the ThreeStar planning process sponsored by the Tennessee Department of Economic and Community Development. ThreeStar encourages community leaders to work together to assess and improve factors important to the economic and social well-being of the community. The factors are: Economic Development, Public Safety, Education and Workforce Development, Public Health and Efficient Government. Local leaders of the County recognized the growing predominance of regional economies. Thus, the Chattanooga Chamber of Commerce oversees a regional planning initiative called THRIVE 2055. The objective of the multi-year process is to identify regional values and goals along with a consensus on strategies related to regional economic development, our region's natural treasures, regional transportation, and education and training that can be implemented for the long-term prosperity of the region.

The Chattanooga Chamber of Commerce spearheads an initiative called "Velocity 2040- a vision for economic prosperity." The intention of the vision initiative is to help cast Hamilton County's future for the next twenty years. In addition, it serves as a launching pad for the Chattanooga Climbs strategy. Chattanooga Climbs was created to ensure economic prosperity for our region and residents.

PUBLIC EDUCATION IMPROVEMENT

Hamilton County Schools' focus is on education as a responsibility of the entire community. Educational advancement is critical to the future of our County and the success of our children in life.

Hamilton County Schools (HCS) - HCS, a component unit of Hamilton County government, operates 81 K-12 public schools in the County to include charter schools. HCS, in partnership with Chattanooga 2.0, Chattanooga Area Chamber of Commerce, Tennessee College of Applied Technology, Chattanooga State Community College and Hamilton County Emergency Medical Services (EMS), continue to support Future Ready Institutes at the district's high schools. Future Ready Institutes will allow students to obtain rich learning opportunities around a career theme, with the opportunity to prepare for a successful life after high school.

In an effort to contribute to early childhood education, the City of Chattanooga's Office of Early Learning officially launched Sawubona, a first-of-its-kind book bus that serves as a mobile library, safe space, and family resource center. The name Sawubona is derived from the Zulu greeting which means, "I see you, I value you, you are important to me." The book bus will travel to neighborhoods throughout Chattanooga delivering books, presence, promise, and opportunity.

Bright Star TN partnership is a collaboration of Chattanooga-Hamilton County that developed a plan to address child care and early childhood education issues. In addition, Early Matters, an action team of Chattanooga 2.0 comprised of a coalition of 3 diverse organizations, promotes equitable access to early childhood programs and services through systems building and advocacy efforts.

HAMILTON COUNTY'S LONG-TERM INITIATIVES - *CONTINUED*

Hamilton County Schools strives to provide an exceptional learning environment that produces well rounded students for future endeavors.

STEM – Southeast Tennessee Science,Technology, Engineering and Math - The STEM Initiative is a joint effort among four core stakeholder groups (K-12 systems, businesses, higher education, and community organizations) to create a future workforce that will meet the demands of area employers. The program ensures that our students have access to the intellectual capital needed to lead and participate in a technology-driven world. Partners in the initiative include Hamilton County Schools, Public Education Foundation (PEF), Chattanooga Chamber of Commerce, Chattanooga State Community College, and University of Tennessee at Chattanooga. PEF manages the STEM Innovation Hub, acting as both the fiscal agent and driving force to create a center where teachers, principals, non-profit organizations, and leaders from business and industry work together to redesign how students learn about science, technology, engineering and math.

Volkswagen eLabs – Volkswagen Chattanooga partnered with the State of Tennessee to provide a science lab program that allows Hamilton County middle and high schools to apply for funds to create a science lab in their school. The program allows students to gain access to cutting-edge technologies, to include automated manufacturing equipment, 3D printers, robotics, programmable microcomputers, renewable energy kits and other science-related activities. The eLabs are now in 36 elementary, middle, and high schools.

CAMP K – Camp K is a four-week summer kindergarten readiness program put together through a partnership among Chattanooga 2.0, Hamilton County Schools, and other community partners to help children get an early jump on success. The goal of this free program is to help children who are not deemed kindergarten ready. In addition, the program offers parent learning sessions called Chattanooga Basics, an initiative of Chattanooga 2.0's Early Matters coalition to promote kindergarten readiness as well as to make available other resources to them.

QUALITY OF LIFE ISSUES

The Hamilton County Health and Social Services Department continues to take steps to increase the span and quality of life, reduce health disparities and ensure access to preventive health services for all Hamilton County residents.

Step ONE - The Hamilton County Health & Social Services Department's Step ONE program continued its outreach to the community by engaging non-profits, private business, government, faith-based organizations, and private citizens. Step ONE staff serves on multiple task forces whose work aligns with the evidence-base shown to increase physical activity and healthy eating.

FIMR - Fetal Infant Mortality Review - This project works to initiate new, creative and innovative programs that have a positive impact on Infant Mortality Rates, which are thought to be one of the best predictors of a community's overall health status. Through the Health & Social Services Department, our local Regional Health Council, our community partners, and the Tennessee Department of Health, this project works collaboratively to improve birth outcomes for all babies born in Hamilton County. Additionally, the project promotes positive infant health practices such as tobacco free environments and 'Safe Sleep' to help ensure that all babies reach their first birthday.

Hamilton Shines - Designed to reduce the practice of littering through education, Hamilton Shines strives to foster a sense of community pride in programs for school children and to inform all citizens on the consequences of littering.

Hamilton County Litter Grant Program - The Courts Community Service program provides litter removal on roads and highways in Hamilton County. Funded through the State of Tennessee's malt beverage/bottle tax, a state highway maintenance contract, and a grant from the City of Chattanooga, this is the largest litter grant program of its kind in Tennessee. This unique program provides for litter collection and public education to reduce unsightly and environmentally harmful litter from the public right-of-ways. The program utilizes non-violent offenders to relieve overcrowding in the corrections system by offering alternative sentencing in lieu of incarceration.

RECREATIONAL ASSETS

Hamilton County is known for its wide array of recreational opportunities created by nearby mountains, lakes, rivers and streams as well as marquee outdoor events such as the Ironman triathlon and Head of the Hooch, one of America's largest rowing regatta. Hamilton County Parks and Recreation leaders are taking a fresh look at the County's recreational assets to determine how best to maximize their economic, social and health-related value to benefit both local residents and area visitors. The County's four regional parks represent significant opportunity.

Tennessee RiverPark - Managed in partnership with the city of Chattanooga, the Tennessee RiverPark includes over 150 acres along the Tennessee River with open green spaces. One of the most popular amenities of the Riverpark is the Riverwalk which offers a family-friendly paved multi-use greenway. The family friendly route begins at Chickamauga Dam and stretches to the heart of the downtown business and tourism district to Lookout Mountain and the hundreds of miles of trails extending into Alabama and Georgia. The RiverPark is an acknowledged catalyst for billions of dollars of downtown redevelopment and a connector for neighborhoods and business districts. https://parks.hamiltontn.gov/196/Tennessee-Riverpark

Enterprise South Nature Park - The city of Chattanooga and Hamilton County elected to set aside 2,800 rolling, wooded acres for public recreation when Enterprise South Industrial Park was first developed. Today, Enterprise South Nature Park (ESNP) attracts visitors from throughout the region and beyond who enjoy passive recreation to include playgrounds, public art, recreational areas, and so much more in a natural setting. In addition, the park contains Summit Knobs Equestrian Trails,

a ten-mile trail system designed specifically for horseback riding. The park's unique features include wildlife—deer and wild turkey in particular—and abandoned underground storage bunkers which serve as remnants of an old Army ammunition plant once located on the site. https://parks.hamiltontn.gov/148/Enterprise-South-Nature-Park

Chester Frost Park - Located on the shores of Lake Chickamauga, Chester Frost Park has long been a favorite destination for County residents and visitors who enjoy camping, fishing, swimming and other outdoor activities. The park is situated on 198 acres and is well-known among outdoor enthusiasts as a clean, safe and beautiful place to camp. The park hosts numerous fishing tournaments - Lake Chickamauga is a favorite among Bass fishermen. https://parks.hamiltontn.gov/166/Chester-Frost-Park

McDonald Farm Park - Preserving the charm of rural landscapes with a commitment to sustain agriculture and community engagement, the 2,170-acre farm located in Sale Creek, features barns, green spaces, and Wi-Fi connections. Activities held on the farm are school field trips, special events, weddings, corporate events, and wildlife/agriculture classes. https://parks.hamiltontn.gov/414/McDonald-Farm

HAMILTON COUNTY'S LONG-TERM FINANCIAL PROJECTION

LONG-RANGE FINANCIAL PROJECTIONS

As County Administration navigates the annual budget process, we focus primarily on the upcoming year. However, it is imperative to consider the impact of decisions made on following years especially for components such as annual raises, added positions and other items that are not one time expenditures. The chart below represents our financial projections over the five years following the FY 2026 budget year. Assumptions begin with the analysis of the historical and expected growth for all revenue and expenditure lines in the general fund. Future debt service requirements are reflected at actual amounts based on current bond issues outstanding. Any other known events, if applicable, would be applied to specific years such as anticipated tax increases, new bond issues, other new revenue streams, and known expenditure shifts. None of these events were known at the time of these projections. This is a high level approach to provide a framework for future planning purposes.

REVENUE SOURCES

PROPERTY TAXES

Property taxes are divided into two classes (real property and tangible personal property) and represent the primary source of revenue for the Hamilton County General Fund, accounting for 60.7% of total revenue. An assessment is made on the current appraised value of all property in Hamilton County and the current tax rate is then applied to the assessed value. Real property is appraised on a continuing basis in order to maintain a value for tax purposes that is as close to fair market value as possible. Personal property values are determined annually by information submitted to the Assessor of Property.

1. REAL PROPERTY

Real property consists of land parcels and any structure or improvements on them. Moveable structures such as house trailers and mobile homes are improvements to the land and are also considered real property. The classifications are as follows:

- Industrial and commercial property, assessed at 40 percent of value, including residential buildings with two or more rental units.
- Residential property, assessed at 25 percent of value.
- Farm property, assessed at 25 percent of value. The Agricultural, Forest and Open Space Land Act provides for the assessment and taxation of farm, forest and open space land at its current use value rather than its market value.

Certain properties owned by the government, housing authorities, some nonprofit organizations and cemeteries are exempt.

2. TANGIBLE PERSONAL PROPERTY

Tangible personal property includes automobiles and commercial inventories and equipment, along with all items that may be weighed, measured, felt or touched, or is perceptible to the senses, except real property. The Tennessee Constitution sub-classifies tangible personal property as follows:

- Public Utility property, assessed at 55 percent of value except by federal court decision, the railroads, trucking and airline industries.
- Industrial and commercial property assessed at 30 percent of value. Ad valorem taxes on merchants' inventories and equipment for resale were exempted by Tennessee statute in 1972 and later by constitutional amendment.

Both real property and personal property taxes are due October 1 of each year but are not considered delinquent until March 1 of the following year. In projecting the real property assessment tax base, the budget staff must determine the following factors: the previous year's tax base, the cumulative assessment of all parcels reassessed during the year, and an estimate of new construction for the upcoming year. The County's automated assessment system provides

continuous information on reassessed parcels, as well as the previous year's assessments.

Local Sales Tax

In addition to the property tax, another principal revenue source for the County is the Local Option Sales Tax. In accordance with the 1963 Local Option Revenue Act (the "Act") Title 67, Chapter 6, Part 7 of the Tennessee Code Annotated, the City of Chattanooga and the County, and many other area municipalities, have adopted a Local Option Sales Tax.

Pursuant to the Act, the levy of the sales tax by a county precludes any city within that county from levying a sales tax, but a city may levy a sales tax in addition to the county sales tax at a rate not exceeding the difference between the county sales tax rate and the maximum allowable local sales tax rate which is currently 2.75 percent. Hamilton County levies a countywide 2.25 percent local option sales tax which was adopted by referendum by the citizens of Hamilton County. The revenues from the countywide sales tax are distributed pursuant to the provisions of the Act, other provisions of the Tennessee Code Annotated, and the United States Supreme Court's Wayfair sales tax ruling. Fifty percent of the revenues raised through the local option sales tax are directed to education. The remaining portion is distributed to the County and the municipalities based on situs and internet sales.

Business Taxes

Business taxes are levied on retail and wholesale businesses in Hamilton County based on their gross receipts. A separate tax rate is applied to each specified category of business.

Intergovernmental

Intergovernmental revenues are received from the Federal Government, the State of Tennessee or the local municipalities and are designated for specific purposes within the County. These revenues are projected by recipient departments and agencies based on the latest information available from the agencies.

Excess Fees

Excess fees consist of revenue collected by the various Constitutional Offices, including charges for services provided less the budgeted salaries. Revenue estimates in this category are developed based on historical trends and projected changes in the Constitutional Offices' budgets.

Charges for Current Services

The major revenue source in this category is fees charged by Emergency Medical Services (EMS) and the Hamilton County Health Department for services rendered. There are five medical clinics in Hamilton County, whose charges are based on a sliding scale predicated on the annual published Federal poverty level.

HISTORIC HAMILTON COUNTY

Hamilton County was created by an act of the Thirteenth Tennessee General Assembly meeting in Murfreesboro on October 25, 1819. At that time, the County did not extend south of the Tennessee River. The section south of the river, including the site of Cherokee Chief John Ross's Landing in present-day Chattanooga, did not become a part of Hamilton County until the disputed Treaty of 1835 that led to the Indian Removal and the "Trail of Tears."

The creation of the new County from the frontier of Southeast Tennessee was brought on by a treaty with the Cherokees in 1817 known as the Hiwassee Purchase. By its terms, the Indians yielded large sections of Alabama and Georgia as well as the Sequatchie Valley and the area that became Hamilton County.

The County was named in honor of Alexander Hamilton, who was Secretary of the Treasury in George Washington's administration.

At the time of the 1820 census, Hamilton County reported 821 residents.

Rich in history of the American South, blessed with scenic beauty that enhances every aesthetic experience, proud of its heritage and excited about its future, Hamilton County offers a bounty of cultural and recreational activities which enhance its reputation as a thriving business center.

LOCATION

Hamilton County is located in the heart of the majestic Tennessee Valley at the junction of Tennessee, Alabama and Georgia. Atlanta, Birmingham, Huntsville, Nashville and Knoxville are located within a 2 - 2 ½ hour drive of the County.

Hamilton County is at the crossroads of three interstates, the Tennessee River and two rail lines.

Chattanooga, Hamilton County's major city, was an important early trading post, a vital location during the Civil War and a leading manufacturing center.

Hamilton County enjoys a mild, four-season climate.

HAMILTON COUNTY PROFILE

One of the most beautiful counties in the southeast, Hamilton County, TN, showcases its 368,000 acres of fun and play on a man-made lake surrounded by majestic mountains. Its historic downtown district that is positioned along the shore of the winding Tennessee River is endowed with rich classic architecture.

Introduction

Hamilton County is located in the southeastern part of Tennessee, midway between Nashville and Atlanta, Georgia. Hamilton County includes the cities of Chattanooga, Collegedale, East Ridge, Red Bank and Soddy Daisy, and the towns of Lakesite, Lookout Mountain, Ridgeside, Signal Mountain and Walden. The County was created on October 25, 1819, by the Tennessee State Legislature and is a body corporate and politic authorized by Chapter 5 of the Tennessee Code Annotated (TCA), other chapters of the TCA and certain private acts of the legislature, to perform local governmental functions within the County not performed by its ten incorporated towns and cities. As a municipal body, the County is an instrument of the State of Tennessee (the State) with such powers and jurisdictions as vested by law.

Form of Government

The County, pursuant to 1978 Public Act 934, is governed by a County Mayor elected at large and an eleven-member Board of County Commissioners elected by district. Some duties of government are performed by various elected and appointed clerks of the courts and by the elected Sheriff, Assessor of Property, Register of Deeds and County Trustee. The County Trustee collects all property taxes and acts as the clearinghouse for all County funds. All other financial functions of the County are managed by the Chief Financial Officer under the direction of the County Mayor. Those duties include the disbursement of funds, accounting, budgeting, purchasing, debt management, and preparation of the County's Annual Comprehensive Financial Report and Comprehensive Annual Budget Report. The executive offices of the County are located at Room 208, Hamilton County Courthouse, Chattanooga, Tennessee 37402.

Industrial and Economic Development

Hamilton County, Tennessee is an ideal center for commerce due partly to its proximity to highway, water, air and rail systems for transporting supplies, products and people. The primary guiding tenets used to harness these attributes and promote or create economic development include, but are not limited to:

- Maintain a stable, low tax environment.

- Utilize Payment in Lieu of Tax (PILOT) projects and Tax Increment Financing (TIFs) economic development tools to advance job creation and maintain competitiveness in recruiting new businesses.

- Work with and engage diverse development stakeholders (i.e., citizens, the state of Tennessee; the city of Chattanooga and other municipalities; the Chattanooga Area Chamber of Commerce; schools, universities, foundations; private businesses and industry, and other community leaders and regional partners) to identify needs and spur economic growth and collaboration.

- Promote industrial site and business park development, to support business recruitment, retention, and expansion.

- Seek and acquire grants and other funding/ planning opportunities to support development.

Chattanooga Chamber of Commerce and Hamilton County Joint Projects

The Chattanooga Chamber serves as liaison with local government agencies to support and develop startup entrepreneurs and recruit and expand new and existing businesses.

- The Chamber's three-year progressive INCubator Program provides entrepreneurial support and temporary workspace to startup businesses housed at the Hamilton County owned Business Development Center.

- Our region saw 72 project interests over the last five years, resulting in a total of 53 company expansions and 19 new companies across various business sectors bringing approximately 12,900 new jobs along with $5.5 billion in investments.

As the community's leading economic development organization, the Chamber is committed not only to business recruitment but also to supporting the

retention and expansion of existing companies on which is the source of eighty percent of new jobs in the community each year.

Talent development is crucial to the workforce which fosters continued economic growth, prosperity and enhanced quality of life. The Chamber works with employers and community partners to strengthen talent pipelines to ensure employers have a skilled and diverse local workforce. The partnership encourages Chattanooga employers to offer opportunities for employees to learn new skills and increase their earning potential.

Transportation Services

Hamilton County serves as a major regional transportation hub. Air transportation services are provided by Lovell Field, which is operated by the Chattanooga Metropolitan Airport Authority. Lovell Field is served by Allegiant Air, American Eagle/ American Airlines, Delta Connection and United Airlines. During the twelve-month period ended June 2025, passenger flow of traveling passengers included 685,252 enplaning passengers and 634,916 deplaning passengers, for a total passenger flow of 1,320,168. West Star Aviation, a fixed-based-operator (FBO) that provides maintenance, repair, and overhaul services to the airport, will expand its manufacturing operations at a cost of approximately $32 million with the potential of creating 200 new jobs. This expansion will be a good asset to the Airport Authority's $28 million, 26,000 square-foot expansion. The County also has Collegedale Municipal Airport, a privately owned and operated airport. All airport facilities are conveniently located near the downtown area and provide such services as aircraft sales, instruction, charter services, fueling and maintenance of aircraft.

Railway service is provided by three divisions of the Norfolk Southern Railway System and two divisions of the CSX Transportation System, all with switching service throughout the entire area. Modern "piggyback" service is provided by all lines.

The County is served by three interstate highways, seven U.S. highways, and nineteen State highways. One interstate bus line operates from the City of Chattanooga to all other major cities. Local mass transportation service is furnished by the Chattanooga Area Regional Transportation Authority (CARTA). Multiple daily departures are made via privately operated shuttle services to major metropolitan areas surrounding Chattanooga, such as Atlanta, Birmingham, Nashville and Knoxville.

Public use port terminals include JIT Terminal, Mid-South Terminals and the Centre South Riverport. The Tennessee River provides year-round, low-cost water transportation with a nine-foot minimum navigational depth and links to the nation's 10,000-mile inland waterway system. This system, formed largely by the Mississippi River and its tributaries, effectively links this area with the Great Lakes in the north and the Gulf of Mexico in the south. The nearby Tennessee-Tombigbee Waterway cuts the distance to the Gulf of Mexico by 850 miles.

Health Care Services and Facilities

Chattanooga is known as a regional leader in the medical field. In Hamilton County, 14% of jobs and 16% of payroll are generated by health care, including over 1,164 health care providers. Recognition of Chattanooga's medical community includes Erlanger Medical Center, which has the region's only Level 1 Trauma Center; the Neurosciences Center, home to the region's only certified academic center that offers a comprehensive array of neurological services; the Chattanooga Heart Institute, one of the leading heart centers in the region; and Siskin Hospital, Tennessee's only not-for-profit hospital dedicated to physical rehabilitation. Health care facilities include seven large hospitals, emergency medical centers, public and private mental health facilities, drug and alcohol abuse recovery facilities, rehabilitation centers and speech and hearing facilities for the disabled. In addition, the Hamilton County Health Department provides services and facilities for the protection and well-being of the public health. Total bed capacity of all hospital facilities is 1,764.

The Erlanger Health System, headquartered in Chattanooga, is comprised of seven campuses serving residents living within a 150-mile radius of Chattanooga. The campuses include the Baroness Erlanger Campus, the region's only Level One Trauma Center; Children's Hospital at Erlanger, Erlanger North Hospital, Erlanger East Hospital, Erlanger Bledsoe Hospital, located in Pikeville, Tennessee, Erlanger Western Carolina Hospital and Erlanger Behavioral Health Hospital. Erlanger is a nationally-acclaimed multi-hospital health system and the region's only teaching hospital, affiliated with

the University of Tennessee College of Medicine. Erlanger has six Life Force air ambulances in its fleet, three based in Tennessee, two in Georgia, and one in western North Carolina. In addition, Life Force provides high flow oxygen therapy to patients during air medical transports. Erlanger performed its first successful implant of the world's first Federal Drug Administration (FDA)- approved heart failure device. This device is used to treat heart failure patients who may not be receiving adequate symptom relief from medications alone.

The Kennedy Outpatient Center, a 90,000 square-foot building, is home to the only Children's Hospital in the region and includes more than twenty-six pediatric subspecialties along with the region's only level IV neonatal intensive care unit. Children's Hospital is the only accredited pediatric cardiology echo lab in the region which houses a state-of-the-art pediatric MRI machine-the region's only dedicated MRI machine for pediatric patients to be used in the Children's MRI and Outpatient Procedure Center.

CHI (Catholic Health Initiatives) Memorial Hospital has ten locations in Hamilton County, which include three hospitals, one imaging center, one community health center, one medical center, one medical office, one Health at Home Office and two physical therapy centers. In addition, CHI Memorial has a surgery center in Ringgold, Georgia that provides several outpatient surgical services such as breast surgery, endoscopy services, urologic services, and plastic surgery as well as a hospital. The hospital holds 64 inpatient beds including an intensive care unit (ICU), a full service emergency department, operating rooms, and an endoscopy lab. CHI Memorial houses its state of the art Guerry Heart and Vascular Center at its main campus. The Guerry Heart and Vascular Center includes a team of 27 cardiologists, three cardiothoracic surgeons, and three vascular surgeons; a 22-bed cardiac short stay unit; seven cardiac catheter labs; two interventional labs; one dedicated imaging center; a diabetes and nutrition center; a weight management center; and a chapel. In addition to the Guerry Heart and Vascular Center, CHI Memorial has the Lehman Family Center - an extension of its cardiac rehabilitation facility. CHI Memorial and The Chattanooga Heart Institute are the first in the Chattanooga region to offer MitraClip therapy, the world's first transcatheter mitral valve

repair - meaning no surgical incisions are needed to deliver this life changing therapy. The Chattanooga Heart Institute opened a new center, the first center for the region, that detect and treat cardiac amyloidosis, a disease characterized by the buildup of abnormal protein deposits in the heart. CHI Memorial also has the Interventional Pulmonology Clinic, a clinic that focuses on using minimal invasive procedures to treat lung conditions to include lung cancer.

Parkridge Hospital has seven locations that offer a wide range of services, including inpatient and outpatient surgical services, maternity and emergency services. Two of the Parkridge campuses include psychiatric facilities offering child and adolescent services, crisis intervention and adult and senior care. Parkridge Health System's Center for Digestive and Respiratory Health located in the Parkridge Medical Center provides physicians with the latest equipment to diagnose and treat colon, esophageal, and lung diseases. In May 2025, Parkridge Medical Center began construction on a new $98 million expansion patient tower. The expansion is one of the largest expansions in the Parkridge health system's history and it is designed to meet the evolving healthcare needs of Chattanooga's growing population.

Cultural Activities and Facilities

Hamilton County is a strong supporter of arts and cultural programs. ArtsBuild serves to ensure that all children and families in Hamilton County have access to high quality arts and cultural education through a comprehensive and sequential system. ArtsBuild has provided significant arts-related professional development to Hamilton County classroom teachers through the John F. Kennedy Center for the Performing Arts' Partners in Education program. ArtsBuild's Imagine! Initiative provides tickets, transportation, and integrated curriculum to all second through fourth grade students in Hamilton County to attend a professional art event each year. ArtsBuild and its cultural partners have made great contributions in Chattanooga's leading arts organization.

Charles H. Coolidge National Medal of Honor Heritage Center, a 19,000 square foot facility, located near the Tennessee Aquarium in downtown Chattanooga brings to life the history of our nation's highest military award with exhibits and technology that enable visitors to visualize the events that happened on the battlefield.

Chattanooga continues to provide engaging community activities by presenting Riverfront Nights. This event is fourteen Saturdays of fun that provides free music, a variety of food trucks, more family activities and an expanded kids' play area that attracted large crowds.

Wine Over Water is a much-loved annual event that has become a favorite destination for wine enthusiasts throughout the southeast. This event showcases a broad variety of wines, cocktails, delicious food, and a variety of music.

Recreational Facilities

The mountains that surround Hamilton County offer a multitude of opportunities for the outdoor enthusiast. A wide variety of activities are available, including fishing, hang gliding, cycling, camping, rock climbing, rappelling, spelunking, white-water rafting, kayaking and canoeing. The area has excellent tennis facilities and golf courses. The

Rowing Center provides a home base for crews rowing the Tennessee River. The area has a number of state and local parks, including the Tennessee RiverPark, featuring picturesque hiking trails, fishing piers, picnic facilities, playgrounds and open spaces. Excellent facilities are available for team sports such as soccer and softball. Opportunities for spectator sports include the Max Finley/Gordon Davenport Stadium and Coolidge Park.

Chattanooga, voted one of the top Ironman cities, is host to Ironman and Ironman 70.3. The Ironman event begins with a point-to-point 2.4 mile swim in the Tennessee River with ample spectator vantage points alongside the city's famous Riverwalk. Athletes look forward to a fast, down-current swim, a two-loop 58-mile bike ride through scenic farmland and mountain views, and finally a two-and-a-half loop, 26.2-mile run that showcases beautiful downtown Chattanooga.

The Tennessee River, Ross's Landing, and Coolidge Park provide a spectacular setting for events such as the Head of the Hooch regatta. The Head of the Hooch on average brings in 2,000+ crews from high schools, colleges and master rowing teams from around the country for the weekend event. The

Block is one of the largest adaptive reuse projects in Chattanooga history. The project evolved by turning the old Bijou Theatre into a vibrant urban centerpiece. The 30,000-square-foot structure features a 55-foot-high climbing wall (attached to the outside of the six-level building's parking garage); while the inside of the Block includes High Point Climbing and Fitness (indoor climbing facilities).

The Southside hosts multiple athletic venues. One is the Tennessee Bouldering Authority (TBA), Chattanooga's first indoor bouldering and rock-climbing facility. Located inside the Synergy Climbing and Ninja building, TBA has 10,000 square feet of indoor rock-climbing walls in its main bouldering arena. The facility has hundreds of boulder challenges covering every style, at every angle, and every level. In addition, a support staff is available to ensure an excellent rock climbing experience for climbers of all skill levels.

Chattown Skate Park is the city's lighted outdoor park for skate boards, BMX bikes and inline skating. The skate park has refurbished ramps, rails, and boxes, as well as a hockey rink, scoreboard, and a state-of-the-art sound system. Especially popular are the "primo" and "pizza" ramps. Special events and tournaments are scheduled throughout the year. During the fall and winter months, there are adult and youth hockey leagues which provide in-line skating version of the hockey game.

Chattanooga's Southside revitalization has filled the neighborhood with art, culture, cuisine and entertainment that has come to define the city. One of the many entertainment venues is Southside Social- a boutique bowling alley with ten lanes of bowling and four bars with full menus. In addition, Southside Social has pool tables, skeeball, ping pong, shuffle board, giant jenga, a bocce ball court, horseshoes, and cornhole. The 30,000-square-foot space creates an atmosphere for a classic night out.

CHI Memorial Stadium is home to the Chattanooga Red Wolves Soccer Club and is located in East Ridge. The stadium is a part of a mix-use development that will continue to evolve and spur additional growth in this part of the County which is close to the Tennessee/Georgia state line.

HAMILTON COUNTY PROFILE - *CONTINUED*

Last but certainly not least is Finley Stadium. The stadium is recognized as the best of its kind among Division I-FCS stadiums, and the 20,668-seat, state-of-the-art facility is the crown jewel for the Chattanooga's Southside revitalization. Besides serving as the home of the University of Tennessee at Chattanooga football team, (a.k.a. the Mocs), Finley Stadium/Davenport Field has hosted the NCAA Division I Football Championships as well as host to the Chattanooga Football Club, international and high school soccer, high school football, national lacrosse tournaments, concerts and other community festivals.

Adjacent to the stadium is the First Horizon Pavilion. The old Ross-Meehan Foundry has been renovated into an open-air pavilion which is now home to multiple events throughout the year, most notably the Chattanooga Market. First Horizon Pavilion has also become a favorite for tailgaters, complete with food and beverage concessions and a children's area. The pavilion offers tailgaters a perfect atmosphere around the stadium while providing protection from the weather without being indoors.

The Historic Side of Hamilton County

The County's rich history is evidenced by the nation's largest military park, the Chickamauga and Chattanooga National Military Park. In 2003, legislation was enacted into law by President George W. Bush, creating the Moccasin Bend National Archeological District as a unit of the Chickamauga and Chattanooga National Military Park.

Moccasin Bend National Park is a collective effort to preserve the cultural and natural resources of the Moccasin Bend National Archeological District while providing exceptional opportunities for visitors to understand and appreciate Moccasin Bend's rich and diverse history. With evidence of over 12,000 years of human occupation, overlaid by the Trail of Tears and Civil War artillery emplacements, and complemented by outstanding views of the Tennessee River and surrounding mountains, Moccasin Bend provides a unique experience for visitors to downtown Chattanooga.

FINANCIAL MANAGEMENT POLICIES

Budget Policy

The annual budget is a fiscal plan which presents the services to be provided to the community and the funds necessary to perform these services. Key steps in this process are described within this section. Hamilton County Government operates under a fiscal year that begins July 1 and ends June 30.

Hamilton County has as its highest priority the preservation of our natural resources, along with the continuing development of our community resources, to ensure that there is progressive and sustainable growth for the future needs of Hamilton County citizens.

The overall goal of the County's financial plan is to establish and maintain effective top-quality management of the County's financial resources. The County builds a solid foundation for subsequent years by effectively managing its resources through sound budget policies and the monitoring of the results of these policies throughout the fiscal year. Because the County involves each Division/ Department so heavily in the budget process, the finished product serves as an excellent management tool for use in day-to-day decision-making in the operation of a department. The budget also provides the basis of financial control to ensure compliance and prevent over-spending. Daily reports comparing budgeted amounts to actual amounts are available to each department via an integrated software program. These reports are also used to search for funding sources or unexpended appropriations needed if a departmental mission is adjusted in midyear.

The County's formal budget policy was approved by the County Board of Commissioners in April 1983 via Resolution 483-27. This policy outlines the general guidelines for the County's annual budget, the parties responsible for preparation of the annual budget, and the circumstances and procedures necessary for amending the annual operating budget.

State law requires that all local governments in Tennessee prepare and adopt a balanced annual operating budget. The County Legislative Body must by resolution adopt an annual budget and at the same time impose certain tax levies which will generate sufficient revenues to fund the various expenditure elements of the budget. The budget consists of a comprehensive listing of anticipated revenues and proposed expenditures for each function of government for the next fiscal year.

A legally enacted budget is employed as a management control device during the year for the following governmental funds: General Fund, Hotel/Motel Fund, Sheriff Special Revenue Fund, and Debt Service Fund as well as the Hamilton County Schools (a discretely presented component unit of Hamilton County). Formal budgetary integration is not employed for certain of the Constitutional Officers accounted for in special revenue funds due to the ability of management to closely monitor and control the transactions in the funds. Certain other special revenue funds are unbudgeted because effective control is maintained through the appropriation of revenues by the General Fund and through management's observation of the limited transactions of these funds.

Encumbrances against budgeted appropriations are recorded during the year upon execution of purchase orders, contracts, or other appropriate documents. Amounts shown as encumbrances at fiscal year-end reflect expenditures for goods and services that had not been received or completed at that date. These items are recorded as assignments of fund balances and provide authority for the carryover of appropriations to the subsequent year in order to complete these transactions. Encumbrances outstanding at year end become part of the subsequent year's budget for annually budgeted funds.

The County Mayor and County Board of Commissioners use the annual budgetary process to establish the scope and direction of County services and programs. Below outlines the budgetary procedures for Hamilton County.

I. Preparation of the Annual Budget – Responsibilities of County Officials

A. County Board of Commissioners

1. Establishes overall budgetary and programmatic policy.
2. Establishes the scope and direction of County services.
3. Determines the policy and direction the County takes in its efforts to deliver services to the citizens.
4. Takes action based on proposals and recommendations presented by the County Mayor.
5. Conducts formal budget hearings for

citizen input and budget presentations.

6. Formally adopts the annual budget and sets the required tax rates.

B. County Mayor

1. Makes proposals and recommendations regarding budgetary policy to the Board of Commissioners.
2. Reviews preliminary budget documents with the Chief Financial Officer and makes any necessary adjustments to the budget.
3. Conducts informal briefings with individual Commissioners to discuss special concerns of Commissioners, and fiscal impact of various other issues in the budget.
4. Presents the complete budget document to the Board of Commissioners.
5. Makes formal presentation of budget recommendations.

C. Chief Financial Officer

1. Responsible for guiding the annual budget preparation.
2. Designs budget worksheets and forms.
3. Issues instructions for completing budget forms.
4. Reviews completed budget request forms for accuracy and completeness.
5. Evaluates individual departmental requests and adjusts them to policy guidelines established by the County Mayor.
6. Prepares revenue estimates and balances expenditure requests with available revenues.
7. Makes a recommendation for budget action to the County Mayor and Board of Commissioners.
8. Coordinates budget hearings and schedules meetings.
9. Monitors individual departmental performance to ensure that the approved budget is not exceeded.
10. Prepares reports on budgetary performance for use by the County Mayor, Board of Commissioners and departments.
11. Makes a recommendation to the Board of Commissioners regarding budget amendments.

D. County Departments, Boards, Institutions, Offices and Agencies

1. Prepare annual budget requests to include descriptions of programs, staffing levels and service plan for the year.
2. Submit budget requests as directed by the Chief Financial Officer.
3. Present budget requests and service plan to Board of Commissioners at formal budget hearing.
4. Execute the approved budget.

II. Amendments to Operating Budget

Once the County Board of Commissioners has formally adopted the County's operating budget, it becomes the responsibility of the Elected Official, Agency Head or Division Administrator to control the budget and to live within its parameters. It is the responsibility of the Finance Division to support this process with the necessary accounting records and periodic reports and to maintain contact with the above individuals relative to the status of their budgets.

Should an amendment become necessary (either because of the availability of additional funds or the need for additional support) it should be brought to the attention of the Chief Financial Officer for presentation to the Board of Commissioners at the earliest possible time.

Under the budget policy, the Elected Official, Agency Head, or Division Administrator has the authority to shift budgeted amounts from one line item to another within a department. The County Mayor has the authority to shift budget amounts from one department to another within the same Division. The County School Superintendent, with approval of the School Board, has the authority to shift budgeted amounts within the School Fund Budget. A quarterly report will be submitted to the County Mayor and County Board of Commissioners by the Chief Financial Officer showing in detail any shift of budgeted amounts with suitable justification.

Any necessary amendment outside the parameters outlined in the preceding paragraph is submitted to the County Board of Commissioners for its approval prior to any funds being expended.

III. General Conditions

In order for charitable, civic or other nonprofit agency to receive funding from Hamilton County the following conditions must be met:

A. Provide an annual audit to the County Auditor.

B. Make books and records available for inspection by properly designated officials on the request of the County Mayor or County Board of Commissioners.

C. Notify the County Mayor and County Board of Commissioners immediately of any irregularities, unanticipated revenues or expenditures.

To ensure compliance with the budget policy, the Chief Financial Officer is responsible for preparing a budget schedule each year to facilitate the decision-making process by providing overall direction to County departments and supported agencies. The budget preparation process begins in November when County Departments begin a self-evaluation of future funding needs for staff requirements and operations based on current costs and any potential future costs anticipated within the next fiscal year. At this time, each department requests traditional object code line item expenditures and justification for maintaining current and expanded expenditures. Individual department requests for capital needs are reported on a separate form. This information is submitted to the Finance Division by the end of January. In February, each department reviews their mission statement, function, goals, objectives, and performance measures for the upcoming year. This information is formally submitted to the Finance Division by late April.

During late March and early April, each division head meets with the Chief Financial Officer to discuss their proposed budget document. Around the middle of May, the Chief Financial Officer consolidates all of the budget requests and presents them to the County Mayor for review.

Public hearings are held during the first part of May. These meetings provide citizen input to the County Commission on decisions and issues relating to the budget. The Chief Financial Officer and his staff review and consolidate all budget requests, estimate anticipated revenues and prepare a balanced budget for submission to the County Commission. After several meetings where various budget revisions are discussed, the Commission adopts the Operating Budget for the fiscal year beginning July 1, and sets the tax rate for the upcoming year.

Hamilton County's budget has evolved into a comprehensive system that combines elements of line item, performance and program budgeting.

Cash Management & Investment Policy

The County strives to keep abreast of current trends and procedures for cash management and forecasting so as to ensure efficient and profitable use of the County's cash resources. In an effort to maximize investment earnings, the County has formed a centralized investment pool, which allows all idle cash to be invested on a daily basis. Daily cash needs are supplied from funds held with the County's local bank, while longer-term cash reserves are held in the Tennessee local government investment pool, government securities and certificates of deposit.

State statutes require that all deposits with financial institutions must be collateralized by securities whose market value is equal to 105% of the value of the uninsured deposits. The collateral must be held by the pledging financial institution's trust department or agent in the County's name.

The Hamilton County Board of Commissioners has adopted an investment policy, which sets as its goal the maximizing of investment earnings, while at the same time protecting the security of the principal and maintaining liquidity to meet the cash requirements. The policy sets forth the allowable types of investments as well as the individuals responsible for making those investments.

Effective cash management is essential to good fiscal management. This becomes even more important as the demand for services continues to exceed available revenues. Therefore, the extent to which Hamilton County can obtain investment returns on funds not immediately required has a direct relationship to its tax rate. This necessitates that investment policies be formulated and uncompromisingly applied in a manner that will maximize investment returns.

Hamilton County may invest in any instruments that are in accordance with applicable laws. Authorized investments include:

1. Bonds, notes or treasury bills of the United States or obligations guaranteed as to principal and interest by the United States or any of its agencies.

2. Certificates of deposit and other evidence of deposit at Tennessee state and federally chartered banks and savings and loan associations.

3. Repurchase agreements of obligations of the United States or its agencies.
4. The Tennessee Local Government Investment Pool, State Bonds or bonds from any county or municipal corporation of the state including bonds payable from revenues, but expressly excluding bonds of any road, levee or drainage district.
5. Bonds of any other state or political subdivision thereof.
6. Nonconvertible debt securities of various federal government sponsored enterprises.

The Chief Financial Officer of Hamilton County is responsible for the investment of all monies covered under the investment policy. The Chief Financial Officer or his/her designee shall serve as the investment portfolio manager. The investment portfolio manager is responsible to obtain competitive rates on a weekly basis and, based on these rates, invest available funds so as to maximize interest earnings and protection of principal.

The Chief Financial Officer shall prepare a quarterly report to the County Commission on the investment earnings and performance of the County's investment portfolio. The report includes sufficient detail to provide an accurate and meaningful representation of the portfolio, showing its performance in relation to established benchmarks and its compliance with the investment policy.

Revenue Policy

A. Hamilton County maintains a diversified and stable revenue base to shelter it from short-term fluctuations in any one revenue source by doing the following:
   1. Establishing user charges and fees as permitted by law at a level related to the cost of providing that service, including indirect costs when appropriate;
   2. Pursuing legislative change, where necessary, to permit increases in user charges and fees to allow the County to recover the full cost of services;
   3. Aggressively collecting property tax revenues, including filing suit where appropriate and necessary, as authorized by Tennessee State Law; and
   4. Aggressively collecting all other fines, fees and revenues due the County.

B. Hamilton County continues to actively pursue intergovernmental grant funding to fund programs that have been identified as important to meet the County's mission, vision, goals and objectives.

C. Hamilton County minimizes its reliance on non-recurring sources of revenue, including the use of prior year fund balances for recurring expenditures, except for the cyclical changes in fund balance that occurs between debt issuances. Increases in fund balance that result from property tax increases will be used for operating expenses in subsequent years in order to sustain the County through its traditional four-year planning cycle.

General Operating Policy

A. All departments are responsible for meeting policy goals and ensuring long-term financial health. Future service plans and program initiatives will be developed to reflect current policy directives, projected resources and future service requirements.

B. An annual operating budget shall be adopted consistent with state law and a budget process developed in a manner which encourages early involvement with the County Commission and the public.

C. The County's budget process is intended to weigh all competing requests for resources, within expected fiscal constraints. Requests for new, ongoing programs made outside the budget process will be discouraged.

D. Revenues will not be dedicated for specific purposes, unless required by law or generally accepted accounting principles. All non-restricted revenues will be deposited in the General Fund and appropriated through the budget process.

E. The County will maintain a balanced budget. This means that operating revenues must fully cover operating expenditures, including debt service. Except for the cyclical use of fund balance between debt issuances and the growth of fund balance reserves resulting from property tax increases used to sustain the County through its traditional four-year planning cycle, fund balance can only be used to fund temporary/one-time expenditures and

ending fund balance must meet minimum policy levels.

F. Expenditures for capital equipment, replacement of vehicles, computers, and other short-lived capital expenditures are accomplished on a "pay-as-you-go" basis integrated into the current budget from the Five-year Capital Improvement Plan.

G. Current revenues will fund current expenditures and a diversified and stable revenue stream will be developed to protect programs from short-term fluctuations in any single revenue source.

H. Addition of personnel will only be requested to meet program initiatives and policy directives after service needs have been thoroughly examined and it is substantiated that additional staffing will result in increased revenue or enhanced operating efficiencies. To the extent feasible, personnel cost reductions will be achieved through attrition.

I. To the extent possible, user fees and charges will be examined periodically to ensure that they recover all direct and indirect costs of the service provided.

J. The County will follow an aggressive, consistent but sensitive policy of collecting revenues.

K. Cash and investment programs will be maintained in accordance with the adopted investment policy and will ensure that proper controls and safeguards are maintained. County funds will be managed in a prudent and diligent manner with an emphasis on safety of principal, liquidity, and financial return on principal.

A copy of the County's General Operating Policy can be obtained from our website at **http://www.hamiltontn.gov/PDF/Policies/FinancialManagementPolicies.pdf**

Capital Improvements Policy

A. The purpose of the Capital Improvements Plan (CIP) is to systematically plan, schedule and finance capital projects to ensure cost-effectiveness as well as conformance with established policies.

B. A five-year CIP will be developed and updated annually, including anticipated funding sources. Capital improvement projects are defined as infrastructure or equipment purchases or construction that results in a capitalized asset with a useful life (depreciable life) of 15 years or more. Minor capital outlays with a useful life of less than 15 years will be included with the capital outlay operating budget and are adopted as part of the annual budget process.

C. The CIP shall include but is not limited to requests from County General Government, Hamilton County Schools and from Constitutional Offices.

D. The CIP will include adequate funding to support, repair and replace deteriorating infrastructure and avoid a significant unfunded liability. In addition, current operating maintenance expenditures, which extend the useful life of the buildings, infrastructure and equipment, will be included with the capital outlay operating budget and adopted as part of the annual budget process.

E. Proposed capital projects will be reviewed regarding accurate costing (design, capital and operating) and overall consistency with the County's goals and objectives. Financing sources will then be identified for the highest ranking projects.

F. Capital improvement lifecycle costs will be coordinated with the development of the capital outlay operating budget. Capital project contract awards will include a fiscal impact statement disclosing the expected operating impact on the project and when such cost is expected to occur.

G. The CIP funding sources include debt proceeds, County appropriations and Federal and State aid. CIP funded by General Obligation Bonds or Notes are formally adopted by the County Commission when the bond resolution is approved.

Debt Management Policy

Debt policies and procedures are tools to ensure that financial resources are adequate to meet the County's long-term planning objectives and that debt issuances satisfy certain clear objective standards and protect the County's financial resources while still meeting its long-term capital needs. The adoption of a clear and comprehensive debt policy enhances the

internal financial management of the County.

In order to maintain a high quality debt management program, the County has adopted a Debt Management Policy designed to:

- Achieve the lowest cost of capital
- Ensure high credit quality
- Assure access to the capital credit markets
- Preserve financial flexibility
- Manage risk exposure

This Policy formally establishes parameters for issuing debt and managing a debt portfolio which considers the County's specific capital improvement needs; ability to repay financial obligations; and the existing legal, economic, financial and debt market conditions. Specifically, this policy is intended to assist in the following:

- Guide the County and its managers in debt issuance decisions related to types of debt and the professionals hired by the County during the debt issuance process
- Promote sound financial management
- Protect and enhance the County's credit rating
- Ensure compliance with all State and Federal laws and regulations regarding debt issuance
- Promote cooperation and coordination with other stakeholders in the financing and delivery of services
- Evaluate debt issuance options (new debt and refinancing of existing debt)
- Avoid conflicts of interest

This Policy also outlines responsibilities and procedures for maintaining relationships and communicating with the rating agencies that assign ratings to the County's debt; for the structure of debt issuances (types of debt, duration, interest rate, etc.); refinancing of debt; methods of issuance; selection of financial and legal professionals; continuing disclosure compliance; post issuance compliance; and transparency.

A copy of the County's Debt Management Policy can be obtained from our website at **http://www.hamiltontn.gov/PDF/Policies/DebtManagementPolicy.pdf**

Reserve Policy

A. The County will maintain an operating reserve for use in the event of unanticipated, extraordinary expenditures and/or the loss of a major revenue source.

B. The County will strive to maintain an unreserved fund balance in the General Fund of no less than 25% of the operating budget or three months operating expenditures for any year. Fund Balance can only be appropriated by an affirmative vote of a majority of the members of the County Commission.

Accounting, Auditing and Financial Reporting Policies

- An independent audit will be performed annually.
- The County will produce annual financial reports in accordance with Generally Accepted Accounting Principles (GAAP) as outlined by the Governmental Accounting Standards Board (GASB).
- The County will maintain a strong internal audit capability.

Purchasing Policy Statement

In an attempt to secure the best and most suitable goods and services at the best possible prices, it is the policy of Hamilton County to:

- Promote competition via a competitive process wherever practical when purchasing or securing goods and services for Hamilton County.
- Select the lowest priced and best goods and services offered. Neither the price nor the product/service qualities in excess of established specifications shall be the sole criterion for selection.

The Procurement and Fleet Management Department (Procurement Department) is charged with overall responsibility for procuring and/or supervising the procurement of all goods and services needed by the County, its departments, agencies, offices and elected officials. Consistent with this charge, the primary function of the Procurement Department is to administer and continuously improve upon a procurement process that facilitates the County's ability to consistently buy the best available products and services at the lowest possible prices while adhering to established policies and rules that are designed to provide an open and fair competitive process for all. Furthermore, the Procurement Department will be primarily responsible for developing and administering a standard set of contractual terms and conditions

designed to apply to purchasing contracts entered into by Hamilton County.

The County shall maintain a Procurement Department as a unit of the County's Finance Division. This department shall be managed by the Director of Procurement who is the legally authorized purchasing agent for Hamilton County. The Director delegates purchasing authority to authorized buyers. The creation of credit accounts, lines of credit or similar devices for purposes of acquiring goods or services subject to the Hamilton County Purchasing Rules is exclusively limited to the County's Procurement Director or his/her designated appointee.

The Procurement Department will follow the respective Codes of Ethics promulgated by the National Institute of Governmental Purchasing (NIGP) and Hamilton County when carrying out the duties of this office.

A copy of the County's Procurement Policies can be obtained from our website at **http://www.hamiltontn.gov/department_procurement.aspx**

Asset Accounting Policy

Accounting policies address the capitalization policy, controllable assets, and classes of property. A capital asset is defined as an asset having a useful life of more than one year and a historical cost of $5,000 or more (fair market value of donated assets). These capital assets will be included in the property inventory. Major additions, including those that significantly prolong a fixed asset's economic life or expand its usefulness, are capitalized. Normal repairs that merely maintain the asset in its present condition are recorded as expenses and are not capitalized. Hamilton County does not currently own any historical art or treasures. If in the future the County acquires historical art or treasures, they will be recorded at historical costs. However, depreciation will not be required as they do not depreciate in value. The fixed asset class schedule states the useful lives for each class of capital asset that will be used to determine the depreciation charge annually.

Controllable assets are those assets that do not meet the criteria for a capital asset, usually because their historical cost is less than $5,000. Controllable assets are maintained for tracking purposes only. The County is responsible for including the controllable assets in the physical property inventory; however, the controllable assets will not be included as depreciable assets reported in the Annual Comprehensive Financial Report. Exceptions to this rule are computers, firearms, radios, trailers, and reimbursements to third parties for purchased assets which are tracked regardless of historical cost.

Assets with a historical cost less than $5,000 or with a useful life of less than one year will not be included in the property inventory. However, if management feels like it is necessary to track the assets due to the sensitive, portable, and/or theft-prone nature of the asset, management may keep its own listing separate from the property listing within the fixed asset system. Departments may choose to tag these items with a sticker stating Property of Hamilton County.

Risk Management Policy

Hamilton County maintains a comprehensive risk management program which is responsible for all functions related to risk management, including analysis of risk exposures and alternatives to risk financing, loss control and claims administration. The County maintains a self-insurance program that includes all its liability exposures, including on-the-job injuries. Resources are placed in a separate fund to meet potential losses. Risk control techniques such as safety inspections and educational programs on accident prevention are implemented to minimize accident-related losses.

BUDGET FORMAT

The FY 2026 Annual Budget Document for Hamilton County provides historical, present and future comparisons of revenues and expenditures, proposed allocations of resources and descriptions of the anticipated annual accomplishments of County programs.

BUDGET ORGANIZATION

The budget document is organized to provide a summary of the total budget with revenues and expenditures for each fund. The major portion of the budget consists of detailed pages containing a description of the funds and activities along with a recap by summarizing all expenditures involved in that particular function. The Personnel Schedules and Glossary conclude the document.

FINANCIAL STRUCTURE

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based on the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped into four fund types and two broad fund categories as follows:

GOVERNMENTAL FUNDS

- **General Fund** – The General Fund is the principal fund of the County and is used to account for all activities applicable to the general operations of County government which are not properly accounted for in another fund. All general operating revenues which are not restricted or designated as to use are recorded in the General Fund. Included in this fund are activities for the Independent Offices, Unassigned Departments, Finance Division, Public Works Division, Health & Social Services Division, Human Resources Division, Public Safety Division and Office of the Sheriff.
- **Special Revenue Funds** – The Hotel/Motel Fund and Sheriff Special Revenue Fund are budgeted and included in this section.
- **Debt Service Fund** – The Debt Service Fund is used to account for the accumulation of resources for and payment of principal and interest of general long-term debt.

COMPONENT UNIT

- **Component Unit** – Component Unit is an entity that is legally separate from the County, but the County is considered to be financially accountable for the entity. Hamilton County Schools is a component unit of Hamilton County Government.

BASIS FOR BUDGETING

The budgets are adopted using the modified accrual basis of accounting which is consistent with generally accepted accounting principles (GAAP), except that encumbrances are treated as budgeted expenditures when the commitment to purchase has occurred. All unencumbered and unexpended appropriations lapse at year-end. Appropriated amounts reflected in the accompanying budget to actual comparison are as originally adopted or as amended by the County Commission.

The County Mayor is authorized to transfer appropriated amounts between departments within any division. However, any revisions that alter the total expenditures of any division or fund must be approved by the County Commission. Expenditures may not exceed appropriations at the fund level.

Formal budgetary integration is employed as a management control device during the year for the General Fund and the Special Revenue Funds. Budgetary control is achieved for the Debt Service Fund through general obligation bond indenture provisions. All appropriations which are not expended or encumbered lapse at year end.

BASIS FOR ACCOUNTING

All Governmental Funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. All intergovernmental revenues are recorded as revenue when received. Property tax revenues are recognized in the fiscal year for which they were levied. Licenses and permits, charges for services, fines and forfeitures, and other revenues are recorded as revenue when received as cash.

Expenditures are generally recognized under the accrual basis of accounting when the related fund liability is incurred. For budgetary purposes, encumbrances are treated as expenditures in the year incurred. An exception to this general rule would include principal and interest of general long-term debt which is recognized when due.

ADOPTED BUDGETS

Formal budgets are adopted for the General Fund, Debt Service Fund, Sheriff Special Revenue Fund and Hotel/Motel Fund. Hamilton County Schools' Fund is adopted as a discretely presented component unit budget.

Hamilton County Board of Commissioners

RESOLUTION

No. 625-46

A RESOLUTION ADOPTING A BUDGET OF $1,095,678,025 FOR THE FISCAL YEAR 2026

WHEREAS, the County Board of Commissioners has legal authority to adopt a budget; and

WHEREAS, the current appraisal has not been completed and the total assessed valuation and exact official tax aggregate is unknown; and

WHEREAS, the estimated receipts from the 2025 property tax are based on prior years' and the current year's collections to date; and

WHEREAS, the method for determining payments in lieu of taxes by the Electric Power Board is based on factors other than property value. The Electric Power Board is excluded from assessed value and its payment in lieu of taxes is fixed at a rate of 53% for the General-Purpose School Fund and 47% for the County General Fund; and

WHEREAS, it may be necessary to issue revenue anticipation notes to fund the budget.

NOW, THEREFORE, BE IT RESOLVED BY THIS HAMILTON COUNTY LEGISLATIVE BODY IN SESSION ASSEMBLED:

1. That the Budget attached to this resolution and by reference made a part of said resolution, for fiscal year 2026 is hereby adopted.

2. That the tax levy which will be set at a later date in accordance with T.C.A. Section 67-5-1701 will provide the same ad valorem revenue for the County as was levied during the previous year, considering the new values and considering only those properties which were in both the previous year and the current year's tax base.

3. That the taxes provided in Chapter 387 of the Tennessee Public Acts of 1971, and any amendments thereto, known as the "Business Tax Act", are hereby enacted, ordained and levied on the business, business activities, vocations, or occupations doing business or exercising a taxable privilege as provided by said Act, in Hamilton County, Tennessee, at the rates and in the manner described by the said Act. The proceeds of the privilege taxes levied herein shall be apportioned to the County General Fund in total. It is not the intention of the Hamilton County Board of Commissioners, in adopting this particular tax, to affect in any way the imposition and collection of any lawful ad valorem tax imposed on personalty or real property.

4. That the payments in lieu of taxes paid by the Electric Power Board are hereby fixed at a rate of 53% for the General-Purpose School Fund and 47% for the County General Fund.

5. That in addition to the funds appropriated above, additional funds shall be appropriated to meet obligations carried forward from prior year open purchase order balances in each respective fund. Such appropriations shall be from the fund balance of each respective fund.

6. That the budgets of the School Federal Projects Fund be the budget approved for separate projects within the fund by the Tennessee Department of Education.

7. That the County Mayor and County Clerk are hereby authorized to borrow money on revenue anticipation notes, provided such notes are first approved by the Director of Local Finance, to pay for the expenses herein authorized until the taxes and other revenue for the fiscal year 2026 have been collected, not exceeding 60% of the appropriations of each individual fund. The proceeds of loans for each individual fund shall be used only to pay the expenses and other requirements of the fund for which the loan is made and the loan shall be paid out of revenue of the fund for which the money is borrowed. The notes evidencing the loans authorized under this section shall be issued under the authority of the applicable sections of Title 9 Chapter 21, Tennessee Code Annotated. Said notes shall be signed by the County Mayor and countersigned by the County Clerk and shall mature and be paid in full with renewal no later than June 30, 2026.

BE IT FURTHER RESOLVED THAT THIS RESOLUTION TAKE EFFECT FROM AND AFTER ITS PASSAGE, THE PUBLIC WELFARE REQUIRING IT.

General Fund

The General Fund accounts for all financial resources applicable to the general operations of County government that are not properly accounted for in another fund. This fund is the only unrestricted fund of a government unit. Included in this section is a departmental/fund relationship chart that shows the correlation between the funds and the departments. The basis of budgeting is the modified accrual.

The major revenue of the General Fund includes property taxes; other local taxes; licenses and permits; intergovernmental; charges for services; fines, forfeitures, and penalties; investment income and revenue from other agencies.

In the following General Fund schedules and departmental summaries, the amended budgets for FY 2025 include grant rollovers and amendments (approved by the County Commission) after the adopted budget process.

General Fund Revenue Sources

Revenues for the General Fund are budgeted to increase in total by $3,085,064 (0.9%). The major categories of revenues, along with changes from the fiscal year 2026 budget, are discussed below.

Property taxes: Hamilton County levies a property tax annually based on assessed property valuation, and a portion of the property tax is assigned to the General Fund. Property tax revenues include taxes on real property, personal property (personalty taxes), public utilities and transportation property (OSAP – Other State-Assessed Property).

Property tax collections for the last year did not meet expectations or the amount budgeted for fiscal year 2025. For fiscal year 2026 budget purposes, property tax revenues were budgeted at the same amount as fiscal year 2025 for real property, personal property and OSAP taxes.

The Assessor is responsible for locating and identifying all properties within the County to ensure that all legal property is properly listed, classified and valued on the County tax rolls. The Assessor attempts to capture all new construction, additions and demolition of existing property, as well as changes to land use and configuration. To accomplish this, Assessor personnel track building permits, completion notices, property sales, zoning changes and any other sources for information about property status. Field inspections are performed on a regular basis and help the Assessor to maintain records as up to date as possible. Aerial photographs and accurately maintained maps are essential data.

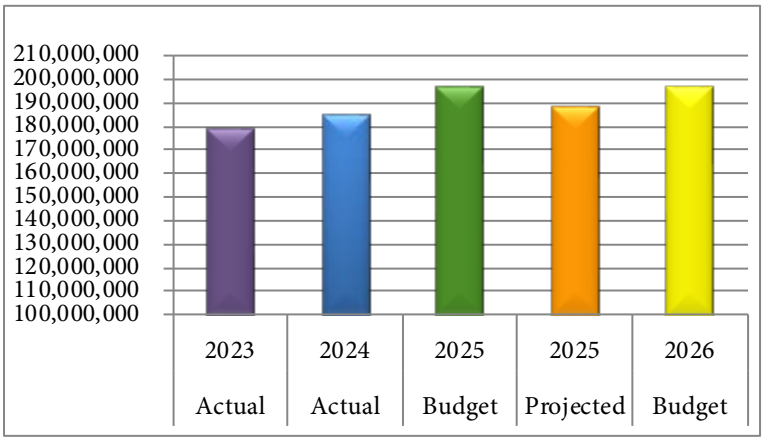
The Assessor estimates fair market value for all property in the County. Fair market is defined as how much a property would sell for in an open market under normal circumstances. The laws governing the tax appraisal process in Tennessee are based on the same principles and procedures that are used throughout the appraisal profession. There are three basic approaches to the valuation of real property:

a. The MARKET approach involves comparison of a property to other properties with similar characteristics that have recently been sold.
b. The COST approach involves estimating the replacement cost of a structure and adjusting that estimate to account for depreciation.
c. The INCOME approach is an analysis of a property's value based on its capacity to generate revenue for the owner.

The Assessor reappraises Hamilton County properties on a four-year cycle, as required by state law, to maintain appraisals at market value and to ensure equity of appraisals throughout the jurisdiction. Hamilton County's four-year cycle consists of three years of comprehensive on–site reviews of each parcel of property in the County, followed by revaluation of all property in the fourth year.

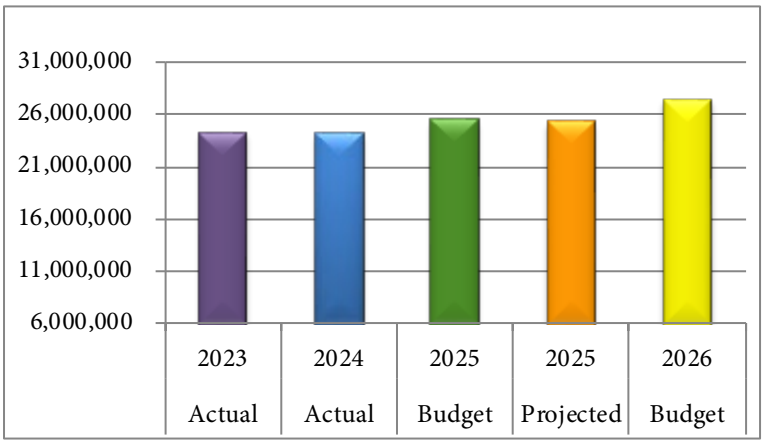
Payments in lieu of taxes from certain utility companies, the Tennessee Valley Authority (TVA) and the Electric Power Board (EPB) are also reported as 'property tax' revenues. In accordance with federal law, TVA makes payments in lieu of taxes to states in which its power operations are carried on and in which it has acquired properties previously subject to state and local taxation. TVA pays five percent of its prior-year gross power revenue proceeds to such states and counties.

The 2026 TVA payment is budgeted at $4,572,400. EPB also submits in lieu of tax payments to Hamilton County. The 2026 EPB in lieu of tax payment is budgeted at $4,951,700, same as FY 2025.



Other local taxes: The two main components of other local taxes are the local option sales tax and the gross receipts tax. The General Fund estimates sales tax revenues of $11,027,000. Projected sales tax revenues are based on actual collections trended over a five-year cycle. General government's share is approximately 50 percent of a 2.25 percent local option sales tax generated from the unincorporated areas of Hamilton County, with the remainder going to Hamilton County Schools (HCS).

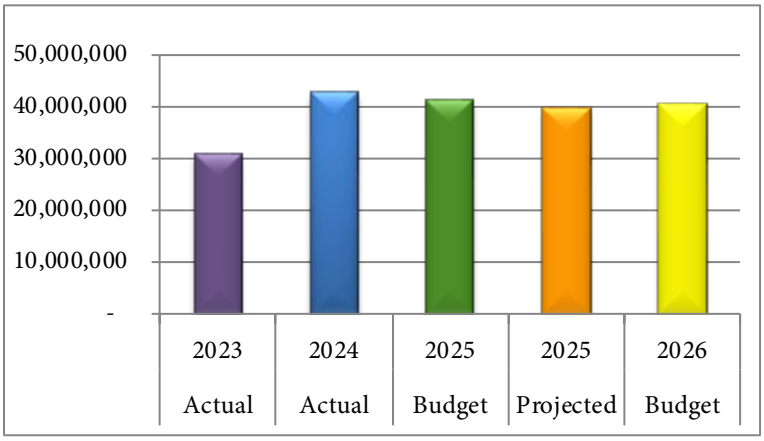
The gross receipts tax is budgeted for fiscal year 2025 at $10,300,000. This tax primarily consists of business taxes collected by the State of Tennessee from businesses operating within Hamilton County. These business taxes are based on a class schedule, broken down by type or product sold.



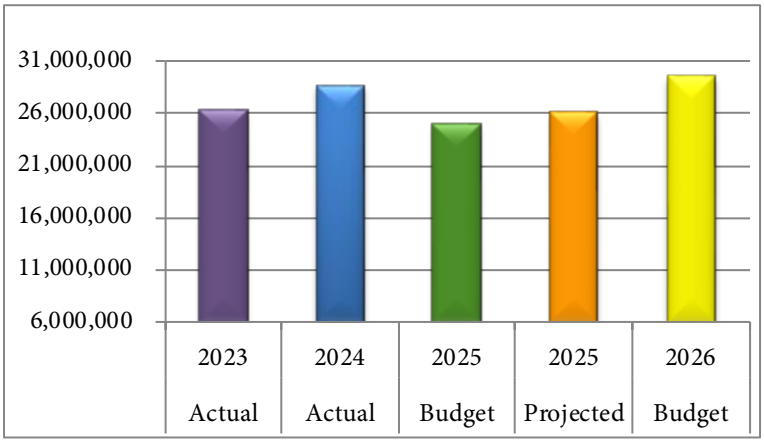
Intergovernmental revenue: Intergovernmental revenues consist of funding received from the State of Tennessee ($31,553,151); from the Federal government ($5,883,804); and from municipalities – primarily the City of Chattanooga ($2,933,088). The State revenues include grants to assist in funding for Hamilton County Health Department services ($14,368,039); gasoline and motor fuel taxes ($6,500,000), same as FY25; and reimbursements for the boarding of state inmates in County correctional facilities ($1,600,000). Federal revenues include grants to the Health & Social Services Department ($4,158,052) and

reimbursements for the boarding of federal inmates in County correctional facilities ($840,000). Municipal revenue primarily includes funding from the City of Chattanooga for certain recreation projects jointly funded by the County and the City.

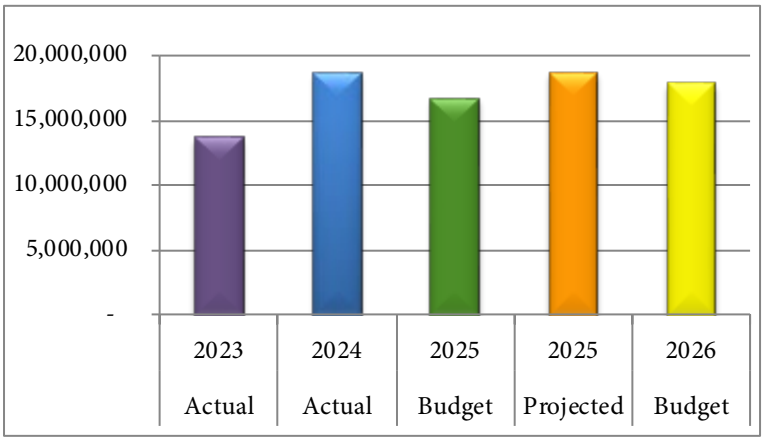
Intergovernmental revenue projections are provided by the individual County departments based on approved resolutions for grant activities and/or interlocal agreements.



Charges for current services: This category represents service charges from patients treated at the County Health Department ($3,205,542); medical fees generated through the County-wide Ambulance Service ($19,000,000).



Miscellaneous: This category includes revenues from the issuance of licenses and permits ($1,882,500); collections of fines, forfeitures and penalties ($2,084,350); investment earnings ($6,970,000); and other miscellaneous revenues, including cable TV franchise fees ($1,447,564) and camping fees generated at the County-owned Chester Frost Park ($1,450,000).



Transfers in from other funds: These revenues primarily consist of excess fees ($16,950,0000) transferred into the General Fund from the Hamilton County independent officers (including the Clerk & Master, County Clerk, Register of Deeds and Trustee). Excess fees represent the remainder of all fees collected by the respective independent officers less salaries paid by those officers. Excess fees projections are provided by each individual independent officer.

Independent Offices

(Formerly known as Constitutional Offices)

The Independent Offices (formerly known as Constitutional Offices) of Hamilton County, Tennessee were established pursuant to the Constitution of the State of Tennessee. They are independently elected officials with the exception of the Clerk and Master who is an appointed official of Hamilton County, Tennessee.

Certain of the Independent Officers (Clerk & Master, County Clerk, Register of Deeds and Trustee) use funds separate from the General Fund to deposit their fees and commission revenues and to pay expenses for employee salaries and wages. All other operating expenses for these Independent Officers, including employee benefits, are budgeted and paid from the General Fund.

All expenditures for the other Independent Officers listed on the following pages are budgeted in the General Fund.

Medical Examiner

FUNCTION

The County Medical Examiner is required by the "Postmortem Examination Act" (Tennessee Code Annotated, Sections 38-7-101 through 38-7-117) to investigate certain types of deaths occurring in the County and to keep records on investigations and examinations of such deaths. Thus, the medical and legal circumstances of a death can be properly documented and provisions can be made for the completion of a Tennessee Death Certificate.

PERFORMANCE GOALS

1. To detect unsuspected homicides.
2. To protect the health of the community.
3. To clarify workers' compensation claims, insurance claims and civil lawsuits.
4. To provide more accurate vital statistics.

(Note: Medical Examiner moved under the new Public Safety Division in FY2025)

PERFORMANCE OBJECTIVES

1. Provides vital information that is needed by the family of the deceased, Public Health Department, law enforcement and many other agencies
2. Comprehensive investigations include selected death scene visits, postmortem examinations and/or autopsy with photographic and narrative documentation of various medical evidence, toxicology and serology, x-rays and consultation in anthropology, odontology or other specialties as needed
3. Prepare various reports and other documentation related to an individual's death and subsequent expert medical testimony in judicial proceedings

PROGRAM COMMENTS

This office has continued to maintain our National Association of Medical Examiners accreditation. The County Medical Examiner's Office participates in the State of Tennessee's on-line death certificate system called VRISM, which has made the completion of death certificates more prompt throughout the state. The office has linked in MDILog with TBI and State Unintentional Drug Overdose Reporting System (SUDORS) in monitoring drug overdoses and has linked with National Violent Death Reporting System (NVDRS). The Hamilton County Medical Examiner's Office has seen a decrease in some categories.

Clerk & Master

MISSION

To serve the public in a manner that is consistent, professional and efficient when performing the dual role of Clerk of the Chancery Court and the Master in Chancery for the Eleventh Judicial District of Tennessee.

FUNCTION

The Clerk & Master position is equally split. As Clerk, the officer exercises all the duties and powers conferred upon clerks of court generally, whose role is almost exclusively clerical, and law or orders of the court strictly define the powers exercised. As Master, the officer is a judicial officer clothed with many of the powers of a Chancellor. There is no question of law or equity, or disputed fact, which the Clerk & Master may not have occasion to decide or respecting which the Clerk & Master may not be called upon to report his opinion to the Court.

PERFORMANCE GOALS

1. Continuing to streamline case filing process and procedures in all departments.
2. Restructuring court cost collection procedures.
3. Provide e-filing capabilities and support.

County Clerk

FUNCTION

The County Clerk is a constitutional officer and is elected by the voters for a term of four years. Duties of the office range from secretary to the County Commission when in legislative session to conducting a great deal of the state's taxation duties within the County. Included are collection and remittance of appropriate funds to the State and County derived from Vehicle Title and Registration, Beer Tax, Boat Registration, Marriage License, Business License, Driver License, Notary and Pawnbroker applications, and Fish and Game permits.

PERFORMANCE GOAL

To serve the public in a courteous and efficient manner.

PERFORMANCE ACCOMPLISHMENTS

1. Internet tag renewal applications continue to increase; therefore, decreasing branch foot traffic. Since internet renewals began in 2001, more than 1.42 million transactions have been processed.

PROGRAM COMMENTS

1. Bonny Oaks Tag & Title branch continues to provide easier access for the public and greatly reduces the traffic and parking problems around the downtown Courthouse. Seventy percent of all walk-in tag & title and renewal work was processed at the Bonny Oaks branch office. Of the 208,236 branch transactions, 52,573 were renewals. The branch is beneficial to the public, other Courthouse offices, and courts. The public is extremely complimentary of the branch extension initiated by the County Clerk and funded by the Commission.
2. The Courthouse location processed 67,008 walk-in transactions, which is an increase of 13.7% over the previous year.
3. In the last quarter of FY 2024, another vehicle tag instant renewal option was added by placing a renewal kiosk in the Hixson Food City, located in the northern part of the county.

Register

MISSION STATEMENT

To record, index, maintain, and provide access to all Hamilton County real estate documents, uniform commercial code fixture filings, federal tax liens, military discharges, power of attorneys, and other instruments, as prescribed by Tennessee Code Annotated. We provide this duty and service at the most cost-efficient way possible for the citizens of Hamilton County.

FUNCTION

The principal duty of the County Register's office is to record deeds and other instruments required or allowed to be filed by law as stated in Tennessee Code Annotated §66-24-101 and §8-13-108. Writings eligible for registration include deeds, powers of attorney, mortgages, marriage settlements, plats, military discharges, etc. However, over the years, other types of instruments eligible for registration have been added. Many other statutes must be referred to in order to complete the list of duties that the Register must perform in today's office.

The Register is also responsible for collecting and accounting for all fees and taxes due as allowed by law.

PERFORMANCE GOALS

1. To assist the public with information in a genuine, caring and cost-efficient manner.
2. To work with all governmental departments by exchanging information through technology for prompt communication to assist those departments and the citizens.
3. To provide an accurate accounting of all fees.
4. To continue training staff on changes made to Tennessee Code Annotated.

PERFORMANCE OBJECTIVES

1. Record, process, and optically scan documents
2. Provide electronic access to the public and commercial users
3. Bill departments through the computer accounts receivable application
4. Microfilm all records using TIFF images and convert them to microfilm rolls by using archive writer software and hardware
5. Print and track copies made by users from computer images
6. Keep the general ledger, etc., with a computer application, and provide auditing capabilities remotely
7. Work with all governmental departments exchanging information via the computer system to eliminate steps for the public and County Government departments
8. Work in conjunction with the GIS department employees (located at the City/County Development Resource Center for permits and plat approval process) so that the public may complete the plat approval and recording process with our recording software at that location
9. Provide an e-recording process
10. Enhance computer software that is written, maintained and owned by Hamilton County Government
11. Staff will be continually trained
12. Continue to scan old books with the newer scanners for better DPI and add those to our system
13. Cradle scanner purchased by Records Management will be used to rescan some of our large plat images, etc.
14. To continue making backup copies of records and storing them in a secure, climate-controlled facility

PERFORMANCE MEASURES	Actual 2023	Actual 2024	Projected 2025	Estimated 2026
Documents Recorded	51,747	52,285	48,000	48,000

Excess Fees Collected	$1,545,336	$1,480,778	$1,300,000	$1,300,000

PROGRAM COMMENTS

1. The office of Register was provided for in the colony's first fundamental law, known as the "Concessions and Agreements" of 1665. When Tennessee became a state in 1796, the first constitution included a provision for a Register to be elected by the county court in every county.
2. Tennessee's Constitution does not specify any duties for the office of Register. Therefore, the Legislature is free to determine the duties of the Register by statute and has done so.

PROGRAM COMMENTS (continued)

3. A program was written by our computer programmer/administrator, which calculates copy charges by a company's password and writes the total money due for all companies to the charge book/billing software. They are billed and can pay by credit card with our credit card vendor, Lexis Nexis.
4. The Register's Training and Document Requirement Guide is available online for staff.
5. The Register's online system is continuously updated to make the program easier to use by the public.
6. The Hamilton County, Tennessee Register's Guidebook is provided for the employees.
7. Recorded information is online for the date range 07/01/1969 to present. Older books are scanned, indexed and cropped. Book 1503 is the earliest book that we have rescanned and digitized.
8. The number of remote user accounts is 376.
9. An accelerated records search program tool named Quick Search was written by the Register and programmed by the Register's in-house programmer. It was released in May 2017 and is an original Register's system software concept.
10. In early 2020 the Register's Office began working on software called the "Property Fraud Alert System". This software program was introduced and released to the public in October 2020 and currently has 3,066 users as of February 27, 2025. This program helps to prevent property fraud, forgery and theft.

Trustee

MISSION

To serve the citizens of Hamilton County with integrity and transparency by responsibly collecting, safeguarding, and investing all public funds.

FUNCTION

The Trustee is the treasurer for the County and serves three primary functions: (1) collect all County property taxes; (2) keep a fair and regular account of all money received and disbursed; (3) invest temporary idle funds. The following are major funding sources handled by the Trustee: real property taxes, personal property taxes, state assessed property taxes, hotel-motel taxes, sales tax, grants, state and federal government funding. The Trustee provides services to County General Government and Hamilton County Schools.

PERFORMANCE GOALS

1. Provide excellent, courteous, and efficient assistance to taxpayers as well as other government entities.
2. Expand avenues for taxes to be paid.
3. Promote Tax Relief Program with the elderly, disabled, and disabled veterans.

Assessor of Property

MISSION

To discover, list, classify and appraise all taxable property in the jurisdiction of Hamilton County, Tennessee, for ad valorem (according to value) tax purposes.

FUNCTION

The Assessor of Property is responsible for keeping current information on the ownership and characteristics of all property; and to prepare and certify the assessment roll annually in accordance with administrative procedures and state law.

PERFORMANCE GOAL

To perform the duties of the office and to provide the highest level of professional service and technical assistance to the citizens of Hamilton County on all matters relating to property values and assessment.

PERFORMANCE OBJECTIVES

1. Uniformity of standards, methods, and procedures, which will result in equality of the assessments
2. Appraise real and personal property to establish the proper base for applying the appropriate assessment ratio and tax rate
3. Ensure that all property that should legally be on the County assessment roll is properly listed, classified and valued. To do this, property must first be located and identified. This office will attempt to capture all new construction, additions and demolition of existing improvements as well as changes to land use and configuration. To accomplish this, personnel will track building permits, completion notices, property sales, zoning changes and any other sources for information about property status. Field inspections of Hamilton County on a regular basis

PERFORMANCE OBJECTIVES (continued)

will help the Assessor keep records as up to date as possible regarding property changes. Aerial photographs and accurately maintained maps are essential data

4. Estimate fair market value for all properties in the County. Fair market value is defined as how much a property would sell for in an open market under normal circumstances. The laws governing the tax appraisal process in Tennessee are based on the same principles and procedures that are used throughout the appraisal profession. There are three basic approaches to the valuation of real property:
    a. The MARKET approach involves comparison of a property to other properties with similar characteristics that have recently been sold.
    b. The COST approach involves estimating the replacement cost of a structure and adjusting that estimate to account for depreciation.
    c. The INCOME approach is an analysis of a property's value based on its capacity to generate revenue for the owner.
5. Reappraise Hamilton County on a four-year cycle, as required by state law, to maintain appraisals at market value and to ensure equity of appraisals throughout the jurisdiction
6. Create and maintain an assessment roll detailing all County property, its owner, and its value. This roll, with preliminary, or tentative, assessments, is made available for public inspection in May. Property owners whose property has changed in value are notified by mail of those changes and are given an opportunity to appeal any values they feel are inconsistent with the fair market value of their property. The County Board of Equalization, after hearing owners' appeals and ordering any changes they feel are warranted, makes the assessment roll final for the year. The Assessor of Property then turns the roll over to local taxing authorities
7. Assist taxpayers with questions regarding property ownership, assessment and recent property sales. The Assessor's office handles thousands of requests annually from current or prospective property owners, as well as from the real estate, legal, and banking communities

PROGRAM COMMENTS

Every county in Tennessee is either on a four-, five- or six-year cycle of reappraisal. Hamilton County's four-year cycle consists of three years of comprehensive on-site reviews of every parcel of property in the County, followed by revaluation of all property in the fourth year.

District Attorney General

MISSION

Continue to keep the community safe by presiding over all law enforcement agencies in this jurisdiction. In continuing with the tasks at hand, this office must continue to uphold the Constitution of the United States of America and the State of Tennessee. It is our mission to administer strict, expeditious, and economic justice for the people of Hamilton County, Tennessee.

FUNCTION

The Office of the District Attorney General employs prosecutors to work in each of the criminal courts throughout the 11th Judicial District (Hamilton County), including Juvenile Courts, General Sessions Courts, Municipal Courts (4), and Criminal Courts.

Once a defendant is charged with a crime or indicted by the Hamilton County Grand Jury, our office begins to handle the prosecution by working with each law enforcement agency to ensure successful prosecutions, with priority on the prosecution of dangerous and repeat offenders.

PERFORMANCE GOALS

1. Perform our duties in an efficient and organized manner to provide top-notch public safety to the citizens.
2. Update internal tracking systems to maintain sufficient tracking of internal cases in addition to implementing full office integration of CivicEye, an online tracking service, by July 2025.
3. Increase staff by adding more prosecutors to handle large number of caseloads.
4. Expand our focus on opioid crimes in the community.
5. Increase the number of cases we take to trial which will lessen plea deal negotiations with criminal defendants.
6. Reduce the number of low-level cases being bound over from General Sessions Court to Criminal Court.

PERFORMANCE OBJECTIVES

1. Transfer over to a new online tracking system, CivicEye which offers case tracking services as well as discovery sharing services. This system will assist our office to be uniform with the other State of Tennessee District Attorney's Offices
2. Hired a dedicated opioid prosecutor who focuses on high level drug offenses and violent drug dealers
3. Review all plea deals on high level offenses such as homicides and will implement the practice of prosecutors taking one or two cases annually to a jury trial
4. Reduce the number of cases going through Grand Jury by vertical prosecution.

PERFORMANCE ACCOMPLISHMENTS

1. Host the annual Hamilton County Season to Remember; an event that honored the lives of homicide victims in our community and their loved ones.
2. Collaborate with the Chattanooga Police Department to offer in-service training to officers at no cost to the taxpayers. This training allowed attorneys to give and receive communication with law enforcement officers on the front end, in the form of legal expertise from attorneys.
3. Advocate legislation to be passed which allows for prosecutors all over the State of Tennessee the leverage to seek felony convictions and increased jail and prison sentences where repeat misdemeanants continue to rage our communities.

PROGRAM COMMENTS

In just under two years, the Office of the District Attorney General, 11th Judicial District has undergone a transformation. The new model, known as vertical prosecution, has molded our office into a cohesive unit. All the lawyers in the District Attorney's Office must possess the skills to try and convict dangerous criminals. Our office employs support staff to include victim/witness coordinators and legal assistants who work with attorneys in reaching out to victims and witnesses of crimes. In addition, we have expanded the number of in-house prosecutors to 32. Of the 32 prosecutors, several specialty prosecutors bring unique strengths and perspectives to the office. For example, we have recruited a Chief Homicide Prosecutor, Child Sex Abuse Prosecutor, Gang and Violent, Opioid Prosecutor, and Special Assistant United States Attorney. By focusing on specific types of crime, these specialty prosecutors can target our most dangerous offenses and offenders. The successes enjoyed by this office over the past year would not have been possible, much less imaginable, without the hard work and dedication of the professionals who serve our community as employees of the District Attorney's Office. My office and I aspire to accomplish even more in the coming year. With hard work and the tireless pursuit of justice, we can and will make Hamilton the safest community in the State of Tennessee.

County Election Commission

MISSION

To serve all citizens by administering secure, accurate, and assessable elections with integrity and transparency, all in compliance with election laws.

FUNCTION

The Hamilton County Election Commission is obligated by State law to fulfill various duties including but not limited to: approving an annual operating budget; certifying voting machines prior to elections; designation of polling places; designation of precinct boundaries; appointment of poll workers; and certifying election results.

PERFORMANCE GOALS

State law sets forth certain specific duties of the administrator, including the employment of all office personnel.

1. To conduct each election fairly, honestly and accurately.
2. To maintain voter registration records.
3. To file campaign financial disclosure and reports.

2. Reviewed and evaluated all polling locations making changes when necessary.
3. Performed ongoing voter registrations, confirmations and maintenance daily.
4. Explored and make recommendations on new voting equipment.
5. Continued training on new voting equipment.
6. Worked with Tennessee Division of Elections to ensure full compliance with both Federal and State laws.
7. Recruited and trained poll workers in election law, policies and procedures and operation of voting equipment.

PROGRAM COMMENTS

Hamilton County Election Commission is comprised of five election commissioners. The election commissioners are appointed by the State Election Commission after consultation with the legislative delegation from Hamilton County. The Election Commission is an entity expressly created and organized by the laws of the State of Tennessee. However, it is not a part of any political subdivision of the State. Although the Hamilton County Election Commission receives certain designated funding from the State, the primary source of funding for the Hamilton County Election Commission is Hamilton County Government. Nevertheless, the Hamilton County Election Commission is not an arm of the County Government.

The chief administrative officer of the Hamilton County Election Commission is the Administrator of Elections, who is appointed by and serves at the collective pleasure of the five election commissioners. The Administrator is responsible for the daily operations of the Hamilton County Election Commission and the execution of all elections.

District Public Defender

MISSION

Pursuant to T.C.A. Section 8-14-204, the office of the District Public Defender has the duty of representing indigent persons appointed to it by the Court. Indigence is determined by the judges of the various courts. Clients are accepted only by court appointment.

FUNCTION

The duties include counseling, advising, and representing clients on pretrial matters, at trial, and on appeal to the appellate courts of this State.

The Public Defender practices in the following courts: Criminal Court (Division I-III); General Sessions Court Divisions 1-5); Juvenile Court; and the Municipal Courts of Collegedale, East Ridge, Soddy Daisy, Red Bank, and Lookout Mountain.

PERFORMANCE GOAL

Provide zealous representation to those charged with crimes who cannot afford to hire an attorney. This office strives to provide quality representation to every client appointed for representation.

PERFORMANCE OBJECTIVES

To accomplish these objectives, the attorneys and staff must properly investigate the facts of each case, interview witnesses, prepare documents, prepare court presentations, and provide adequate legal research in support of the foregoing

PROGRAM COMMENTS

In 1992, the Tennessee legislature amended Title 16, Chapter 2, Part 5 of Tennessee Code Annotated and added the following section: "From and after July 1, 1992, any increase in the number of authorized assistant district attorney positions or increase in local funding for positions or office expense shall be accompanied by an increase in funding of seventy-five percent (75%) of the increase in positions or funding to the office of the Public Defender in such district for the purpose of indigent criminal defense." (T.C.A. 16-2-518). This office thanks the Commission for such funding. Without this funding the office would not be able to handle the workload in a competent, effective, and efficient manner.

The Public Defender staffs the Hamilton County Drug Recovery Court, both in Criminal and General Sessions Court. Through that effort our citizens move from dependency to productivity. Likewise, we continue to staff and support the Hamilton County Mental Health Court, a program designed to support collaborative efforts necessary for the treatment of defendants diagnosed with a serious mental illness.

Board of Equalization

MISSION

To ensure property tax assessments are fair, just, equal, and uniform across all properties within the county's jurisdiction.

FUNCTION

The board serves as an independent, impartial forum for property owners to appeal the assessor's valuation of their real and personal property.

PERFORMANCE GOAL

1. Take necessary steps to ensure that assessments of all properties within its jurisdiction conform to laws of the State and the rules and regulations of the State Board of Equalization.

Expenditures by type	Actual 2023	Actual 2024	Budget 2025	Proposed 2026	Budget 2026
Operations	$ 2,010	$ 705	$ 7,700	$ 7,700	$ 7,700
Total Expenditures	$ 2,010	$ 705	$ 7,700	$ 7,700	$ 7,700

PERFORMANCE OBJECTIVES

1. Carefully examine, compare and equalize Hamilton County assessments and act in a timely manner.
2. Assure that all taxable properties are included on the assessment rolls.
3. Eliminate from the assessment rolls such property as is lawfully exempt from taxation.
4. Hear complaints from taxpayers who feel aggrieved on account of excessive assessments of their property.
5. Decrease the assessments of such properties as the Board determines have been excessively assessed.
6. Increase the assessments of such properties as the Board determines are under assessed, if owners of such properties are duly notified and given an opportunity to be heard.
7. Correct errors arising from clerical mistakes or that otherwise may come or be brought to the attention of the Board.

PROGRAM COMMENTS

The Hamilton County Board of Equalization is the first level of administrative appeal for all complaints regarding the assessment, classification and valuation of property for tax purposes. It consists of five property owners selected from different parts of Hamilton County to serve two-year terms. The Board convenes the first day of June each year and remains in session until that year's equalization is complete. The Assessor of Property works closely with the County Board of Equalization. A representative from the Assessor's Office must sit with the County Board of Equalization at all hearings of value protests.

The Board historically has many more appeals during the year of reappraisal.

General Sessions Court

FUNCTION

In the criminal division of General Sessions Court, the judges set bonds, adjudicate misdemeanor charges, and conduct preliminary hearings for misdemeanor and felony charges. The criminal division also presides over misdemeanor probation violations, property forfeitures, traffic violations, gun permit appeals, and issues search warrants.

PERFORMANCE GOALS

1. To serve the community in their official elected capacities by keeping the citizens of Hamilton County safe and accountable.
2. To impartially adjudicate all matters.
3. To fairly and efficiently enforce the laws of Hamilton County and the State of Tennessee.

PROGRAM COMMENTS

Each year, the five General Sessions Court judges adjudicate tens of thousands of civil and criminal cases arising in Hamilton County, Tennessee.

General Sessions Court has civil jurisdiction over lawsuits up to $250,000, as well as landlord/tenant and replevin matters.

General Sessions Court also conducts involuntary committal hearings for Parkridge Valley Hospital, Moccasin Bend Mental Health Institute and Erlanger Behavioral Health Hospital. General Sessions Court also has a Mental Health Court, which is a “one stop shop” for justice-involved mental health consumers in Hamilton County, as well as a Drug Recovery Court, which supervises and treats justice-involved individuals suffering with sever substance use disorders.

Juries

FUNCTION

The function of the Jury is to try and determine, by a true and unanimous verdict, any question or issue of fact, according to law and the evidence as given them in the court.

PERFORMANCE GOAL

To render a fair and impartial verdict, according to law and the evidence.

PROGRAM COMMENTS

The Court impanels 96 jurors to serve all year. The jurors are paid only for the number of days served. A code-a-phone is used to notify jurors if their service is needed for the following day. Non-jury matters are tried during the month of August.

Criminal Court Judges

FUNCTION

To administer justice in the courts as efficiently and accurately as possible.

PERFORMANCE GOALS

1. To achieve justice as fair as humanly possible but also as efficiently and accurately as possible, and by the best means available including the use of modern equipment and at the least possible expense.
2. To achieve justice in a way to cause the least inconvenience to citizens of the county who must attend court as jurors, witnesses and even parties who may be innocent.

Chancery Court Judges

MISSION

Provide for the peaceful resolution of civil disputes.

FUNCTION

The Court handles cases involving domestic relations, worker's compensation, estates, trusts, contracts, review of administrative action of governmental agencies and boards, the collection of delinquent taxes, guardianships, and conservatorships, dissolution of partnerships and corporations, enforcement of liens, boundary lines, and breach of contract, fraud, election contests, and other matters of a civil nature.

PERFORMANCE GOAL

To render a speedy resolution of matters submitted to the Court after a full hearing, so that both sides of a dispute have an opportunity to present evidence relevant to the dispute.

Circuit Court Judges

FUNCTION

The Hamilton County Circuit Court is a state court of record with civil jurisdiction serving the people of Hamilton County. Both jury and non-jury cases are tried in the Circuit Court, which consists of suits for damages, domestic relations cases, hearings on protective orders, adoptions, worker's compensation cases, etc.

PERFORMANCE GOALS

The goal is to keep the docket current to ensure that each person can have a timely, fair and impartial trial. The primary goals for a Circuit Court judge include: impartially applying the law to cases appealed from lower courts, ensuring fair and just outcomes, upholding the integrity of the legal system, writing clear and concise opinions that set legal precedent, and efficiently managing their caseload while prioritizing timely adjudication; all while adhering to ethical standards and promoting public confidence in the judiciary.

Key aspects of these goals include:

Legal Accuracy:

Carefully reviewing legal arguments, interpreting statutes correctly, and applying established precedents to reach accurate legal decisions.

Impartiality:

Avoiding bias and personal opinions when evaluating cases, treating all parties equally, and ensuring fair procedures.

Transparency:

Providing clear and well-reasoned written opinions explaining the rationale behind decisions, contributing to legal clarity and precedent.

Efficiency:

Managing a caseload effectively, adhering to court deadlines, and minimizing delays in the judicial process.

Public Trust:

Maintaining a high ethical standard, upholding judicial decorum, and promoting public understanding of the legal system.

Access to Justice:

Striving to ensure all parties have equal access to the court system, considering potential disparities in representation.

PERFORMANCE GOALS (continued)

Continuing Education:
Staying updated on legal developments, participating in professional development activities to maintain competency.

Caseload Management:
Setting priorities for complex cases, assigning appropriate resources, and managing case flow efficiently.

Promoting Settlement:

Encouraging parties to explore alternative dispute resolution options before trial where appropriate.

Community Engagement:

Participating in outreach programs to educate the public about the legal system and promote civic engagement.

PROGRAM COMMENTS

The judges are elected to eight-year terms. The domestic relations cases which they decide, and which involve children are subject to a pilot program which began statewide in 1997. The program is designed to reduce the litigious nature of divorces to reduce the adverse impact of that atmosphere upon the children. The pilot program in Hamilton County has become the model for the other counties in the state.

TCA §8-21-1001 Section 1 a-e. This position will not be handling paper documents, nor communicating with members of the general public as a normal course of the job performance. Therefore, may be funded by this fee. At the discretion of the Register, this position may be performed in office or remotely.

This program helps to ensure that the Hamilton County Register of Deeds office continues to remain on the technological forefront of development as well as accuracy.

Juvenile Court Judge

FUNCTION

The Juvenile Court of Hamilton County is the official assembly for transactions of judicial business and the administration of justice as mandated by local, state, and federal law in juvenile matters. Children are referred to the Juvenile Court for reasons of delinquency, status offenses (truancy & runaway), and dependency/neglect issues.

PERFORMANCE GOAL

1. Hamilton County Juvenile Court's philosophical goal remains to be the habilitation and rehabilitation of youth and preservation of the family unit.

PERFORMANCE OBJECTIVES

1. To expedite judicial processing of all complaints.
2. To protect the needs of youth referred to the Court.
3. To reduce the number of youths who recidivate to criminal behavior.
4. To protect youth in a state of dependency and/or neglect.
5. To divert from judicial intervention those cases meeting pre-defined criteria.
6. To maintain data and records for evaluation and planning of court services.

PROGRAM COMMENTS

Hamilton County is experiencing lower offense numbers but much more serious and violent charges being filed which aligns with the pattern of the national trend.

Juvenile Court Detention Unit

FUNCTION

The Hamilton County Juvenile Detention Center is a pre-adjudicatory temporary holding facility for juveniles charged with delinquent and runaway offenses. Juveniles held in the Detention Center are required to take part in the educational program and to participate in daily tasks. The Detention Center is in operation twenty-four (24) hours a day, 365 days per year.

PERFORMANCE GOALS

1. Because the Juvenile Detention Center is a temporary holding facility, the primary goal is to provide a safe and secure facility for children who are being detained prior to court hearings.
2. The Center is unable to provide correctional treatment, however, an active educational program is provided, as well as crisis intervention, which could lead to a community referral for family assistance.
3. To maintain high standards and protocol in the orderly, structured daily operation of the Detention Center.

Juvenile Court – IV D - Administration

FUNCTION

The IV-D Department of the Juvenile Court is responsible for hearing all cases pertaining to the obtaining of delinquent collections from absent parents. Funds collected for children on Families First are forwarded to the Department of Human Services to offset those state costs. The court hearings from this department involve legitimacy, paternity suits, visitations, and contempt petitions. Due to computerization, the program is linked to similar programs across the nation making accessibility of child support easier for custodians of children.

PERFORMANCE GOALS

1. To hear all cases in a timely fashion brought to obtain child support from absent or noncustodial parents.
2. To docket 90% of IV-D cases served, within 90 days of the date of service, which is a minimum requirement.
3. To reach a disposition in at least 75% of these cases within six months from docketing, and 90% within twelve months, which is a requirement.

PROGRAM COMMENTS

The State of Tennessee is responsible for processing the child support collections of Hamilton County Juvenile Court.

Juvenile Court Volunteer Services

FUNCTION

The Auxiliary Probation Officer (APO) program assists in monitoring in-home detention as well as children on probation. The Foster Care Review Board reviews every foster child's case and provides recommendations to the Court for future planning.

PERFORMANCE GOALS

1. To recruit, train, and supervise volunteers for services to the Court.
2. To make recommendations to the Court regarding future planning for children.
3. To provide informed community representatives who will raise awareness on juvenile issues.
4. To provide a positive role model for children and families coming into the system.
5. To protect children classified as "high risk" for abuse, delinquency or neglect.

PROGRAM COMMENTS

The Volunteer Services department utilizes approximately 70 volunteers throughout the court system. Volunteers are recruited and trained for placement with all types of children.

Juvenile Court CASA

FUNCTION

The Court Appointed Special Advocates (CASA) are trained community volunteers appointed by the Judge or Magistrate to represent the best interests of abused and neglected children in court. The CASA provides the judge with a carefully researched background investigation of the child and their circumstances. Additionally, the CASA serves as the child's advocate in dealing with agencies and court personnel, to make sure that the child's unique needs are not overlooked, and that his/her interests remain of paramount concern in the care planning process.

Hamilton County CASA utilize volunteers who assist in the intervention of cases. Program volunteers contribute an average of 10 hours per case. Hamilton County CASA is a member and partially funded by the Tennessee CASA Association with additional funding provided by the national CASA associations.

Juvenile Court Safe Baby Court Grant

MISSION

The mission of Safe Baby Court is to implement effective practices for families and thereby change the local system to improve long-term outcomes for small children in the child welfare system.

FUNCTION

Safe Baby Court (SBC) is a specialized court program that was established for infants and toddlers, ages birth through three years, who are involved in the child welfare system. SBC targets families with young children who are at high risk for developmental, physical, or mental health issues due to the vulnerability of their age and trauma related to maltreatment that impacts the brain during these early stages of development.

PERFORMANCE GOALS

1. Reduce the length of time to permanency for children, specifically ages zero to three, who are involved in the child welfare system.
2. Reduce risk for future maltreatment of children within the child welfare system.
3. Reduce short-term and long-term effects of trauma for children ages zero to three, taking special consideration for a young child's brain development.
4. Promote public safety and awareness, and increase personal, familial, and social accountability for families.
5. Increase effective interaction and use of resources within the community along with local state-level agencies.

HAMILTON COUNTY, TN

Juvenile Court Clerk

MISSION STATEMENT

The mission of the Office of the Juvenile Court Clerk is to record and preserve, in perpetuity, all proceedings of the Hamilton County Juvenile Court. The Clerk's Office shall provide excellent customer service to all parties accessing the Court.

FUNCTION

The Office of the Juvenile Court Clerk is responsible for processing and maintaining all legal documents for the Juvenile Court of Hamilton County in compliance with TCA §18-1-101 101 *et seq.*, the Rules of Juvenile Procedure, and the Local Rules of Practice. All funds collected by the Clerk's Office are deposited into the County General Fund. The office performs a variety of duties and responsibilities, some of which are listed below:

1. Process all legal documents filed in Office of Juvenile Court Clerk, Juvenile Division.
2. File and maintain all pleadings, court orders, and related documents and maintain rule docket logs.
3. Provide deputy court clerks for all Court hearings (presiding Judge and three (3) full-time Magistrates).
4. Maintain accurate financial records in accordance with best practices.
5. Collect court costs, filing fees, fines, administrative fees, bonds, restitution and any other monies as ordered by the Court.
6. Appoint attorneys as ordered by the Juvenile Court.
7. Administer and maintain trust fund awards for minors pursuant to TCA §29-13-301, Part 3, as well as any other trust accounts as ordered by the Court.

PERFORMANCE GOALS

The goal of this department is to conduct the regular business of the office with three primary principles in mind:

1. Ensure Fiscal Responsibility

   The Office of the Juvenile Court Clerk believes that the first and foremost duty owed to the citizens of Hamilton County is to be good stewards of taxpayer dollars. As a non-revenue generating constitutional office, we must depend on the County General Fund to support day-to-day operations. Because of this, employees actively seek out opportunities to save money on expenditures, reduce waste, and increase revenue, where possible.
2. Continuously Improve Efficiency

   A productive and efficient workplace is the key to a successful office. This includes developing technological upgrades, revising workflow strategies, and eliminating time-wasting procedures. An efficient clerk's office provides the necessary information to the court, parties, and community partners in such a way as to maximize constructive outcomes and minimize errors.

PERFORMANCE GOALS (continued)

3. Provide Excellent Customer Service

   Courtesy and accuracy are the keys to providing a positive experience to users of the Juvenile Court. Employees understand the difficult nature of the court system, and the frustrations that permeate these particular caseloads; therefore, assisting the parties, attorneys, court staff, and community partners with respect, kindness, thoughtful consideration and the highest level of professionalism are core values of this office.

PERFORMANCE OBJECTIVES

1. Provide professional, efficient, and quality service to the public, Judges, Magistrates, local, state, and national partners, court staff and all members of the public who come in contact with this office
2. Continue to ensure compliance with all TCA code requirements and local rules regarding procedures, fees, etc.
3. Maintain the confidentiality of all records as governed by TCA §37-1-153
4. Continue development of workflow analysis of all office functions and development and refinement of electronic processes.
5. Maintain a model for new employee orientation, annual continuing education and training program for all employees while continually seeking creative opportunities to train all staff
6. Redeveloped the Juvenile Court Clerk's Hamilton County website to provide additional information on court processes and procedures, access to forms, and links to community partners serving the same client population
7. Consolidated the purchasing procedures for supplies to maximize bulk orders and to minimize duplication and waste. Ongoing price analysis of supplies shall be done to ensure that the lowest/best pricing of supplies is obtained
8. Developed collection process to collect outstanding court costs, fees and fines
9. Continued the expansion of electronic process applications, including e-filing of documents for attorneys and other partners.

PERFORMANCE OBJECTIVES (continued)

10. Continue partnership with local universities and colleges for site visits and observations at Juvenile Court

PERFORMANCE ACCOMPLISHMENTS

1. Initiated a "Go Green Program" designed to maximize the use of and reduce the purchase of office supplies, and to participate in the Hamilton County Recycling Program. Examples of methods for reduction of supplies include: use of electronic submission of court orders to magistrates for review to reduce the use of paper and correction tape; use of email to scan and send documents to external community partners to reduce paper, envelopes, and postage usage and costs; consolidation of purchasing of office materials to maximize bulk orders and reduce duplication and waste; repurposing empty paper boxes for use in sending court files to the warehouse, resulting in savings by reducing the purchase of storage boxes; networking of all employees to larger printer/copier units in office, thereby eliminating the need for desktop printers and toner cartridges.
2. Implemented video jail hearings eliminating the need to transport inmates from the Hamilton County Jail and Detention Center to the Juvenile Court of the Juvenile Division. This significantly improved courthouse security, shortened the length of hearings and greatly reduced staffing and transportation costs for the Office of the Hamilton County Sheriff and the Hamilton County jail and Detention Center.
3. The Office of the Juvenile Court Clerk applied for and received grant funding from the Administrative Office of the Courts to install a Court Kiosk in the lobby of the Juvenile Court. Hamilton County was selected as one of only four pilot programs in Tennessee to be part of this Access to Justice Project. The Court Kiosk is a free-standing computer with internet access that allows self-represented litigants access to a variety of local legal and community resources. Clients can research information in a user-friendly format and have the option to print copies of information needed through the Clerk's Office. This innovative technology is based on the Help4TN.org platform and was designed by the Access to Justice Commission, and initiative of the Tennessee Supreme Court.
4. In conjunction with the clerks of Hamilton County Criminal and Circuit Courts, our court participated in the development of the GovApp, a custom mobile app that allows for enhanced communication between any parties utilizing the Hamilton County court system and court

PERFORMANCE ACCOMPLISHMENTS (continued)

staff. It includes a multitude of features including push notifications FAQs, office information, forms and search options for our courts. This is currently being rolled out from our office. Criminal Court Clerk Vince Dean led this initiative.

5. This office participated in the Hamilton County Economic and Community Development Office project hosting the Georgetown Judicial Innovation Fellowship review of the criminal justice data system in Hamilton County. The final report of the Fellow included a very complimentary review of our JFACTS data management system utilized in Juvenile Court. This project has been extended and this office continues to be engaged in the review and enhancement of existing data systems here in Hamilton County criminal justice network.

PROGRAM COMMENTS

The Tennessee Supreme Court, in an opinion on July 29, 1988, declared the position of Juvenile Court Clerk to be an elected office. The Office of Juvenile Court Clerk in Hamilton County was established as a separate County department on November 2, 1988.

PERFORMANCE ACCOMPLISHMENTS

1. Initiated a "Go Green Program" designed to maximize the use of and reduce the purchase of office supplies, and to participate in the Hamilton County Recycling Program. Examples of methods for reduction of supplies include: use of electronic submission of court orders to magistrates for review to reduce the use of paper and correction tape; use of email to scan and send documents to external community partners to reduce paper, envelopes, and postage usage and costs; consolidation of purchasing of office materials to maximize bulk orders and reduce duplication and waste; repurposing empty paper boxes for use in sending court files to the warehouse, resulting in savings by reducing the purchase of storage boxes; networking of all employees to larger printer/copier units in office, thereby eliminating the need for desktop printers and toner cartridges.
2. Developed and implemented policies and procedures for long-term storage and disposal of documents processed by the Court which ensured documents be maintained and preserved in accordance with state laws and office resources are maximized.
3. Continue to utilize video jail hearings eliminating the need to transport inmates from the Hamilton County Jail and Detention Center to the Juvenile Court. This significantly improved courthouse security shortened the length of hearings, and greatly reduced staffing and transportation costs for the Office of Hamilton County Sheriff and the Hamilton County Jail and Detention center.
4. Implemented the ability to import image/data from compact disc (CD) media sources into our JFACTS imaging system.
5. Continued the process of e-mailing correspondence to Court staff to eliminate paper copies. compliant. The Clerk's Office is now able to assist several clients at once in a manner that allows clients to discuss confidential proceedings with increased privacy.
6. The Office of the Juvenile Court Clerk, in collaboration with the State of Tennessee, installed a free-standing Touch Pay Kiosk outside the cashier's Office. This kiosk serves as a convenient alternative for clients to make child support payments or purge payments, especially when the State imposes restrictions on cash payments. The Touch Pay Kiosk accepts debit or credit cards, as well as cash, enabling clients to make their payments conveniently. Upon successful payment, they receive a receipt of payment, which can be presented as proof of payment to the Court.

PERFORMANCE ACCOMPLISHMENTS (continued)

7. In conjunction with the clerks of Hamilton County Criminal and Circuit court our court participated in the development of the GovApp, a custom mobile app that allows for enhanced communication between any parties utilizing the Hamilton County court system and court staff. It includes a multitude of features including push notifications FAQ's, office information, forms and search options for our courts. This is currently being rolled out from our office. Criminal Court Clerk Vince Dean led this initiative.
8. This office participated in the Hamilton County Economic and Community Development Office project hosting the Georgetown Judicial Innovation Fellowship review of the criminal justice data system in Hamilton County. The final report of the Fellow included a very complimentary review of our JFACTS data management system utilized in Juvenile Court. This project has been extended, and this office continues to be engaged in the review and enhancement of existing data systems here in Hamilton County criminal justice network.

PROGRAM COMMENTS

The Tennessee Supreme Court, in an opinion on July 29, 1988, declared the position of Juvenile Court Clerk to be an elected office. The Office of Juvenile Court Clerk in Hamilton County was established as a separate County department on November 2, 1988.

Criminal Court Clerk / General Sessions Court / Delinquent Collections

MISSION STATEMENT

The Hamilton County Criminal Court Clerk's Office strives to always promote the highest standard in the Hamilton County Judicial System as we provide prompt, courteous, and efficient service, equitably to all citizens of Hamilton County, judges, attorneys, law enforcement agencies and their officers, and all people having business within the Hamilton County Judicial System.

FUNCTION

The Criminal Court Clerk's office is divided into three major departments: Criminal Court, General Sessions Court, and Delinquent Collections. The Criminal Court Clerk maintains all the records for the three Criminal Courts and the five criminal divisions of General Sessions Court. The Criminal Court Clerk's office handles and prepares the records for all criminal offenses brought before the General Sessions Courts and Criminal Courts in Hamilton County from the initial arrest through the appeals process in the Appellate Courts and Supreme Courts. The Criminal Court Clerk is elected every four years. The General Sessions Court division is open continuously to accept paperwork and enter data for new arrests at any time of day or night. The Payment Center division of the Criminal Court Clerk handles all cases for which money is owed and has not been paid within six months of the judgment date. This division also develops records for those defendants who are dead and/or deported.

PERFORMANCE GOAL

1. The goal of the office is to respond to the needs of our judicial system and those individuals utilizing the courts with an innovative approach while remaining customer focused and providing cost-effective solutions to problems.

PERFORMANCE OBJECTIVES

1. Process new arrests and warrant service remotely by utilizing video and paper on demand services to streamline the booking process at the Hamilton County Jail. Implemented an electronic jail bonding system that eliminates the need for paper bonds; the process expedites the release of incarcerated individuals. Streamlining our Record Expungement process by electronically submitting Expungement documents to the TBI, and the requesting parties
2. Crosstrain our Deputy Clerks to learn multiple tasks, which will make them a more valuable asset to the Criminal Court Clerk's Office, as well as the citizens of Hamilton County
3. Reduce the number of receipts and paperwork printed in our Expungement and Payment Center Offices by emailing receipts, as well as Expunged Record documents. This will in turn reduce the amount of paper that would need to be purchased to complete the above-mentioned
4. Work to fine tune our Smart Phone Application that includes a defendant notification system. The notifications provide accurate reminders of upcoming court dates with the objective of reducing the number of arrests for Failing to Appear. The Hamilton County Judicial Services App will also provide additional court-related information to the citizens of Hamilton County, that includes Criminal, Criminal Sessions, Juvenile Courts, and Alternative Sentencing.

Insurance

FUNCTION

The insurance program is designed to provide the County comprehensive protection against claims of liability, which become the legal obligations of the County. This includes legal obligations as the result of comprehensive general liability, errors and omissions, law enforcement and automobile liability insurance claims. The program also protects against property damage from fire and other hazards and provides for boiler and machinery inspections.

PERFORMANCE GOALS

To protect the County's assets by minimizing its exposure to loss through an effective risk management program.

PROGRAM COMMENTS

Effective September 1, 1986, Hamilton County became self-insured for all comprehensive general liability, errors and omissions, law enforcement and auto liability exposures.

Employee Benefits

FUNCTION

This cost center is used to account for various expenses for employee benefits, including expenditures for medical insurance for retirees; the County's contribution to its OPEB (Other Post-Employment Benefits) Trust; and supplemental funding for Hamilton County's Employees' Pension Plan, Commissioners' Pension Plan, and the Teachers' Retirement Plan as needed. A majority of County employees participate in the Tennessee Consolidated Retirement System, the cost for which is allocated among the various departments. The County Pension Plans are administered by the County and have been closed to new participants since July 1976.

A majority of active employees of the County receive County health insurance benefits, the cost for which is allocated among the applicable departments.

External Audits

FUNCTION

The laws of the State of Tennessee require that an audit of County funds be performed on an annual basis. The cost of the audit, as well as the cost of publication of the Annual Comprehensive Financial Report (ACFR), is charged to this location. The purpose of the annual audit is to ensure compliance with applicable state and federal laws and to ensure that the audit is performed in accordance with both *Generally Accepted Auditing Standards* and *Government Auditing Standards*.

PERFORMANCE GOALS

To ensure proper stewardship is maintained over the County's assets and that all activities are reported in accordance with generally accepted accounting principles. The audit is planned to obtain reasonable assurance about whether the financial statements are free of material misstatement. In addition, management's estimates are evaluated along with the overall presentation of the financial statements.

PERFORMANCE OBJECTIVES

1. Maintain the AAA bond rating from our rating agencies
2. Presented bold recommendations to improve public education by modernizing school facilities across the district, resulting in the county commission approving the issuance of $260 million bond–the largest in county history–to fund these projects
3. Invested more than $3 million toward enhanced vocational education programs benefiting four area high schools
4. Collaborated with Hamilton County School superintendent to launch Hamilton County Schools' first "pipeline partnership" with Hamilton County Emergency Medical Service (HCEMS), providing students in Hixson High School's Health Science career and technical program with hands-on training to become a paramedic and an opportunity to earn a job with HCEMS upon graduation
5. Reaffirmed the county's commitment to entrepreneurship with upgrades to the state's largest publicly owned incubator, the Hamilton County Business Development Center
6. Partnered with the Hamilton County Office of the Sheriff and City of Chattanooga to strengthen public safety in downtown Chattanooga by expanding the law enforcement presence in the central business district to include HCSO deputies

PERFORMANCE ACCOMPLISHMENTS

1. Entered architecture and design contracts for the new world-class career and technical school in downtown Chattanooga, Franklin-Roberts Future Ready Center, as the county prepares for students to enter in the Fall of 2027.
2. Bolstered jail reentry to build electrical, welding, carpentry, and cosmetology programs.
3. Distributed more than $500,000 to community organizations deploying grassroots' efforts in combating the opioid epidemic and its destructive impact on local families.
4. Opened a new home for Hamilton County EMS with an on-site ambulance simulator to elevate medic training opportunities.
5. Created the county's first-ever County Roads Improvement Fund, representing the county's largest capital investment into road infrastructure with the allocation of $5.8 million from the county's general fund, which is expected to be leveraged into $8 million through grant matches.
6. Installed three driver feedback systems on one of the county's most dangerous roads in Ooltewah to alert drivers when they have exceeded the speed limit, signaling the county's commitment to enhance roadway safety.
7. Transformed the historic Harrison Elementary School into the county's first senior and community center and secured a $1.4 million grant from the state of Tennessee to further enhance the facility to support workforce development, healthy living, and access to technology.

Chief of Staff

MISSION STATEMENT

The Chief of Staff assists the Hamilton County Mayor by coordinating with and cultivating strong working relationships within county general government and overseeing operations which expand to all citizens of Hamilton County.

FUNCTION

By acting as a main point of contact for county administrators and directors, the Chief of Staff oversees various departments to ensure the efficiency and effectiveness of county government. The Chief of Staff supervises the mayor's personal staff, Economic and Community Development, Human Resources, the Center for Thriving Families, Equal Employment Opportunity, and Soil Conservation. This position also acts as a liaison to the Hamilton County Board of Commissioners.

PERFORMANCE GOALS

1. Work closely with departmental staff to ensure the successful operations of county government.
2. Communicate with the Hamilton County Board of Commissioners to continue successful working relationships with the mayor's staff.
3. Engage with external partners to ensure the well-being of the entire county.

PERFORMANCE ACCOMPLISHMENTS

1. Hamilton County currently maintains AAA Bond Ratings from three rating agencies: Moody's Investors Service, Fitch Ratings, and Standard and Poor's.
2. Hamilton County works in partnership with the City of Chattanooga in creating jobs through industrial and affordable residential PILOT programs. The residential PILOT program has allowed for the development of a tremendous amount of affordable housing in the downtown area. The County Commission has also approved PILOT programs for the expansion and construction of several industrial projects such as Amazon, Gestamp, Volkswagen, Coca Cola and Chattem. Additionally, there are several new companies and expansions committed to job growth and development in Hamilton County. The investment and job creation figures are those projected over the entire scope of the project which may take years to complete and should not be considered immediate, according to reports gathered from the Chattanooga Area Chamber of Commerce.
3. The Hamilton County Board of Commissioners has approved an Economic Impact Plan for the South Broad District that would include the construction of a new multi-use stadium and related facilities.
4. Hamilton County purchased the property located at 410 W. MLK Boulevard as a future technical school site. This Gateway has the potential to be an important symbol in downtown Chattanooga for students, parents, and potential employers. This site is instrumental to our commitment to public education and workforce development.
5. The Hamilton County Board Commissioners approved a program that has been designed and instituted to promote and incentivize job creation by helping reimburse expenditures for employers that make certain commitments to the Industrial Development Board related to job creation and average wages paid (the "Jobs and Investment Program").

PROGRAM COMMENTS

The County Commission's priorities are neighborhoods, environmental sustainability and preservation, the economy, public safety, fiscal and resource management and open responsive government.

PERFORMANCE ACCOMPLISMENTS

In the last year, ECD has continued to develop new staff and grow in terms of its grants and program capacity. In addition, ECD successfully secured or managed grants for opioid abatement strategies, recreation, health services, court-based programs, and corrections. ECD has expanded its partnership with the City and the Chamber on economic initiatives, released a new data report design called 'Hamilton Counted', continued to manage the Student Youth Employment Program to provide jobs to youths ages 14-24, and hosted an inaugural Youth Violence Summit, and co-hosted an opioid abatement research symposium. ECD continues to create new partnerships with County departments, local government agencies and jurisdictions, and nonprofit and community partners.

Mental Health Court

MISSION STATEMENT

The purpose of Hamilton County Mental Health Court (HCMHC) is to serve a diverse group of justice involved mental health consumers with a goal in decreasing recidivism and improving public safety for those living in Hamilton County, Tennessee.

Our vision is to work with consumers at multiple intercept points within the criminal justice system. We are dedicated to linking mental health consumers to diagnostic help, accountability, treatment, and necessary supports while in custody and upon reentry to our community.

FUNCTION

Mental Health Court offers an alternative to institutional incarceration for justice-involved mental health consumers and provides treatment and wraparound supports for individuals on probation or bond. The Court currently operates in both Criminal Court, under the direction of Judge Boyd Patterson, and in General Sessions Court, under the direction of Judge Lila Statom. Providing access to mental health treatment and monitoring of that treatment is a core function of Mental Health Court. Supervision can also include state supervised probation, electronic monitoring, drug screening, substance abuse treatment monitoring, intensive case management, employment checks, assistance with housing and disability and other necessary supports. The Court operates in collaboration with community mental health providers and other community partners.

PERFORMANCE GOALS

1. To connect criminal defendants who suffer from serious mental illness to treatment services in the community.
2. To assist court personnel, magistrates and law enforcement in finding appropriate dispositions to criminal charges, taking into consideration the facts of each case, prior criminal history and the rights of victims, by offering a judicially supervised program with case management focused on accountability and treatment monitoring.
3. To improve public safety and reduce recidivism and violence on re-arrest through judicially supervised treatment plans specific to individual mental health consumers.
4. To provide opportunities for justice-involved mental health consumers to receive services that improve their health, quality of life and enhances their ability to communicate with their family and become contributing members of Hamilton County.
5. To increase collaboration between the court system, magistrates, law enforcement, lawyers, agencies of Hamilton County, mental health providers and community resources.

(FY2022-FY2024, Mental Health Court was under General Services Division which was dissolved in FY2025. FY2025, Mental Health Court moved under Unassigned Division)

PERFORMANCE OBJECTIVES

1. Divert justice-involved mental health consumers from incarceration to community-based services while under the accountability of HCMHC
2. Receive referrals law enforcement, attorneys and the court system
3. Provide a supervision of justice-involved mental health consumers option for Hamilton County Courts
4. Enroll participants in community mental health treatment and make referrals to other community resources and/or treatment as necessary
5. Increase participants' resilience and insight into their mental health condition and increase their ability to identify and use community resources for concrete support in times of need

PERFORMANCE ACCOMPLISHMENTS

1. Named a Training Court by Tennessee Department of Mental Health and Substance Abuse Services. HCMHC is proud to support other counties in Tennessee as they start their mental health courts.
2. HCMHC was awarded funding from Tennessee Department of Mental Health and Substance Abuse Services to expand our current program.
3. HCMHC started using two evidence-based assessments in addition to the Tennessee Risk Needs Assessments to determine eligibility. This practice has now been replicated by other mental health courts across the state.
4. Partner with over thirty (30) agencies and non-profits in our community to deliver comprehensive support services to clients.

PERFORMANCE ACCOMPLISHMENTS (continued)

5. HCMHC streamlined application and entry services. By making the application process more efficient for attorneys we are able to bring defendants into our courts in an expeditious manner. This efficiency saves money by diverting appropriate mentally ill inmates from custody to community services. This diversion helps to relieve pressure on criminal justice institutions.
6. Expanded to include Hamilton County Veterans Treatment Court (VTC) this will allow the same high-quality services that have been provided by HCMHC staff to better support our veterans.

Water & Wastewater Treatment Authority (WWTA)

MISSION STATEMENT

To protect the environment and promote economic development by providing reliable and courteous sewer service within the WWTA service area.

FUNCTION

The WWTA was established in 1993 to provide for the operation and maintenance of the Hamilton County sanitary sewer system. The WWTA is responsible for the enforcement of local, State and Federal rules and regulations relating to the wastewater system in the unincorporated area of Hamilton County, as well as East Ridge, Signal Mountain, Red Bank, Lakesite, Ridgeside, Soddy Daisy, and Lookout Mountain, TN. The WWTA issues permits for gravity and low-pressure sewer connections for both residential and commercial properties; designs, reviews, and approves sanitary sewer systems, pump stations, and wastewater treatment facilities; inspects all new sewer lines during construction; inspects existing sewer lines for defects; and operates and maintains wastewater treatment facilities in Sale Creek and Signal Mountain.

PERFORMANCE GOALS

1. Continue to improve and repair the WWTA wastewater collection system.
2. Ensure compliance with the forthcoming Federal Consent Decree.
3. Create a visual representation of the Federal Consent Decree and modules on the WWTA's website for public education purposes.
4. Create a Public Document Repository (PDR) for WWTA's website so the public can submit comments.
5. Create a new work order system for WWTA's Resident Project Representation (RPR).
6. Prepare and submit all required State and Federal forms and reports in a timely manner.
7. Provide excellent customer service during and after normal work hours in a timely fashion.
8. Continue to strengthen staff's customer service skills.
9. Continue to improve the relationship with the City of Chattanooga.
10. Establish more rigorous safety policies and procedures.
11. Develop a more in-depth A/R analysis for sewer revenues.
12. Improve the PSLP Program by attracting more plumbers for contract work.
13. Improve easier processes for accepting payments for sewer permits and fees.
14. Develop a continuity of operations plan (COOP) for the WWTA office staff.
15. Establish preparedness and response procedures for future pandemics.
16. Update the WWTA's website with a virtual mapping system highlighting area projects and moratoriums.
17. Locate property for the expansion of the Signal Mountain Wastewater Treatment Plant.
18. Develop a comprehensive plan to address the inflow and infiltration (I&I) of storm water and wastewater overflows on Signal Mountain.
19. Ensure that all American Rescue Funds (ARF) criteria are met for the implementation of projects.

(Going forward, WWTA expenditures/reimbursements will be accounted for in balance sheet accounts.)

PERFORMANCE OBJECTIVES

1. Update the WWTA's website with Consent Decree Information, create a story map and notification modules
2. Create a Public Document Repository (PDR) for WWTA's website so the public can submit comments
3. Train RPR's on newly developed software ESRI and its work order system
4. Educate office and field staff about the Consent Decree in regards to the compliance requirements and schedule for deliverables
5. Track service order request and response times
6. Review existing permits and regulations and establish compliance schedules
7. Continue community outreach through meetings with various organizations
8. Ensure compliance with established completion schedules for all rehabilitation projects in all service areas
9. Provide in-house and local customer service training opportunities for staff
10. Implement wastewater capacity partnerships in the three key service areas of East Ridge/East Brainerd, Signal Mountain/Red Bank and Ooltewah
11. Improve the annual safety-training program by establishing guidelines for minimum training hours for each employee on an annual basis
12. Include data from all water providers in monthly A/R reports
13. Reach out to additional plumbing contractors for inclusion in the PSLP program
14. Create financial graphs from the monthly financial reports
15. Implement online options for online payments for sewer permits, construction fees and collection payments
16. Implement a continuity of operations plan (COOP) for WWTA office staff
17. Address customer calls and emails after regular business hours
18. Update the WWTA's website with a mapping system highlighting new projects and moratorium areas

PERFORMANCE OBJECTIVES (continued)

19. Purchase property at 1201 Suck Creek Road for the expansion of the Signal Mountain Wastewater Treatment Plant
20. Address inflow and infiltration (I&I) on Signal Mountain, install low pressure pumping systems in selected areas, install two pump stations and force mains to get gravity out of the creek and rehabilitate pipeline in priority areas

PERFORMANCE ACCOMPLISHMENTS

1. Created a consent decree story map page, notification modules and information on the WWTA's website.
2. Created a Public Document Repository (PDR) on the WWTA's website.
3. Staff completed training with the ESRI work order system.
4. Finalized and closed on the property purchase at 1201 Suck Creek Road for the expansion of the Signal Mountain Treatment Plant.
5. Developed a more detailed sewer capacity reservation procedure.
6. Continuously update the project tracking sheet highlighting project stages, funding sources and costs fiscal year start and end date.
7. Strengthened the relationship between the WWTA and the City of Chattanooga.
8. Created and implemented a COOP plan for the office staff by equipping them with the necessary equipment and permissions to work from home in the event of an emergency or national disaster.

Railroad Authority

FUNCTION

The Authority provides direct oversight of the jointly owned (with the City of Chattanooga) railroad network at Enterprise South Industrial Park. This twenty-mile network, with access to two major railroad carriers, is an important factor in attracting major manufacturers to the Park.

PERFORMANCE GOALS

To provide services in support of railroad transportation in Hamilton County.

(Note: In FY 2025, Railroad Authority moved under Public Works Division.)

PERFORMANCE OBJECTIVES

1. Distributes railroad rehabilitation funds from the Tennessee Department of Transportation to local short line railroads which provide important connections from shippers to the major railroads in Chattanooga
2. Assists industries, government agencies, and local citizens with grade crossing improvements, site selection, railroad siding additions or improvements, and real estate transactions

PROGRAM COMMENTS

The Railroad Authority was organized under the Railroad Authority Act of the State of Tennessee. Railroad Authority has a five-member board consisting of the County Mayor, City of Chattanooga Mayor, one member representing Board of County Commissioners, one member representing the Chattanooga City Council, and the President and CEO of Chattanooga Area Chamber of Commerce. The board has final decision-making authority for the entity.

Recovery Court

MISSION STATEMENT

To promote recovery from substance use in the lives of justice-involved participants, their families, and the community by providing effective treatment and comprehensive support.

FUNCTION

The Hamilton County Recovery Court is a program that provides a sentencing alternative of treatment and supervision to help individuals involved in the criminal justice system to achieve long-term recovery. Participants in the Recovery Court program are referred to inpatient or outpatient group and individual therapy, psychiatric services, and support groups to provide support for substance use and behavioral health needs. The program offers legal support and council, supervision, and structural support, including drug screening, treatment court sessions and access to council. Case managers help participants obtain stable living, employment, financial security and long-term recovery goals including education, and family and social support.

PERFORMANCE GOAL

To improve our program standards, staff competency and overall outcomes.

(FY2022-FY2024, Recovery Court was under General Services Division which was dissolved in FY2025. FY2025, Recovery Court moved under Unassigned Division.)

PERFORMANCE OBJECTIVES

1. Maintain program census of 85-90 participants and continue to increase diversity within the program
2. Continue to expand community partnerships
3. Expand programming to increase pro-social activities, expand treatment programming, incentives, and alumni programs and implement family services
4. Create an advisory board and increase marketing efforts, increase training and outreach efforts
5. Work with ECD department to write grant and explore funding sources

PROGRAM COMMENTS

In FY 2025, the Recovery Court reached a census of 92 and served a total of 130 participants throughout the year. The Felony Recovery Court maintained a success rate of 84%, graduated a total of 19 participants, and sustained a recidivism rate of 17%. The General Sessions Recovery Court maintained a success rate of 84%, graduated 11 participants, and sustained a recidivism rate of 10%. The Hamilton County Recovery Court spends $28.60 per day on each participant as opposed to a $80.00 per day incarceration rate.

Sheriff Mental Health Services

MISSION STATEMENT

The Office of the Sheriff and many partner organizations are working together to reduce the number of homeless individuals with mental illness who cycle repeatedly and unnecessarily through our jail and hospitals. By advancing a proven approach, we will show that, with housing and support, our most vulnerable community members can build healthy and stable lives at home while reducing costs for the community. As a result, we will bring relief to the lives of many individuals and families and meaningful change to the way services are delivered to those in need.

FUNCTION

The Office of the Sheriff's FUSE (Frequent Users System Engagement) Program was established to reduce the number of individuals with mental illness in the Hamilton County Jail (formerly Silverdale) as well as local hospitals. Frequent user initiatives, targeting the homeless mentally ill, conducted in other cities have resulted in significant reductions in the use of jails, hospitals, emergency services and other crisis services and have produced significant improvements in the health, well-being and stability of the individuals involved. FUSE has been awarded three Federal grants, to serve up to 150 individuals during the initial pilot period. Those enrolled in the program will receive permanent housing combined with treatment and support services to help them remain housed. FUSE intend to continue the work beyond the 150 individuals the grants will serve. This requires long-term strategic thinking and relationship building among community partners to build better systems of care better able to respond to the needs of those who are homeless and mentally ill. Otherwise, individuals faced with these challenges will continue to cycle between the healthcare and criminal justice system at considerable expense to the community.

PERFORMANCE GOALS

1. Help high utilizers build stable lives at home, thereby reducing costly and avoidable incarcerations, hospitalizations and use of crisis systems of care.
2. Increase the supply of permanent supportive housing in Hamilton County.
3. Strengthen the capacity of the behavioral health system in Hamilton County to provide effective community-based treatment and support for people with severe and persistent mental illness.
4. Enhance partnerships, collaboration and problem-solving among criminal justice, healthcare and homelessness organizations.
5. Capture and report program learnings and outcomes in order to support and encourage innovative practices and policies and practices that facilitate systems change.
6. Increase access to care and treatment for high needs individuals who are uninsured.
7. Promote public education and awareness regarding mental illness and homelessness.
8. Promote social equity.

(In FY2025, Sheriff Mental Health moved from Office of the Sheriff to Unassigned Division)

PERFORMANCE OBJECTIVES

1. Establish an Assertive Community Treatment team in Hamilton County to provide treatment, services, support and housing
2. Conduct the "year of planning" under the Department of Justice Pay for Success grant
3. Provide rental assistance and funds for housing related expenses (deposits, furnishings, household items, etc. to facilitate access to temporary and permanent housing
4. Create housing opportunities for high utilizers through landlord engagement
5. Encourage private development of affordable housing for individuals at 0% to 30% and other high needs populations
6. Develop cross-sector data sharing capability
7. Ensure access to the program for uninsured individuals
8. Develop an evaluation plan
9. Develop a structure to facilitate partner and stakeholder engagement

Transfers from the General Fund to other County funds are budgeted in this cost center. The majority of transfers are for:

ADA Compliance – To fund corrective measures identified in the ADA Transition Plan to bring the County into compliance over the next several years and will be an ongoing process and prioritization in future years.

Debt Service Appropriation – The majority of Debt Service reserves are held in the General Fund. Scheduled principal and interest payments on outstanding debt are transferred from the General Fund to the Debt Service Fund to pay the debt service obligations due.

Fleet Management – Funds allocated for leased County vehicles.

Chief Financial Officer

MISSION

To ensure the financial integrity and long-term viability of the organization through innovative financial management, strategic planning, and transparent reporting to the County Mayor, County Commission, County departments, and the general public.

FUNCTION

The Chief Financial Officer is responsible for accounting for and reporting of the government's financial transactions and account balances, preparing and presenting the County's annual budget; managing the County investment portfolio; and serving as the technical expert on bond issues. This office oversees the Finance Division, which is made up of the following departments: Accounting (accounting, accounts payable, payroll, ambulance billing); Financial Management (budget preparation/control); Procurement and Fleet Management (procurement and vendor relations); Technology Services (support services for all County departments); Geospatial Technology (support services of geospatial data to County departments, agencies, and public/private sector companies); Telecommunications (telecommunication services to all County offices and departments); and Records Management (microfilm and records storage services to all County offices and departments).

PERFORMANCE GOALS

1. To preserve the County's excellent bond rating and maintain a strong financial position.
2. To present and maintain a balanced budget while also maintaining sufficient financial reserves.
3. To ensure the protection of the County's investments and maximize investment earnings.
4. To retain the GFOA Certification of Excellence in Financial Reporting and the Distinguished Budget Presentation Award.

PERFORMANCE OBJECTIVES

1. Maintain the County's AAA bond rating from S & P Ratings, Moody's Investors Service and Fitch Ratings
2. Assess all available resources to meet operating budget requirements
3. Maintain compliance with the County's Investment Policy and take advantage of investment opportunities to maximize investment returns
4. Prepare and submit the Annual Comprehensive Financial Report (ACFR) and the Comprehensive Annual Budget Report (CABR) to GFOA

Goal #1

PERFORMANCE MEASURES	Actual 2023	Actual 2024	Projected 2025	Estimated 2026
Bond Rating - S & P Ratings	AAA	AAA	AAA	AAA
Bond Rating - Moody's Investors Service	Aaa	Aaa	Aaa	Aaa
Bond Rating - Fitch Ratings	AAA	AAA	AAA	AAA

Goal # 2

A workable, balanced budget of $1.096 billion was presented for fiscal year 2026, and a healthy General Fund balance continues to be maintained by practicing conservative financial management.

Goal # 3

To maximize investment earnings, the County has formed an internal investment pool which allows all idle cash to be invested daily. Daily cash needs are supplied from funds held with the State of Tennessee Local Government Investment Pool, First Horizon Bank and Pinnacle Financial Partners, while longer term cash reserves are held in government agency securities and certificates of deposit with an investment term of up to two years.

Goal # 4

We have received the Certificate of Achievement for Excellence in Financial Reporting for Hamilton County's ACFR since 1981. We have received the Distinguished Budget Presentation Award every year since 2003.

Accounting

MISSION

To provide accurate, timely, and comprehensive financial information and reporting to county decision-makers, citizens, ensuring compliance with accounting laws and safeguarding public resources.

FUNCTION

The department monitors revenue and expense budgets for all departments and agencies and assists as related to their accounting needs. The Accounting Department prepares the Annual Comprehensive Financial Report (ACFR) in accordance with generally accepted accounting principles while facilitating the annual audit. The department monitors and tracks fixed assets, produces periodic financial reports, grant reports and ad hoc reports to the County and various State and Federal agencies. In addition, the department provides billing and collection services for the Hamilton County Ambulance Service; administers the bi-weekly payroll service to approximately 2,000 County employees; pays all vendor invoices with intent to optimize cash; and posts cash and makes bank deposits.

PERFORMANCE GOALS

1. To retain the Government Finance Officers Association (GFOA) Certification of Excellence in Financial Reporting.
2. To increase collections of the ambulance service.
3. To prepare payroll in an accurate and timely manner.
4. To process accurate payment of vendor invoices within agreed upon terms with our vendors, utilizing all available discounts and avoiding all late fees and penalties.
5. To record and account for all monies received by the County daily.

PERFORMANCE OBJECTIVES

1. Complete the individual fund statements for the preparation and publication of the ACFR by December 31st of each year with submission to GFOA for grading
2. Submit all ambulance billing patient accounts over 120 days to the outside collection agency for final collection or legal proceedings
3. Enter, balance and confirm the necessary information for the bank draft of the bi-weekly payroll within five working days of receiving the time sheets from the departments
4. Maximize discounts and eliminate late fees while building a strong relationship with our vendors by making payments within terms of agreements
5. Cash receipts posted to the General Ledger within 24 hours of receiving notice of receipt and all monies deposited within three days of receipt of cash

PERFORMANCE ACCOMPLISHMENTS

1. Hamilton County has received GFOA Certificate of Achievement for Excellence in Financial Reporting every year since 1981. We have received it for our June 30, 2024 ACFR and anticipate receiving it for our June 30, 2025 ACFR.
2. Ambulance Billing has increased cash collected and continues to work with an outside collection agency for patient accounts exceeding 120 days outstanding.
3. Employees have received their bi-weekly pay without interruption.
4. There have not been any instances of paying late fees and Accounts Payable continues to work with other departments and agencies to have invoices submitted within the discount time frame.
5. Accounts Receivable works closely with the Hamilton County Trustee's Office to ensure correct and timely receipting of monies.

Financial Management

MISSION STATEMENT

To maintain Hamilton County's sound financial condition by establishing financial policies and procedures to govern operating practices; providing management with timely and accurate decision-making information in order to adequately advise the County Mayor and County Board of Commissioners on the availability and allocation of fiscal resources; and provide a sustainable, structurally balanced budget to aid the County in providing quality services to its citizens.

FUNCTION

The primary function of Financial Management is to provide financial and analytical consultant services; develop, implement, and monitor a financial plan, conduct budget training for departments, and produce information to assist the County Mayor's mission of good government under the guidance of the Finance Administrator and Assistant Finance Administrator in order to maintain the County's fiscal integrity and accountability, as well as to support effective decision-making. In addition, Financial Management prepares and publishes the Comprehensive Annual Budget Report (CABR).

PERFORMANCE GOALS

1. a) To review requirements for budget data entry and request information system updates as needed.
   b) To provide necessary technical assistance to departments.
   c) To analyze each department's budget in order to prepare reliable documentation for officials during the annual budget process.
   d) To ensure department goals and objectives align with long-term objectives.
2. a) To publish a Comprehensive Annual Budget Report in a timely manner.
   b) To receive the Government Finance Officers Association (GFOA) annual Budget Award.

Procurement & Fleet Management

MISSION

To administer and continuously improve upon a procurement process that facilitates the County's ability to consistently buy the best available commodities and services at the lowest possible prices while adhering to established policies and rules that are designed to provide an open and fair competitive process for all.

FUNCTION

The department identifies and selects suppliers, negotiates favorable contracts, and manages ongoing relationships to secure the best value for money. In addition, we manage the entire vehicle lifecycle, including purchasing and leasing new vehicles as well as coordinating the disposal of assets that have reached the end of their useful life.

PERFORMANCE GOALS

1. To support all Elected Officials' and County General Government's efforts to work efficiently and effectively by providing reliable and cost-effective methods for acquiring the goods and services needed to perform their duties.
2. To facilitate effective understanding of and compliance with Hamilton County's Procurement Rules and associated procurement processes.
3. To develop and implement a County-wide Fleet Management program over the next several years.
4. To promote and maintain appropriate levels of integrity in the County's procurement, surplus property, and fleet management activities.

1. Continue to utilize the internal customer satisfaction survey developed in FY16 and utilized FY19 and FY24
2. Conduct targeted training sessions during the fiscal year as necessary to properly train internal customers in the application of the county's procurement rules, and the associated procurement methodologies/processes, procurement card (P-Card) guidelines, and fuel card program guidelines
3. Ensure staff is trained in the latest purchasing technologies and protocols as instituted and distributed by NIGP (National Institute of Governmental Purchasing) as well as payment card protocols as instituted by NAPCP (National Association of Purchasing Card Professionals)
4. Continue to improve efforts in support of DBE (Disadvantaged Business Enterprise) and small business through outreach opportunities
5. Continue to develop and implement a County-wide comprehensive Fleet Management program and system to manage fleet activities

PERFORMANCE ACCOMPLISHMENTS

1. System enhancements for the Contract Management system module continue to be identified in order to enhance tracking and reporting capabilities for key program elements. Development and capability refinements is on an ongoing basis.
2. The Procurement & Fleet Management staff participate in NIGP educational opportunities as offered, typically on a monthly basis. Certification takes several years of independent study before taking the required certification exams.
3. P-card and The Fuel Card (Retail) Program continues throughout the County as new employees are given access to utilize these programs.
4. A fleet leasing program is designed to improve fuel efficiency of the fleet as well reduce repair and maintenance costs. As funding permits, the lease program should continue to replace older, costlier vehicles that poses a challenge to maintain. The plan continues with a proposed increase in the number of vehicles to be acquired.
5. System enhancements continue to be identified and implemented to improve the functionality and effectiveness of the system.

PROGRAM COMMENTS

Viewed from a broader functional perspective, Procurement & Fleet Management has an administrative support role that goes beyond the basic act of buying to include planning and policy activities covering a wide range of related and complimentary matters. Included in these latter areas are the research and development required for determining the proper sources of supplies, effective utilization of technologies, etc. For all Procurement & Fleet Management activities, consideration is given to applicable standards and specifications as well as ancillary issues in areas such as accounting and surplus properties. The Procurement & Fleet Management Director leads the Department's commitment to consistently buy the right quality in the right quantity, at the right time and place, and from the right source with delivery to the right destination and to actively guide the management and oversight of the County's fleet of vehicles.

Geospatial Technology

MISSION STATEMENT

The Department of Geospatial Technology serves as Hamilton County's hub for geographic analysis, geospatial application development, and access to a broad variety of county-centric datasets and geographic resources. As our objectives continue to expand and mature, we remain firm in our primary mission – to help Hamilton County make better decisions using the power of location technology.

FUNCTION

Agencies within Hamilton County government are reliant upon GeoTech to provide datasets and application development, software support, or spatial analysis on a daily basis. We are also the designated data arm of the Hamilton County 9-1-1 Unified Emergency Communications District, for whom we act as the agent to oversee addressing and road naming for all participating jurisdictions. As an extension of this duty, we review all major plats to predetermine the addressing assignments and street naming.

Our online mapping applications are utilized as the desktop GIS software not only within County government offices, but also in all other municipal offices and utility districts throughout Hamilton County, as well as educational institutions, engineering firms, surveyors, developmental firms, real estate brokers, mortgage brokers, insurance firms, and the general public.

Because we have acquired thousands of users and are embedded as the primary source of geographic data within Hamilton County, our overall function is made clear- we must collect and maintain an exhaustive store of geographic datasets and remain on the cutting edge with all the methods by which the information can be leveraged by our user base.

PERFORMANCE GOALS

1. Explore new advances in AI, web, and cloud technologies so we may expand our offerings to reach a larger user base and discover new ways to provide useful innovations that add value to our products and services.
2. Capitalize on available software, web, and scripting training to maximize our effectiveness with the latest in geospatial software advances.
3. Broaden our collaboration with other County agencies by identifying the ways that location technology can help them realize their goals.

PERFORMANCE ACCOMPLISHMENTS

1. Assisted the Health Department with analyses, studies of public health concerns, and the design of cartographic visualization for various projects and reports.
2. Launched a new web-based map request system that allows for online payment and is synched with our in-house financial application.
3. Supported Emergency Management in the Sequoyah Nuclear Plant full scale exercise.
4. Assisted in EOC by supplying GIS support during severe weather events.
5. Assisted Emergency Management by providing 70 new maps for the update of the Natural Hazard Mitigation Plan.
6. Evaluated development, type, and density of underserved areas to determine optimal placement for future volunteer fire department.
7. Provided reports to Emergency Management for volunteer fire departments to help acquire funding.
8. Updated police jurisdictions for the 9-1-1 Communications District.
9. Produced updated flood mapping utilizing FEMA information, focusing on high-risk areas in anticipation of inclement weather.
10. Created new disc golf course map and updated the Kiosk maps for Enterprise South Nature Park and visitor pamphlets.
11. Developed in-house interface to increase efficiency in data processing and distribution for 9-1-1 systems.
12. Mapped crosswalks of all Hamilton County public schools in an effort to increase pedestrian safety.
13. Developed river access map products to increase response planning and efficiency for Dallas Bay VFD.
14. Assisted HCGIS Partnership members by providing guidance in the creation and maintenance of their respective zoning datasets and associated map products.
15. Generated multiple maps regarding the distribution of various specialty health care providers and County clinics.

PROGRAM COMMENTS

We maintain a wide array of ever-changing spatial datasets. Whether we're adding addresses for emergency response or voter registration, tracking municipal and political boundary changes, or adding new streets for first responder routing, we must maintain a constant awareness of what is going on in Hamilton County. We are called upon to assist when there are floods, fires, tornadoes, and other disastrous situations because we can delineate impacted areas, identify potentialities, analyze rescue or evacuation route options, calculate damage assessments and disseminate information to personnel on the ground. Within the framework of County government, we collaborate with other offices toward the development of unique geospatial solutions. The general public also has the power to leverage the information we maintain by way of the data access solutions available through our website. Supplemental funding for our larger data acquisitions is accomplished by the HCGIS Partnership which is managed by us and consists of municipalities and utility districts throughout Hamilton County.

Telecommunications

MISSION

To anticipate, understand, and satisfy the telecommunications/information needs and wants of all county government employees.

FUNCTION

To provide telecommunication services to all County Government offices and departments. These services also include the design of communication infrastructure, audio visual equipment, WebEx, door access, and cameras.

PERFORMANCE GOALS

To provide telecommunication services to County Government in the most cost effective and efficient manner while maintaining a high quality and dependable system.

Building Inspection

MISSION STATEMENT

The mission of Hamilton County Building Inspection is to protect the life, safety, health, and welfare of the citizens within the unincorporated areas of Hamilton County by maintaining current adopted building codes in accordance with the Tennessee State Fire Marshall's Office and State law, and serving the needs of the citizens throughout all phases of construction in a prompt, accurate, courteous, and professional manner.

FUNCTION

Administration and enforcement of Hamilton County's building, plumbing, electrical, gas, mechanical and zoning codes for the unincorporated areas of Hamilton County for the following: new construction and existing structures, alterations, additions, repairs, and issuance of required permits. Building Inspection examines/reviews building plans and checks for overall compliance with building and zoning codes.

Building Inspection examines and certifies applicants for two classifications of plumbing licenses, six classifications of electrical licenses, two classifications of gas licenses, and two classifications of mechanical licenses. Building Inspection is also responsible for the issuance of electrical, plumbing, gas, mechanical, and sign permits.

Building Inspection is responsible for organizing/conducting public meetings and administration for the following Boards:

Board of Zoning Appeals
Board of Electrical Examiners
Hamilton County Beer Board
Construction Appeals and Adjustments Board

Hamilton County Building Inspection (Hamilton County Floodplain manager) enforces current adopted Hamilton County Flood regulations for all construction and land disturbance within the flood boundaries of the unincorporated areas of Hamilton County.

Hamilton County Building Inspection enforces current adopted Hamilton County Zoning Regulations for the unincorporated areas of Hamilton County.

Building Inspection provides a monthly building permit list to departments internally and externally for reporting purposes on a timely basis.

PERFORMANCE GOALS

Our goal is to serve the needs of the citizens in the most helpful, professional, and technically proficient manner. Building Inspection strives to provide greater convenience and efficient service by continuously pursuing improved methods of administration in regard to technology and programming in order to maximize sources available, including online website documents/permit applications available, fee payment (credit cards), and close monitoring and prompt response to frequent questions through the Building Inspection website.

The Real Property Office was instrumental in acquiring the McDonald Farm property (2,170 acres) located in Sale Creek and Rhea County as a future industrial development park, combined with recreational facilities.

Worked alongside Hamilton County Board of Education on the acquisition of the former Cigna property for a future school site, as well as recent acquisition of the former Blue Cross Blue Shield of Tennessee- Gateway Building.

Coordinated acquisition of a new Ambulance Station and Training Center for EMS.

Conveyed property to the University of Tennessee Chattanooga for the expansion and future development of a health science building.

Assisted with the acquisition of 216+ acres of property along Walden's Ridge to be used for bike and hiking trails and other recreational use. Coordinated with Pratt Home Builders on donation to the County for green space at the base of Walden's Ridge Park, giving full access with upper and lower parking areas and additional green space.

PROGRAM COMMENTS

As a member of the Economic Development Team, the Hamilton County Real Property Office will continue managing and assisting in the future development of available industrial park land, working with the Chattanooga Area Chamber of Commerce, City of Chattanooga and the State of Tennessee in identifying and qualifying prospective purchasers for the parks to promote investment and the greatest number of high paying, quality jobs for Hamilton County.

Real Property will continue to maintain accurate inventory files. It is the goal of the department to eventually have the responsibility to become the information hub of all property related transactions for the accuracy and accountability of all real estate matters, while focusing heavily on lease scheduling.

Development Services

MISSION STATEMENT

To provide prompt, seamless service and planning expertise to the development community and citizens of Hamilton County while protecting quality of life and the environment.

FUNCTION

Development Services provides the public facing function for all new development in Hamilton County. The department facilitates coordination among other departments in Hamilton County Government, elected officials, the Regional Planning Agency, other jurisdictions, State Government, Federal Government, and the general public. Coordination efforts include grant applications, future planning, zoning, platting, subdivision requests, and dissemination of vision from the Mayor's office and the Hamilton County Board of Commissioners. The department follows all applicable laws and regulations in maintaining environmental and infrastructure standards for the wellbeing of Hamilton County. Groundwater Protection complies with all TDEC standards to ensure environmentally sound disposal of septic waste where necessary and issues permits for new systems or changes to existing systems. The Road Inspection team inspects new roads for acceptance into the County owned road network. New roads are evaluated in accordance with Hamilton County road standards to ensure longevity and quality.

PERFORMANCE GOALS

1. Operate as the main Hamilton County point of contact for the development community.
2. Provide for the protection of the environment and wellbeing of the County by applying a well-defined inspection and review process to any new development.
3. Coordinate with multi-jurisdictional government institutions to bridge the gap for citizens.
4. Provide guidance for long term planning efforts in coordination with elected officials and the Regional Planning Agency.

PERFORMANCE ACCOMPLISHMENTS

Engineering Department continued to provide technical design support and construction administration to other departments within County Government. Work included field support to the Highway department on traffic signalization, traffic counts, drainage culvert data information, as well as Parks and Recreation Department on site improvement projects, paving, fencing, and athletic field construction. Specific technical assistance has been afforded to the Highway Department in the design and construction administration on culvert and bridge replacements at several locations. Hamilton County Engineering is assisted by the newly created Development Services Department to coordinate subdivision development review and site inspection assistance by that department

PROGRAM COMMENTS

The Engineering Department continues working with the GIS Department in the creation of a database on county roads, this will enable department staff and others to easily access documented data on county roads. Staff personnel have been realigned to effectively support the departmental requests received for technical assistance and support. Staff is supporting Development Services Department in subdivision inspections of roadways and sidewalk installations

Highway

MISSION STATEMENT

The Highway Department's mission is to manage and maintain the County's network of roads and bridges economically and efficiently while instilling confidence and reliability in the network to the traveling public.

FUNCTION

The Highway Department's primary function is to maintain 850+ miles of hot mixed paved, surface-treated roads and bridges to a safe level for the traveling public. The Highway Department performs many activities related to maintaining all rights-of-way owned by the County, including mowing, pothole patching, ditch cleaning, culvert repair and installation, paving, etc. The Highway Department is on 24-hour emergency calls for weather-related situations such as trees or debris in the roads, flooding, snow, etc.

PERFORMANCE GOALS

The Highway Department aims to perform the above functions as economically and efficiently as possible. The traveling public will have a safe and dependable roadway network for years by achieving these goals.

Preventive Line Maintenance I

MISSION STATEMENT

PLM I's mission is to maintain Hamilton County's fleet of vehicles to a level that promotes confidence and dependability throughout all county departments.

FUNCTION

Preventive Line Maintenance (PLM) I maintains all passenger vehicles, such as cars, pick-up trucks, vans, and police vehicles. PLM I is primarily responsible for fleet preventive maintenance and responding to emergencies or other vehicle maintenance needs. PLM I tracks costs and collects information, so management decision-makers have up-to-date information about their department's vehicles. This department provides fleet services, including repair and preventative maintenance. These services range from changing headlights to overhauling an engine or transmission.

PERFORMANCE GOALS

PLM I aims to perform the functions listed above promptly so that downtime is minimized and all vehicles can be operated safely for the vehicle's life.

By achieving these goals, the County's fleet of cars will last longer and be dependable throughout its service life.

PERFORMANCE OBJECTIVES

1. Provide at least 12 hours of mechanic training on different aspects of vehicle repairs each year
2. Maintain up-to-date diagnostic equipment to perform analysis on vehicles

PERFORMANCE ACCOMPLISHMENTS

By implementing the goals and objectives above, PLM I saw a reduction in return work and an overall increase in service time per county vehicle. The intent of these services and high demands is for all county departments to be able to reduce their vehicle operating budget for their vehicles.

Preventive Line Maintenance II

MISSION

PLM II's mission is to maintain Hamilton County's fleet of vehicles, heavy-duty trucks, and equipment to a level that promotes confidence and dependability throughout all county departments.

FUNCTION

PLM II performs routine service (vehicle fluids/tires) on passenger vehicles, heavy-duty trucks, and equipment. PLM II's primary responsibilities are tire installation, tire repairs, tire rotation, oil changes, and other routine service items. Tire service responses are in an emergency (roadside) and normal conditions; all tracked services are available to management decision-makers, so they have up-to-date information for their department's vehicles and equipment.

PERFORMANCE GOALS

PLM II aims to promptly perform the above functions to minimize downtime and maintain all vehicles and equipment at a level that will help prevent breakdowns and excessive downtime. By achieving these goals and objectives, vehicles and equipment will last longer and reduce the overall operating cost of vehicles and equipment.

(Note: In FY2025, Preventive Line Maintenance II merged with Preventive Line Maintenance I.)

PERFORMANCE OBJECTIVES

1. Provide continuing education through training on new techniques and products in this type of service
2. Maintain up-to-date equipment to aid in the service of vehicles and equipment

PERFORMANCE ACCOMPLISHMENTS

By implementing the goals and objectives of PLM II, the intent is to reduce rework and increase the overall service life of the County's vehicles and equipment. The purpose of this service is for all county departments to be able to reduce their vehicle and equipment fleet budgets.

Preventive Line Maintenance III

MISSION STATEMENT

PLM III's mission is to maintain Hamilton County's fleet of heavy-duty trucks and construction equipment to a level that promotes confidence and dependability throughout all county departments.

FUNCTION

PLM III performs maintenance and repairs primarily on the Highway Department's heavy equipment, dump trucks, tractors, and equipment in general, but these services are available to any county department. These repairs include rebuilding engines, transmissions, rear ends, brake overhauls, and general routine maintenance. PLM III also performs welding, body repair, and automotive/equipment painting. The service responses are:

- Emergency (roadside)
- Assisting in Highway Department compound maintenance

All services are tracked and are available to management decision-makers, so they have up-to-date information for their department's vehicles and equipment.

PERFORMANCE GOALS

PLM III aims to promptly perform the above functions to minimize downtime and ensure all trucks and equipment are safely operated for the vehicle's life. By achieving these goals, the County's fleet of vehicles and equipment will last longer and be dependable throughout its service life.

PERFORMANCE OBJECTIVES

1. Provide electrical, plumbing, carpentry and HVAC maintenance support
2. Maintain the daily operations of the Hamilton County inventory of buildings
3. Improve existing facilities through the implementation of preventative maintenance
4. Augment the county's ability to complete needed facility projects utilizing in-house staff capability through limited new construction

PERFORMANCE ACCOMPLISHMENTS

Facilities Maintenance continued to respond to departmental maintenance requests on over 125 facilities, with an average of 12 building maintenance repairs a day, completing 95 percent of work order requests within 48 hours from notification.

PROGRAM COMMENTS

Additional equipment improvements have been made by utilizing capital funds for the purchase of specialized equipment and trailers to ensure Facilities Maintenance can effectively provide support, this has included telescopic bucket trucks, dump trailers, and equipment trailers.

Property Management

MISSION STATEMENT

The Property Management Department's mission is to work efficiently and effectively with other departments, divisions and constitutional offices managing properties owned and maintained by Hamilton County Government.

PERFORMANCE GOALS

The Property Management Department's primary goal is to maximize the potential of property assets.

PERFORMANCE OBJECTIVES

1. Coordinate visits to all properties owned and maintained by Hamilton County Government at least quarterly to assess overall condition
2. To determine space allocation for departments, divisions, constitutional offices, etc.
3. To assist with requests related to property and building needs, modifications and/or relocation
4. To track and evaluate utilities associated with property and building functions
5. To act as a liaison between Hamilton County Government and the Hamilton County Department of Education on special construction or major school renovation projects

PERFORMANCE ACCOMPLISHMENTS

- Worked with Technology Services to create a repository for all Hamilton County properties combining database information from Risk Management, Real Property, Facilities Maintenance, Property Assessor and Hamilton County Department of Education for the most up to date listing of county owned properties and important property related information.
- Began a review of lease agreements between Hamilton County Government and our tenants to ensure terms were still valid. Established lease with USDA use of Hamilton County Agriculture Building space at Bonny Oaks Industrial Park. Established lease with Forgotten Child Fund use of Hamilton County Harrison Community Center space.
- Facilitated the relocation of the following departments (HR, Risk Management, Mental Health Court, OEM, EEO and Mailroom) to the Gateway Building to assess mechanical, environmental, safety and ADA compliancy needs at the Martin Luther King, Jr Building on Oak Street.
- Coordinated renovation work at the Hamilton County Sheriff's East Sector building (vacated Sept 2024) for use by the Hamilton County Drug Recovery Court program.
- Began review of utility usage and identified estimated savings of > $100K annually. Raised questions regarding the energy credits from the solar arrays at the Gateway Building that identified sections that were offline.
- Overseeing the Hamilton County Juvenile Court 3rd Street Campus project approximately $2.2M.
- Coordinated the acquisition and installation of a backup generator at the Hamilton County Homeless Health Care Center. Coordinated an energy efficiency upgrade for windows at the Hamilton County Birchwood Health Clinic. Assisting with the shutdown of the Hamilton County Sequoyah Health Center.
- Coordinating safety and security enhancements at the Hamilton County Courthouse, impacting (4) Circuit Court areas, Chancery Court and the Hamilton County Commission Meeting Room.

PROGRAM COMMENTS

Our team continues to fill-in property management related gaps with an emphasis on improved service to tenants, whether Hamilton County employees or individuals leasing County space. Our desire is to be more proactive in identifying and addressing County owned property needs, as we evaluate all buildings with emphasis on efficient use of space and utility savings.

Water Quality

MISSION STATEMENT

To comply with applicable Federal and State clean water laws and regulations by protecting water quality by preventing pollution, providing education on the importance of water quality to the environment and the public health, and promoting public involvement in the stewardship of the local water environment.

FUNCTION

The Hamilton County Water Quality Program operates within the parameters of National Pollutant Discharge Elimination System (NPDES) Permit No. TNS0775566 in order to discharge stormwater from a municipal separate storm sewer system (MS4) into waters of the State. The Phase II Storm Water program is mandated by the Environmental Protection Agency (EPA) as authorized under the Clean Water Act of 1977 and the Water Quality Act of 1987.

PERFORMANCE GOAL

1. To satisfy permit requirements and thereby improve water quality in Hamilton County through education and regulation.

PERFORMANCE OBJECTIVES

1. Conduct workshops, presentations and seminars; provide training for municipal/county employees regarding stormwater pollution prevention; provide educational materials to the general public, developers, and contractors
2. Provide opportunities for the public to become involved in stormwater issues
3. Map and maintain stormwater outfalls in the program area
4. Detect and eliminate illicit discharges impacting the MS4
5. Inspect municipal/county facilities for stormwater-related good housekeeping compliance
6. Issue permits for construction/development activities and inspect construction activities and permanent runoff control practices for compliance with Program Rules and Regulations
7. Perform water quality complaint investigations for the county area including the eight municipalities

PROGRAM COMMENTS

The Program is regularly reviewed for compliance by the Tennessee Department of Environment and Conservation Division of Water Resources staff members at the Chattanooga Field Office. The most recent annual review is posted on the Program's website, www.hamiltontn.gov/waterquality.

Each year, the Program is also required to submit an annual report to the Division of Water Resources of its activities and work from the prior reporting period. Annual reports are also available on the Program's website.

The Program completed the EPA Water Quality Scorecard for each of the participating jurisdictions to identify areas that could prove to be hurdles to updating future regulations to include green infrastructure.

The Hamilton County Water Quality Program is a multi-jurisdictional program which includes the cities of Collegedale, East Ridge, Lakesite, Red Bank, Ridgeside and Soddy Daisy, the towns of Lookout Mountain and Walden, and the urbanized (density equal to or greater than 1,000 people per square mile) portion of unincorporated Hamilton County. Funding for this program is generated by an annual water quality user fee for properties within the Program boundary.

(*FY2022-FY2024, McDonald Farm Park was under the General Services Division which dissolved in FY2025. In FY2025, McDonald Farm Park moved under Public Works Division.)*

PROGRAM COMMENTS

McDonald Farm Park was acquired as part of the greater purchase of farmland formerly owned by the Roy McDonald family. It is a tract of more than 2,170 acres in northern Hamilton and southern Rhea counties.

Portions of this acreage hold significant historical and sentimental value to the community, and after lengthy discussions with the residents of Sale Creek and the surrounding area, the decision to preserve the existing farmstead was made. Currently, Parks and Recreation employees maintain the integrity of the historic homestead, farm buildings, and adjacent fields and greens spaces to the farm.

Uses for McDonald Farm Park include:

- Annual host site of the Hamilton County Fair and other events
- Educational opportunities for school age children regarding farm and agriculture
- Access to the Cumberland Trail and/or Rails-to-Trails pathways
- Hiking, biking, horse trails, picnic sites, and other passive use greenspace
- Event space for sporting events such as cross country meets, fun runs, etc.

Soil Conservation

FUNCTION

The Hamilton County Soil Conservation District works with individuals, industry, and units of city, county, state, and federal governments in carrying out a program of natural resources conservation. The program includes: assistance in community planning; making orderly changes in land use; multiple use of resources; soil and water management on agricultural and non-agricultural land; watershed and river basin planning; reclamation of disturbed areas; wildlife and recreational improvement; and conservation information and education.

PERFORMANCE GOALS

1. Utilize federal, state, county and other funds and technical assistance in developing and applying an effective soil and water conservation program in Hamilton County.
2. Accept and carry out our responsibilities in the field of soil and water conservation, including reviewing and updating conservation plans, installing best management practices as outlined in the USDA-Natural Resources Conservation Service Field Office Technical Guides, and in accordance with current Farm Bill legislation.
3. Accept and carry out our responsibilities under various policies, laws, and programs such as Conservation Programs, Emergency Watershed Program, PL-566 Watershed Projects, State Watershed Projects, and the Southeast TN Resource Conservation and Development Council.
4. Work with land-use planners and the Hamilton County/Chattanooga Planning Commission to properly use soil information for urban and rural development, erosion control, and wetland identification.
5. Promote the wise use and conservation of natural resources within Hamilton County by developing and carrying out a comprehensive Conservation Information and Education Program that reaches all age groups.

PROGRAM COMMENTS

The Hamilton County Soil Conservation District (SCD) is governed by a Board of Supervisors. These supervisors are landowners in Hamilton County. Three members are elected by other landowners and two are appointed by the State Soil Conservation Committee. The Hamilton County Commission provides funds to the District for operation expenses and technical and clerical assistance. The U.S. Department of Agriculture-Natural Resources Conservation Service provides additional technical assistance, operating expenses and equipment to the District. Since 1955, when the Hamilton County SCD was formed, the District has been in the forefront of the work to protect and promote the wise use of our natural resources.

Accounts and Budgets

MISSION STATEMENT

The mission of the Accounts and Budgets Department of the Health Services Division of Hamilton County is to accurately report the financial position of the Hamilton County Health Department, and to effectively manage County, State, and Federal funds in compliance with County, State and Federal regulations and GAAP standards. Within the scope of this mission is the responsibility to assist upper management of the Health Services Division with departmental budget preparation, processing accounts payables, supply inventory management, and revenue management.

FUNCTION

There are three main functions of Accounts and Budgets. First, to create and maintain a complete set of financial and accounting records for Health Services. Second, to prepare and monitor all State, County, and Federally funded budgets. Third, produce all work in conformance with governing rules and regulations.

PERFORMANCE GOALS

1. To produce timely financial statements for management.
2. To prepare State/Federal invoices for appropriate reimbursable expenses.
3. To assist Program Managers/Directors with preparing and managing departmental budgets.
4. To assure Generally Accepted Accounting Principles (GAAP) are utilized.

PERFORMANCE OBJECTIVES

1. Financial statements are produced by the fourth week of each month, and financial statements to the Homeless Health Care Center Board are completed prior to the HHCC Board meeting each month

PERFORMANCE OBJECTIVES (continued)

2. Service programs supported with local, state, and/or federal grants are invoiced in a timely manner
3. To meet with Program Managers/Directors as often as needed in managing departmental and grant budgets

PERFORMANCE ACCOMPLISHMENTS

All state grants are invoiced monthly and quarterly reports completed as required. Federal funds are also drawn down in a timely and appropriate manner and the required reporting completed. The Accounting Manager, Sr Accountant, and Accountant meet regularly Program Managers/Directors of the Hamilton County Health Department in the management of County, State, and Federal budgets to ensure compliance with County, State, and Federal policies.

PROGRAM COMMENTS

The Accounts and Budgets Department continues to provide accurate and timely financial reports to management and outside agencies, when required, in a positive and professional manner. Also, the department has been able to work with other Health Services department managers, as well as internal and external auditors, to review financial related record keeping practices to ensure compliance with County, State, and Federal regulations and policies as well as GAAP standards.

Linguistic Health Services

MISSION STATEMENT

The mission of the Linguistic Health Services is to provide Hamilton County Health Department and its satellite clinics with language assistance services for clients with Limited English Proficiency (LEP) through accurate interpretation and translation services in person, by phone, or in writing, through medical interpreters, translators, and bilingual staff.

FUNCTION

The main functions of Linguistic Health Services are the following:

1. Thoroughly assist our LEP (Limited English Proficiency) clients through work with interpretation, translation, language cards, or bilingual translation literature.
2. Provide interpretation services in Spanish for clients through medical interpreting staff and through a telephonic interpreting service (Language Line Solutions) if Spanish medical interpreters are not available.
3. Provide translation services in Spanish for all vital information and any communications to the community created by the Health Department through the translation team of the Linguistic Health Services in a timely manner. By doing this we will save on expenses for the county.
4. Provide interpretation services in all other languages through a telephonic interpreting service (Language Line Solutions).
5. Provide training to all new employees regarding Title VI, LEP Services, and Cultural Competency.
6. Ensure that Title VI Civil Rights Act is adhered, by not discriminating in any way against Race, Color, or National Origin, and this includes our LEP clients.
7. Ensure that CLAS Standards (Culturally and Linguistically Appropriate Services in Health Care) are adhered in order to comply and to provide excellent quality of services to all individuals that are respectful of and responsive to the health beliefs, practices, and needs of diverse clients.

PERFORMANCE GOALS

1. Hire a full-time Lead Medical Interpreter to assist the Cultural and Linguistics Coordinator in the management of the Linguistic Health Services department.
2. To maintain sufficient part-time staff to meet the demands of our staff and clients.
3. Continue with translation of documents to help with expense to the Administrative Services Director.

PERFORMANCE OBJECTIVES

1. To continue providing accurate interpretation services for all of our LEP clients in all the programs of the Health Department during all hours of operation
2. To continue providing accurate and professional translation services for all the programs of the Health Department of vital documents originated by the Health Department staff, in order to save with translate expenses
3. To continue to provide quality of services to all of our clients, including our LEP clients with respect of their culture, and beliefs

PERFORMANCE ACCOMPLISHMENTS

1. One of the two full-time Medical Interpreter positions was transitioned to a full-time Lead Medical Interpreter position.
2. Job descriptions were modified to ensure that all Medical Interpreter positions will be qualified interpreters as well as translators.
3. The Linguistic Health Services department consistently meet the needs of our clients by providing quality services and producing accurate documents in a timely manner.

PROGRAM COMMENTS

The Linguistic Health Services department is committed to serve our clients, and our providers with excellent customer service and professional LEP services at all times in order to reduce health disparities and achieve positive public health outcomes for our diverse populations in Hamilton County.

Community Services

FUNCTION

The Community Services Department provides direct social service assistance to residents and families in Hamilton County who are at high risk of homelessness. Community Services works with multiple funding sources to provide temporary financial assistance to individuals/families that qualify in an effort to prevent loss of housing (i.e., homelessness).

The Community Assistance Services program provides temporary assistance to low- i n c o m e Hamilton County residents who are experiencing an emergency financial crisis (deemed unforeseen, uncontrollable, and verifiable and temporary) in an effort to prevent homelessness. Limited, need-based assistance is provided through rent/mortgage, utility bills, food vouchers, prescription medications, and other services as applicable. The program also assists with coordination of community-wide social services to respond in times of nationally declared disasters and participates in comprehensive community initiatives. Financial assistance services are provided through County funding and multiple grant awards. Funding sources may include but are not limited to: Project Water Help, Power Share, the Emergency Food and Shelter Program (EFSP) Federal grant, United Way Community Foundation, and the Emergency Assistance Program (EAP) through Hamilton County funds.

PERFORMANCE GOALS

1. To provide emergency financial assistance and social services referrals/information in a professional, timely, and courteous manner to prevent homelessness and/or disruption of vital basic living necessities.
2. To monitor and provide accountability for County and grant funds that support the programs.
3. To enroll, coordinate and disseminate information regarding the Affordable Care Act.
4. To act as a lead communications point for community social service agencies and activities during disasters as specified by Emergency Management.
5. To represent Hamilton County in local social service community events and initiatives.

Other	0	0	0	1

Note: The statistics above are for direct services provided exclusively by the Community Services Program. Affordable Care Act enrollment services or Pack 'n Play distributions are not included.

** Section 8 Deposits section was added this year

PERFORMANCE ACCOMPLISHMENTS

1. Completed EFSP Federal Grant, Phase and 41 and required reports during FY23. The EFSP Phase 42 application will be submitted once dates are set allocations meeting date and time set.
2. Continuing to partner with the Chattanooga Housing Authority, Homeless Health Care Clinic, United Way, the City of Chattanooga, and other local agencies to assist families and individuals to prevent homelessness.
3. Given the overwhelming need for rental/mortgage assistance in the county funds were redirected from Utility assistance to rental funds throughout the year. The majority of rental funds for the year were used for Section 8 housing deposits. We have seen a marked increase in the need for Food Vouchers, Section 8 Deposits, and Rental Assistance. We anticipate a marked increase in these needs in the future year. Section 8 Deposit category added to the above chart to delineate between rent/mortgage assistance and section 8 categories.

Parents As Teachers - TANF

MISSION STATEMENT

Parents as Teachers (PAT) supports Hamilton County families in making positive health and life choices for themselves and their children. Parents as Teachers is an early childhood home visiting program for families in Hamilton County who are prenatal or have children through age 5 years. Enrollment criteria is for low-income families and those who meet one of the following priority high-risk criteria: under age 21 pregnant females, parents or children with low student achievement, history of/current child welfare services, use of tobacco products, history of/current substance abuse, developmental delays or disabilities and individuals who are/have served in the Armed Forces.

FUNCTION

Parents receive regular home visits which focus on supporting families in parenting skills training, prenatal health information, child health and development information and information regarding community resources that can help families develop resiliency. Children's health and development are monitored, and parents are given referrals for any necessary in-depth services if out-of-range health or behavior concerns are noted. Families are referred to PAT by agencies, organizations or self-referral.

PERFORMANCE GOALS

1. To increase parent knowledge of early childhood health and development and improve parenting practices.
2. To provide early detection of developmental delays and health issues.
3. To prevent child abuse and neglect.
4. To increase children's school readiness and school success.
5. To serve low-income families and improve family economic well-being
6. Strengthen community capacity and connectedness
7. Improve coordination of services for at-risk communities.

Fetal Infant Mortality Review

FUNCTION

The Fetal Infant Mortality Review Program's mission is to provide a framework through which programs designed for better birth outcomes can function at full capacity. The program focus is to raise awareness and improve knowledge surrounding birth outcomes in Hamilton County. The initiative works to positively affect the lives of our women in a way that enables healthy women, healthy pregnancies, healthy babies and healthy communities.

Fetal Infant Mortality Review (FIMR) is a national best practice program that provides a community-based, action-oriented, systematic way for diverse community members to examine and address social, economic, health, environmental, and safety factors associated with fetal and infant deaths. FIMR collects and abstracts data from vital, medical, and social service records as well as extensive home interviews with the parent(s), to record the mother's and family's experiences with the support services available to them; and the care received during the prenatal, obstetric and postnatal period. Case information is identified and summarized for review by the FIMR Case Review Team (CRT). The CRT's role is to identify health system and community factors based on the after findings from the case summaries, that may contribute to infant deaths and to make recommendations for community change. The Community Action Team (CAT) plans and participates in implementing interventions designed to address the identified problem. The initiative works to positively affect individuals and families in a way that promotes healthy women, healthy pregnancies, healthy babies, and healthy communities.

PERFORMANCE GOALS

1. To raise awareness concerning Hamilton County's poor infant mortality ranking and statistics with special attention to community groups with disproportionately high rates such as the African American population in Hamilton County.
2. To create a more fluid process through which health care providers weave preconception care into all care contacts.
3. To plan, implement, and evaluate programs designed and proven to improve birth outcomes in Hamilton County through our working group, the IRIS Community Action Team.
4. To mobilize the community around factors affecting poor birth outcomes while creating community partnerships that will coordinate, collaborate, implement, and evaluate evidence-based practices that will improve birth outcomes in Hamilton County.
5. To facilitate the Community Action Team and Case Review Team (CRT)
6. To work with Hamilton County Health Department clinics and departments, as well as other regional OB-GYNs and clinics, to increase their capacity to provide preconception health education to at-risk patients.
7. To connect with a variety of diverse area agencies in order to accomplish our mission.
8. To promote the early start of prenatal vitamins through education as well as direct distribution throughout all agency clinics serving pregnant women.

PERFORMANCE GOALS (continued)

9. To collaborate with Community Partners to raise awareness concerning Hamilton County's poor infant mortality ranking and statistics.
10. To plan, implement and evaluate programs designed and proven to improve birth outcomes in Hamilton County through the CRT and the CAT.
11. To work with the community partners to mobilize the community around factors affecting poor birth outcomes while creating community partnerships that will coordinate, collaborate, implement and evaluate evidence-based practices that will improve birth outcomes in Hamilton County.
12. Annual Review goals:
    - Complete record review of 100% of all reported fetal/infant deaths within cohort.
    - Conduct maternal interview on 50% of all reported infant deaths

Health Grant Tennessee Breast and Cervical Cancer Early Detection Program

MISSION

To prevent unnecessary disease, disability, and premature death due to cancer of the breast and/or cervix. The primary key to reducing illness and death from these cancers is early detection (e.g., mammograms and cervical cancer screenings) and timely follow-up and treatment. Routine screening can detect many cancers at an early stage when more treatment options are available, and the likelihood of survival is improved. In addition, TBCSP strives to address the preventable risk factors that contribute to an increased risk of developing these diseases. This is done through the promotion of the Human Papillomavirus (HPV) vaccination for cervical cancer prevention and increasing community awareness and access to resources to improve the health and well-being of Hamilton County women. In addition, TBCSP strives to improve health equity by increasing access to needed services including wellness exams, screenings, follow-ups, and referrals by providing Client/ Patient navigation services that help clients overcome barriers and improve health literacy.

FUNCTION

The purpose of TBCSP is to provide early detection, screening, and referral services for breast and cervical cancers. Recipients may be individuals in need of navigation through the continuum of care for health services through Health Department offered programs including but not limited to Tennessee Breast and Cervical Screening Program, Family Planning, and but not limited to Tennessee Breast and Cervical Screening Program, Family Planning, and TennCare Presumptive Eligibility. Priority should be given to recipients that are uninsured or underinsured, are low-income, are facing significant barriers to care, and who may not receive services without navigation. Clinical breast exams, mammography, pelvic exams, and Cervical Screenings are offered to women who meet income/ age guidelines and eligibility criteria. Referrals are made for approved diagnostic services and follow-up care. Each patient is tracked through a data base system to assure they receive necessary services and return for annual rescreens. As part of the national program, data is submitted semiannually to CDC to document our success in reaching and serving these women. Program emphasis is to ensure access to breast and cervical cancer screening services for all people meeting eligibility guidelines.

PERFORMANCE GOALS

1. Provide community education on preventive screening. Measurable by reviewing outreach-training records.
2. Increase breast and cervical cancer screenings by assessing client barriers, helping resolve patient barriers and decreasing missed opportunities for screening within the clinic setting measurable by number of navigation codes entered into state system.

PERFORMANCE GOALS (continued)

3. Provide case management for women with abnormal screen results to make certain that timely access to diagnostic services and timely treatment is received. Measurable by data collection and chart audits.
4. Ensure that women with normal screens are notified annually to return for exams. Measurable by data collection and computer queries.
5. Provide in-service training related to breast and cervical cancer to all providers. Measurable by reviewing in-service/training records.
6. Develop, maintain, and expand a provider network with other area health care providers. Measurable through review of protocols at assigned intervals and review of products and services.
7. Assist all program providers with TBCCEDP related questions and/or problems. Measurable by daily observation and feedback from supervisors and providers.
8. Ensure that accurate and complete data is sent to the State TBCCEDP office. Measurable by computer queries, and chart audits.
9. Refer clients to appropriate Health Department Programs as necessary. Measurable by chart audits.

PERFORMANCE OBJECTIVES

Emphasis in this program has shifted from direct service to outreach

1. Notify all current enrollees with normal screens to return for annual exams
2. Provide evidence-based outreach activities with a special focus on target and disproportionately burdened populations. Increase awareness in priority populations of the need and availability of TBCSP services and motivate women to seek these services
3. Participate in regional coalitions to coordinate breast and cervical cancer awareness, screening, and referral activities for women. Expand resources, coordinate activities, and promote comprehensive service delivery

PERFORMANCE OBJECTIVES (continued)

4. Provide education and training as needed to area screening/referral providers
5. Facilitate enrollment for full Medicaid benefits (TennCare) for those who are under age 65 years, with no insurance coverage, and who are identified through the TBCSP as needing treatment for breast or cervical cancer

PERFORMANCE MEASURES	Actual 2023	Actual 2024	Projected 2025	Estimated 2026
Total Annual Program Visits	135	132	194	213
Cases Presumpted to TennCare	28	32	36	40

PERFORMANCE ACCOMPLISHMENTS

1. Our Electronic Health Record, eCW, is utilized for tracking women with normal screens in order to notify them their annual exam is due.
2. A minimum of five outreach education offerings to intended priority audiences done annually. FY2025 has had 44 successful outreach events as of 2/19/2025.
3. This program is supportive of the Susan G. Komen Foundation through interaction with the local affiliates of Susan G. Komen for the Cure Chattanooga Chapter. Their logo is used on activities promoting awareness of TBCSP activities. TBCSP is supportive of the annual Susan Komen Walk in Chattanooga and the American Cancer Society in their Stride against Breast Cancer awareness activity. The TBCSP has partnered with TC2 and is supportive in their mission to ease the burden of cancer in Tennessee. Other community interaction and networking includes many area resources connected through several monthly collaboration meetings. All other community resources serve similar TBCSP intended clients.
4. Continue educational in-service/internal audit review with all Health Department program sites and all other Hamilton County vendors.
5. Completing chart audits at each enrolling site and providing feedback with findings.
6. Providing navigation services to clients both in the health department and through other Hamilton County vendors. Bus passes and gas cards purchased using state provided navigation funds to help patients overcome transportation barriers to their breast and cervical related appointments.
7. Ensuring at-risk clients continue to receive needed breast and cervical screenings following programmatic changes. FY2025 has seen an increase in annual program visits due to these changes, but this is expected to level off by FY2026.

Examples of such training include Emergency Preparedness, Be Smart Firearm Safety, CPR, ACE's, Implicit Bias, HIPAA, Active violence training, Situational Awareness and De-escalation training, Safety in Home visitation, and annual Child Abuse Reporting training. In addition, program specific trainings are conducted by the TN Dept of Health and local trainers including a collaboration with the Chattanooga Family Justice Center as well as the Ochs Center. All CMS staff have met the requirements of their respective programs, including certificates and CEU's where applicable.

Medical Case Management HIV/AIDS

FUNCTION

The Human Immunodeficiency Virus (HIV)/Acquired Immunodeficiency Syndrome (AIDS) Ryan White Part B Medical Case Management program supports and assists persons diagnosed with HIV/AIDS in Hamilton County and the greater Southeast TN region in enrolling into Tennessee Ryan White Part B (RWPB) programs and services.

The Tennessee Department of Health Ryan White Part B (RWPB) program provides funding for HIV/AIDS Medical Case Management. Medical Case Managers (MCM) work within established Ryan White Part B eligibility guidelines and procedures when assessing and enrolling clients into the Ryan White Part B Medical Case Management program and services. Medical Case Management is the provision of a range of client-centered activities focused on improving health outcomes in support of the HIV continuum. Activities may be prescribed by an interdisciplinary team which includes other specialty care providers. Medical Case Management includes all types of case management encounters (e.g., face-to-face, phone contact, and any other forms of communication). The three core RWPB programs are Medical Services, HIV Drug Assistance Program (HDAP), and the Insurance Assistance Program (IAP). Additional RWPB support services include assistance with healthcare and behavioral health services, food, nutrition, housing, transportation, and vision and dental care.

PERFORMANCE GOALS

1. To work with local agencies and medical providers to facilitate referral processes and service delivery for eligible HIV-positive patients in need of HIV care and to maximize care and treatment within the existing system of the Medical Services Programs, HIV Drug Assistance Program (HDAP), and Insurance Assistance Program (IAP).
2. To support the Southeast Regional Consortia and the consortia efforts to educate and improve services for HIV-affected County residents.
3. To attend appropriate educational conferences/programs to increase staff/program knowledge base and to improve quality of service.
4. To educate clients regarding the Affordable Care Act (ACA) and to assist with individual client enrollment as appropriate in the Affordable Care Act (ACA) program.
5. To meet all program requirements as set forth in contract scope of services.

NOTE: Grant funding and data follow April 1 through March 31 fiscal year

PERFORMANCE ACCOMPLISHMENTS

1. MC HCHD Ryan White Part B Medical Case Managers collaborated with local community partners and medical providers to facilitate referral processes and service delivery.
2. HCHD Ryan White Part B Medical Case Managers participated in quarterly Southeast Regional Consortia meetings to support consortia efforts and to improve services for HIV-affected residents within Hamilton County and the SE Region at large.
3. HCHD Ryan White Part B Medical Case Managers attended the annual in person statewide conference offered by the TN Department of Health to increase knowledge base and improve quality of service in August 2024 as well as April 2025.

PERFORMANCE ACCOMPLISHMENTS (continued)

4. The results of the 2024 HCHD Ryan White Part B annual customer service satisfaction surveys showed 100% satisfaction including positive feedback notes from clients. (43% of enrolled clients participated in the survey).
5. HCHD Ryan White Part B Medical Case Managers participated in local professional development and various trainings to expand knowledge of community resources.
6. Medical Case Managers were recognized and commended by the Tennessee Department of Health (TDH) for having the highest client use of Dental Program funding in the SE Region.
7. The Ryan White Part B HCHD team was able to establish non-insured clients into 2025 Marketplace insurance plans during the open enrollment period which began on November 1, 2024, and ended on January 15, 2025. This required intense follow-up with clients during a very busy time period – October thru December – in which the team had an abundance of client recertifications. The MCM team managed to enroll 95% of clients onto 2025 Marketplace insurance plans.
8. In August 2024, Medical Case Managers met with a leading Medicare agency here in Chattanooga, Medicare Misty, and were informed of some of the new changes to come in Medicare for 2025.
9. In September 2024, and as a proactive endeavor by the HCHD Medical Case Manager team, the program mailed letters to Medicare recipient clients informing of the Medicare changes for 2025. As each client inquired, they were provided with the upmost effort in educating them on the elimination of the "donut hole"/Medicare gap, which is one of the major changes in the Medicare Advantage plans. Medical Case Managers directed clients to Medicare Misty for consultation should they want a better plan to meet their needs.
10. HCHD Ryan White Part B Medical Case Management completed the task of streamlining record keeping by the placement of records on the HCHD electronic record system, e-CW.
11. HCHD Ryan White Part B medical case management customer service was streamlined to be more efficient by providing an option of electronic signature through DocuSign per the guidance of the TN Department of Health and policy procedures.
12. HCHD Medical Case Managers received 2+ hours of supervision a month as required by the revised Ryan White Part B Standards of Care.

Ryan White funds must be the payer of last resort for the three programs

3. Maintenance of the Health Information Management Manual
4. Hiring a Health Information Manager

PERFORMANCE ACCOMPLISHMENTS

1. Birth and death certificates are provided within a reasonable timeframe.
2. Mail and online orders for birth and death certificates are fulfilled within two business days in most circumstances.
3. The Health Information Medical Records Manual was successfully updated as required.
4. Health information management practices are formally evaluated annually and informally assessed on an ongoing basis as charts are reviewed.
5. Health Information Manager was hired.

PROGRAM COMMENTS

Both the Health Information Management and Vital Records departments are successful in meeting the needs of the customers of the Hamilton County Health Department. The staff are very professional and exhibit friendly customer service on a daily basis in providing medical records as well as birth and death certificates records to the public health communities.

Pharmacy

MISSION STATEMENT

The Hamilton County Health Department will have a safe, well-maintained, and well-managed medication and vaccine supply in compliance with all pharmaceutical regulations. The Health Department Pharmacy takes care of Hamilton County Health Department clients in their Pharmaceutical and Vaccine needs.

FUNCTION

The Pharmacy orders and issues appropriate medications to all clinical areas, and serves as a liaison between the Health Department and pharmaceutical vendors for purchasing and inventory needs.

PERFORMANCE GOALS

1. To ensure medication and vaccine orders place daily, weekly, and monthly are appropriately placed utilizing numerous specific accounts from various venders and by submission of medication request to the Tennessee Department of Health's Director of Pharmacy.
2. To fill orders and issue medications to appropriate clinical areas as efficiently as possible.
3. To ensure that clinics have up to date, well-maintained drug and emergency medicine supply.
4. To ensure that a sufficient, unexpired supply of vaccines is maintained.
5. To collaborate with Primary Care Committee and program managers to review their respective formularies.
6. To ensure drug inventories are adequate and cost adjustments, if any, are made in a timely manner.

PERFORMANCE OBJECTIVES

1. Submit daily, weekly and monthly resupply orders for medications and vaccines to prevent barriers to care for patients. In order to ensure proper ordering from correct accounts, participate in training for MMCAP ordering utilization and enroll in 340B training with Apexus
2. Clinic orders are filled within 7 days
3. Clinic drug supplies and emergency medicines are reviewed on a quarterly basis (nurses' review this monthly); the storage of all clinic medications complies with temperature and humidity requirements
4. Review monthly inventories of state and county purchased vaccines in clinics and pharmacy
5. Participate in Primary Care Committee meetings and organize meeting with program managers to provide guidance of deletions and additions to their formularies
6. Drugs costs will be reviewed on a quarterly basis and recommendations made as appropriate for adjustments in charges

PERFORMANCE ACCOMPLISHMENTS

1. Orders were placed in a timely manner (daily, weekly, and monthly) to allow for proper resupply of medications of clinics. Resupply orders were placed, based on program qualifications, from the correct accounts in Cardinal on-line ordering system. Monthly orders were placed through the state pharmacist medications needed to support the TB and Sexual Health programs. The Pharmacist attended a national conference for the MMCAP buying group and is actively engaged in 340B online training.
2. All clinic orders are filled within one week or less, except in cases where there is a shortage of the drug and it is unavailable in that time frame. The Pharmacist provided medication alternatives, when possible, to address medication shortages encountered. Successful implementation of order sheets for clinics to increase efficiency of nurses during their ordering process at the clinic and the Pharmacy Department's fulfillment of the clinic's order.
3. Quarterly review of drug supplies and emergency medicines are done in all the clinics to check for expired drugs and to ensure that medications are stored properly (nurses review this monthly).
4. The state and county vaccine inventories are monitored every month and vaccine supplies are ordered. This monthly activity is to facilitate, if possible, the redistribution of state and county purchased vaccines to maximize the amount that vaccines administered before the expiration date and that any expired vaccine is properly handled.
5. The Pharmacist assisted in formulary reviews during meetings resulting in the elimination/addition of medications when appropriate to help increase patient outcomes. Pharmacist provided the committee and program managers procurement information to assist in their decisions to approve/deny any suggested formulary changes.
6. Drug costs are reviewed quarterly and any needed adjustments in price are communicated to the System Administrator.

PROGRAM COMMENTS

The Pharmacist has been diligent in identifying potential acceptable alternative medications or medication suppliers during specific shortages of medications. The efficiency of the pharmacy inventory management was improved for which losses due to expiration were reduced.

STD Clinic

FUNCTION

The Sexually Transmitted Disease (STD) Clinic provides education, diagnosis, treatment, and disease intervention to residents of Hamilton County. Some laboratory testing is done on-site. In addition, Hepatitis B vaccine is available at no charge to all previously eligible unvaccinated patients. Limited family planning services are available. New, this year, a Viral Hepatitis Nurse Navigator has been added as part of the State Hepatitis C initiative to improve testing and referrals for evaluation and treatment.

The purpose of the clinic is to accurately diagnose and treat persons with, or suspected of having, a STD and/or Hepatitis C; to determine who might have infected them and who they might have exposed; to notify potentially infected persons and bring them in for examination and treatment; and to provide education and motivation to prevent STD re-infection and transmission, thereby protecting the reproductive health of the community.

PERFORMANCE GOALS

1. To see, evaluate, test, diagnose, and treat appropriately all persons at risk for an STD infection, including chlamydia and gonorrhea, in Hamilton County.
2. To educate and interview, by the Disease Intervention Specialist (DIS) for contacts, all persons diagnosed with an STD infection in the HCHD STD Clinic to limit the spread of disease and prevent re-infection.
3. To test free of charge in the STD Clinic all persons at risk for Hepatitis C in Hamilton County.
4. To provide access to information and education provided by HCHD about prevention, diagnosing and treating STI's and Hepatitis C to all interested residents of Hamilton County.
5. To provide community outreach to private provider offices, schools, faith-based organizations and interested residents of Hamilton County.

PROGRAM COMMENTS

Educational outreach to community groups is available upon request and can be tailored for age appropriateness. Respond to county-wide STD reports submitted by all providers, by monitoring incidence, planning interventions and implementing the plans based on the assessed data (geographic distribution, age, etc.).

Nurses and disease intervention specialists have received specialized training and attend STD updates regularly. Treatment protocols are written according to state and federal guidance and carried out under the medical authority of the Health Officer. Education and prevention are important components of the visit and outreach to the community. Referrals are made to other clinics or providers when appropriate. Persons are not denied service due to inability to pay.

Family Health / Adult

FUNCTION

To provide preventative health services so that individuals, families and communities as a whole may be helped to achieve and maintain optimal health. Special focus groups are adolescents and women; clients with limited or no health insurance; and low-income families. Services provided are Family Planning; adult immunizations; pregnancy testing; contraceptive care; and screening for the Breast and Cervical Cancer Program.

PERFORMANCE GOALS

1. To assure access to health care in a timely manner.
2. To provide health education and clinic services to all who request assistance.
3. To provide appropriate information allowing clients to make informed decisions regarding their health care.
4. To maintain liaison with other health care providers in the community to assure adequate referral resources for clients.
5. To continually assess community needs and clinical services so that the highest standard of care is attained.
6. To comply with Title VI Limited English Proficiency (LEP) regulations in serving non-English speaking clients.

Chest Clinic / Epidemiology

FUNCTION

The Communicable Disease Control Services are multifaceted and include:

- Epidemiology Services, available 24 hours/day, including:
    - Monitoring and tracking disease trends and reports in Hamilton County and reporting frequently such as influenza data weekly.
        - Receiving required disease reports from local providers, hospitals and labs and investigating as indicated.
        - Receiving reports from the public regarding suspected problems that are investigated as needed.
        - Should disease reports or situations indicate a possible outbreak or a serious disease threat to the community, this department prioritizes the investigation and works with Health Department Administration and others until the situation is verified and/or contained and responded to appropriately.

- Occupational, Adult, and Travel Immunization Services which are available to the public in order to decrease the possibility of importation or occurrence of vaccine-preventable diseases in our community. These services include:
    - International Travel consultations which include food & water precautions, personal insect protection and required or recommended vaccines considered in the context of their desired destination and their medical history, allergies and current medical status for adults and children.
    - Adult Immunizations that are provided per our protocol for the general public, aged 19 years and older who are insured or uninsured for a variety of reasons:
        - School requirements
        - Employment prerequisites or on the job protection
        - Recommended by their physician because of co-morbidities such as Hepatitis C, or planned or recent procedures, such as splenectomy, stem cell transplant or cochlear implant or due to immune compromising conditions
        - Immigration or refugee requirements
        - Exposure management
        - Desired for personal protection
    - Immunization outreach activities to promote and educate the public about the benefits of vaccines.

- Infection Control and Prevention Services, including:
    - Education and training on blood-borne pathogen exposure risk to health department employees, as well as county staff members and certain high-risk community groups such as healthcare students and tattoo artists

FUNCTION (continued)

- Documenting and monitoring health department employee immunity history for certain vaccine-preventable diseases as recommended by OSHA and the CDC for the protection of the client and the employee

Education, emergency planning and preparation, vaccine-preventable disease, as well as other communicable disease risks and trends are a priority. Activities include working with local medical providers, hospitals, at-risk groups and the media. Additionally, this department works with Hamilton County Government to reduce blood-borne pathogen exposure and increase awareness of personal protective equipment according to OSHA standards, ensuring that appropriate follow-up is provided should an exposure occur.

PERFORMANCE GOALS

1. All disease trends in Hamilton County will be monitored and as needed, education, investigation and appropriate prophylaxis will be provided, in order to prevent the spread of infectious diseases.
2. No new Blood-borne pathogen exposures will occur among employees of any health department clinics/areas.
3. All residents of Hamilton County will be aware of and access the Hamilton County Health Dept. International Travel Clinic for consultation and vaccinations services, as needed, to protect their health and prevent the importation of infectious diseases to the U.S. from other countries.
4. All adult (19 years and older) residents of Hamilton County will access the Adult Immunization Services as desired or needed for vaccines for any reason, including work or school requirements, as directed by their health care provider or their own wish for personal protection.

County STD Clinic

FUNCTION

The County Sexually Transmitted Disease (STD) provides education, diagnosis, treatment and disease intervention to residents of Hamilton County. Specially trained staff does some laboratory testing on-site. In addition, Hepatitis B and HPV vaccines are available at no charge to all eligible previously unvaccinated clients 18 years of age or younger. Limited family planning services are available for female clients.

The purpose of the clinic is to accurately diagnose and treat persons with or suspected of having a STD; to determine who might have infected them and who they might have exposed; to notify potentially infected persons and bring them to examination and treatment; and to provide education and motivation to prevent STD re-infection and transmission, thereby protecting the reproductive health of the community.

Per Tennessee Code Annotated 68 Rule 1200-14-01-.02, all positive laboratory results for syphilis must be reported to the Health Department within 7 days for review, investigation and follow-up by the disease intervention specialists (DIS). County-wide STD rates as reported by all providers are monitored, and interventions are planned and implemented based on the assessed data (geographic distribution, age, etc.).

Educational outreach to community groups is available upon request and can be tailored for age appropriateness.

The County STD Clinic strives to provide efficient, professional, confidential, quality service to all patients. Nurses and disease intervention specialists have received specialized training and attend STD updates regularly. Treatment protocols are written according to state and federal guidance and are carried out under the medical authority of the Health Officer. Education and prevention are important components of the visit, as well as outreach to the community. Referrals are made to other clinics or providers when appropriate. Persons are not denied service due to inability to pay.

PERFORMANCE GOALS

1. To provide access to the HCHD STD Clinic for syphilis testing and treatment, as needed, for all at risk persons in Hamilton County.
2. To interview by the DIS staff, all persons who test positive for syphilis in the HCHD STD Clinic, for education and contact information.
3. To review and investigate by DIS staff, all positive syphilis laboratory reports received in the HCHD STD Clinic and, if determined to be an early (primary, secondary or early latent) syphilis case, will be interviewed as soon as contact can be established.

PERFORMANCE GOALS (continued)

4. To provide community outreach to private provider offices, schools, faith-based organizations and interested residents of Hamilton County.

Oral Health

FUNCTION

The Hamilton County Health Department, in cooperation with the Tennessee Department of Health and the Hamilton County Department of Education, participates in a School Based Dental Prevention Program (SBDPP). This program has been in existence in Hamilton County since 2001. School based dental programs are a very effective way to reach many children to prevent decay, pain infections and tooth loss. Dental issues may lead to problems with eating, speaking, playing and learning. The program targets Title I schools, providing dental services to all children who return a signed consent from their parent or guardian.

PERFORMANCE GOALS

1. Provide dental sealants to children in grades K-8.
2. Provide dental referrals to children in grades K-8.
3. Conduct follow-up of children referred for "urgent" dental treatment in target schools.
4. Provide dental sealant screenings to children with returned consent.
5. Provide application of silver diamine fluoride to teeth indicated with returned consent.
6. Provide application of fluoride varnish with returned consent.
7. Provide TennCare outreach in target schools.

Other Human Resources

FUNCTION

Americans with Disabilities Act (ADA) – The Americans with Disabilities Act is a federal civil rights law enacted to protect qualified persons with disabilities from discrimination in employment, government services and programs, transportation, public accommodations and telecommunications. Minimal funds are budgeted to meet the reasonable accommodation needs of qualified applicants and/or employees.

Drug and Alcohol Testing Program – The Drug-Free Workplace Act of 1988 requires compliance by governmental agencies in providing a drug-free workplace. Human Resources coordinates the program with Comprehensive Compliance, which is under contract with the County to develop and administer a controlled substance and alcohol-testing program, and provide supervisory training and medical review officer services for County employees. The contractor conducts six types of testing on a random basis or as required for employees who are either in a safety sensitive position and/or hold a commercial driver's license.

Employee Assistance Program (EAP) – The Employee Assistance Program is provided by the County to meet the needs of employees and the Federal Drug Free Workplace Act of 1988. Human Resources coordinates this program with EAP Care, Inc., who is under contract with the County to provide EAP services. These services include confidential assessment, short-term counseling, referral and follow-up to employees and their families. Up to four pre-paid counseling sessions per year are provided with further sessions covered by medical insurance when eligible. The performance objectives are to provide eligible County employees the necessary EAP services to reduce the occurrence of work-related problems and substance abuse; provide workplace training on such topics as drug abuse, stress, marital problems, aging, retirement, depression and parental care; provide supervisory training to all supervisors on how to make referrals for treatment; and to provide reports to the EAP Review Committee so that the program may be continuously upgraded to meet the requirements of law and changing methodology of drug and alcohol abuse treatment.

Armed Forces Week – The mission is to honor those in armed forces serving our country, past and present.

Chattanooga Future Fund – Emp Benefit – Cost center used to provide matching funds to each Chattanooga Future Fund account established for each eligible child of a Hamilton County government employee.

Veterans Service Program

MISSION STATEMENT

The mission of Hamilton County's Veterans Service Officer (VSO) is to serve the County's 23,000-plus veterans and their families in all matters pertaining to veterans' benefits.

FUNCTION

The VSO's mission falls into two basic tasks: informing veterans and their families about veterans' benefits, and directly assisting and advising veterans and their families in securing the federal and state benefits to which they are entitled. The VSO is accredited by the U. S. Department of Veterans Affairs to represent seven Veteran Service Organizations. These organizations include the following: Tennessee Dept. of Veterans Service, and The American Legion, Veterans of Foreign Wars. In addition, the Veterans Treatment Court (VTC) Program was established to aid veterans in is committed to assisting Veterans with intervention, treatment, and rehabilitation of substance use disorders and/or mental health issues who desire to change their lives.

PERFORMANCE GOALS

1. To educate Hamilton County veterans and their families about benefits and entitlements.
2. To assist VA beneficiaries with navigating the claims and appeals process.
3. To engage in community functions dedicated to honoring and supporting local veterans.
4. To maintain VSO accreditation with Dept. of Veterans Affairs.

Public Safety Administrator

FUNCTION

The Administrator is responsible for the organization, operation, and supervision of departments and budgetary projects that collectively provide programs and services related to enhancing the public safety of the citizens of Hamilton County. Those departments consist of Alternative Sentencing Programs (also known as Community Corrections), Emergency Medical Services, Opioid Settlement and Remediation projects, and the Opioid Quick Response Team.

PERFORMANCE GOAL

1. To ensure the continued efficient and effective operation of each department and their respective programs.

(FY2022-FY2024, the Public Safety Administrator (formerly known as the General Service Administrator) was under the General Services Division which dissolved in FY2025.)

PERFORMANCE OBJECTIVES

1. Support the individual departments in achieving their own missions and performance goals, and to assist departmental leadership in staff development and training
2. Assist departmental leadership with developing programs and utilizing county, state, and federal funding to maximum ability
3. Serve the general services needs of our community

PERFORMANCE ACCOMPLISHMENTS

Supporting and enhancing the development of staff within the Hamilton County Emergency Medical Services department has been a long-term goal for the Administrator of Public Safety. Upgrades to equipment, pay scale, training, and educational opportunities for staff are helping with the ability to attract and maintain staff, while reducing on the job injury and employee burnout.

As we roll out our new Opioid Prevention Team within EMS, we are exploring how EMS can play a broader role in community medicine and expand our range of care offered to our citizens. We are setting the standard for rapid, community based medically assisted opioid treatment.

Oversight of these programs and their connection to the opioid crisis, along with monitoring of available state and federal dollars to be used appropriately as directed by various resources, has been a priority for the Administrator.

Medical Examiner

FUNCTION

The County Medical Examiner is required by the "Postmortem Examination Act" (Tennessee Code Annotated, Sections 38-7-101 through 38-7-117) to investigate certain types of deaths occurring in the County and to keep records on investigations and examinations of such deaths. Thus, the medical and legal circumstances of a death can be properly documented and provisions can be made for the completion of a Tennessee Death Certificate.

PERFORMANCE GOALS

1. To detect unsuspected homicides.
2. To protect the health of the community.
3. To clarify workers' compensation claims, insurance claims and civil lawsuits.
4. To provide more accurate vital statistics.

(Note: Medical Examiner moved under the new Public Safety Division in FY2025)

PERFORMANCE OBJECTIVES

1. Provides vital information that is needed by the family of the deceased, Public Health Department, law enforcement and many other agencies
2. Comprehensive investigations include selected death scene visits, postmortem examinations and/or autopsy with photographic and narrative documentation of various medical evidence, toxicology and serology, x-rays and consultation in anthropology, odontology or other specialties as needed
3. Prepare various reports and other documentation related to an individual's death and subsequent expert medical testimony in judicial proceedings

PROGRAM COMMENTS

This office has continued to maintain our National Association of Medical Examiners accreditation. The County Medical Examiner's Office participates in the State of Tennessee's on-line death certificate system called VRISM, which has made the completion of death certificates more prompt throughout the state. The office has linked in MDILog with TBI and State Unintentional Drug Overdose Reporting System (SUDORS) in monitoring drug overdoses and has linked with National Violent Death Reporting System (NVDRS). The Hamilton County Medical Examiner's Office has seen a decrease in some categories.

Office of Emergency Management / Homeland Security – Volunteer Services

FUNCTION

Hamilton County allocates funds each year to help volunteer fire departments and rescue squads upgrade their facilities and capabilities. The Office of Emergency Management / Homeland Security oversees these appropriations and works directly with the chiefs and board members of these service groups to identify their needs, select the most effective solutions, and coordinate their activities with other groups.

PERFORMANCE GOALS

To improve coordination among fire departments and rescue squads County-wide to ensure efficient service and avoid duplication.

Community Corrections Program - Felony

MISSION STATEMENT

Respond to Hamilton County Criminal Court Judges by offering an alternative to imprisonment, which is an intermediate punishment program between probation and prison. The program will provide an alternative sentencing method that stresses work ethic and a structured lifestyle with an end goal of reducing the rate of recidivism among Program residents and safety of the community.

FUNCTION

Community Corrections offers an alternative to institutional incarceration for otherwise prison-bound felons. The program was initiated in the fall of 1986 after the passage of the Tennessee Community Corrections Act of 1985. The new law was developed to reduce prison overcrowding. Supervision includes in-house arrest, electronic monitoring, drug screening, weekly interviews, employment checks, and arrest records checks, collection of State fees, court costs and supervision fees for offenders who are convicted of non-violent felony offenses.

PERFORMANCE GOALS

1. To maintain a safe and cost-efficient community corrections program that also involves close supervision of offenders.
2. To promote accountability of offenders to Hamilton County and the state of Tennessee by requiring direct financial restitution to victims of crimes and community service restitution to local governments and community agencies.
3. To fill gaps in the local correctional system through the development of a range of sanctions and services available to the Hamilton County Criminal Court Judges for sentencing.
4. To reduce the number of nonviolent felony offenders committed by Hamilton County to correctional institutions and jails by punishing these offenders in a noncustodial manner.
5. To provide opportunities for certain offenders to receive services that enhance their ability to provide for their families and become contributing citizens of Hamilton County.

(FY2022-FY2024, Community Corrections Program was under the General Services Division which dissolved in FY2025. In FY2025, Community Corrections moved under the new Public Safety Division)

PERFORMANCE OBJECTIVES

1. Divert felony offenders from incarceration
2. Reduce the cost of supervision by collection of supervision fees, court costs and restitution
3. Provide community restitution through community service work by offenders
4. Provide intensive supervision option for Hamilton County Criminal Courts
5. Require full-time employment for those offenders who are physically able to work

PROGRAM COMMENTS

The Hamilton County Felony Community Corrections Program has been in existence since 1986. Over the past year we have been able to help reunite families, assist clients with dependence issues and help to place clients into the workforce. The program is funded 100% by an annual grant from the Tennessee Department of Correction.

Community Corrections – Misdemeanors

MISSION STATEMENT

To offer an alternative to incarceration, which stresses work ethic and a structured lifestyle and an end goal of reducing the rate of recidivism among Program clients while also concentrating on the safety of the community.

FUNCTION

Misdemeanant Probation provides supervision of misdemeanant offenders whose sentences are suspended to supervised probation. Supervision includes in-house arrest, electronic monitoring, employment verification, weekly interviews, arrest records checks, random drug testing and collection of supervision fees, court costs and victim restitution from clients assigned to the program who have been convicted of non-violent offenses.

PERFORMANCE GOALS

1. To provide a safe and cost-efficient supervision of offenders from the Hamilton County Courts.
2. To enforce court ordered sanctions.
3. To ensure misdemeanant probationers (who would otherwise be unsupervised) are supervised and in compliance with court orders of assignment.
4. To increase offender accountability to victims by payment of victim restitution.

PROGRAM COMMENTS

Community Corrections-Misdemeanors offered an alternative to institutional incarceration for otherwise workhouse bound misdemeanants. This program was initiated in the fall of 1989 to reduce overcrowding in the Hamilton County Workhouse and reduce correctional costs. Hamilton County Probation program was initiated in the fall of 2001 after legislation was passed ending supervision of misdemeanant probationers by the Tennessee Board of Probation and Parole. The Hamilton County Probation program is funded by Hamilton County.

BJA 24 Smart Supervision Program

MISSION STATEMENT

To improve public safety and reduce costs by identifying the causes of recidivism and reducing recidivism through evidence-based action plans.

FUNCTION

This program is designed to reduce recidivism rates among justice-involved individuals in Hamilton County's misdemeanor supervision programs.

PERFORMANCE GOALS

1. Implement the Ohio Risk Assessment System (ORAS) to tailor supervision strategies to individual needs.
2. Improve data collection and analysis by partnering with the University of Tennessee at Chattanooga (UTC) to assess the program's effectiveness in reducing recidivism and improving participant outcomes.
3. To enforce court ordered sanctions.
4. To provide a safe and cost-efficient supervision of offenders from the Hamilton County Courts.
5. To increase offender accountability to victims by payment of victim restitution.

PERFORMANCE OBJECTIVES

1. Hire a community-based alternative sentencing officer to conduct home visits and meet participants in their communities to better support those with transportation and mobility challenges
2. Create a participant needs fund to help cover essential services, such as transportation, housing or work-related expenses, for participants when other resources are not available
3. To ensure misdemeanant probationers (who would otherwise be unsupervised) are supervised and in compliance with court orders of assignment
4. Support the development of community supervision staff through training and other skill-building opportunities
5. Implement evidence-based action plans in misdemeanor supervision programs
6. Measure effectiveness and outcomes with UTC

Community Corrections Program - Litter Grant

MISSION STATEMENT

The Hamilton County Litter Grant Program operates as an alternative sentencing program for Hamilton County Government and is designed for non-violent misdemeanant offenders.

FUNCTION

The program uses offenders assigned by the courts to collect and remove unsightly litter from the roadways within Hamilton County. The program is funded by outside sources, including the annual Litter Grant, the Tennessee Department of Transportation, the City of Chattanooga, and the collection of offender registration supervision sign-up fees.

PERFORMANCE GOALS

1. Continue the operation of the program utilizing outside funding that covers the entire cost of the operation.
2. Reduce the amount of litter deposited on Hamilton County roads and other highways within the County.

PROGRAM COMMENTS

The Litter Grant program responds to County General Sessions, Criminal, Circuit, Chancery, Juvenile, City of Chattanooga City Court, and local municipality courts by offering an alternative to incarceration. The program was initiated in 1979 and provides community service through litter prevention and education throughout Hamilton County.

Community Corrections - Pretrial Diversion Program

MISSION STATEMENT

To offer an alternative to incarceration for non-violent pretrial defendants. The program stresses work ethic and a structured lifestyle for an end goal of reducing the rate of recidivism among Program participants while also concentrating on the safety of the community.

FUNCTION

Pretrial Services provides an alternative to monetary bond and options for electronic monitoring and supervision while on bond. It allows and encourages those on the program to work and maintain a healthy relationship with their families and community while awaiting trial. Pretrial Services also focuses on reducing the rate of recidivism among clients while also concentrating on the safety of the community.

PERFORMANCE GOALS

1. To provide timely and accurate information to the Courts to support informed decision-making.
2. To promote a safe and productive option to incarceration for those who cannot afford bond.
3. To provide a structured and monitored supervision option to the Hamilton County Court system for those who are released on bond.

(Note: In FY2022-FY2023, Pretrial Diversion Program-Jag was under General Services Division.)

PERFORMANCE OBJECTIVES

1. Decrease Failure to Appear rates in court appearances
2. Eliminate unnecessary detention of pretrial low risk defendants
3. Provide supervision of Pretrial defendants

Emergency Medical Services

MISSION

To provide twenty-four-hour advanced life support ambulance service to Hamilton County.

FUNCTION

Provide ambulance services to county residences and surrounding communities participating in Emergency Medical Services (EMS) mutual aid agreements or as requested by State Emergency Medical Services due to mass casualty events or Homeland Security issues. In addition, we provide emergency medical coverage to numerous special events, such as Riverbend, Ironman, and professional bicycle competitions, as well as community displays and events.

PERFORMANCE GOALS

1. To provide timely and appropriate pre-hospital emergency medical care and transportation to the citizen and visitors of Hamilton County.
2. To lessen County contributions and subsidies for the operation of the service through increased revenues and cost-efficient operations.
3. To improve the skill level of employees while raising the standard of care provided.
4. To lessen customer complaints by improving customer service skills of all employees.
5. To improve ambulance response times and increase efficiency of County-wide ambulance coverage.

(Note: FY2022-FY2024, Emergency Medical Services was under General Services Division which dissolved in FY2025. In FY2025, Emergency Medical Services moved under the new Public Safety Division.)

PERFORMANCE OBJECTIVES

1. Respond to all 911 requests while maintaining operational costs within existing budgets
2. Improved provision of state-of-the-art medical care to the public
3. Utilize all emergency medical responders in the provision of emergency medical care
4. Positive patient outcome and positive customer relations
5. Provide a sound financial return as a result of the investment of taxpayer's dollars; increased collectibles and improvements on the billable charges for services rendered
6. Increased community involvement through educational participation and outreach
7. Improved interaction with TDH, Hamilton County Health Department, and other community partners to provide additional resources and specialized care including but not limited to opiate abatement and referrals to rehabilitation

PERFORMANCE ACCOMPLISHMENTS

1. Maintained a 10-minute response time average across Hamilton County, despite an increase in call volume to over 54,000 calls.
2. Worked with area partners to improve first response participation and coverage.
3. Streamlined and improved vehicle maintenance program through cooperative buying processes, making better use of taxpayer dollars.
4. Obtained clearance and approval from State of TN EMS to begin a whole blood field administration program. Was able to secure a donation for three state-of-the-art electronic blood-coolers worth over $33,000.
5. Provided faculty and field internship to the EMS Fellowship Program at Erlanger Medical Center.
6. Operated financially, efficiently with a financial return near operational costs. Multiple areas of savings made possible by utilizing cooperative purchasing programs, searching for rebates, and vendor price matching.
7. Continued to improve ambulance response information using advanced mobile computer systems and mobile apps.
8. Improved operational readiness for special events and special programs with the addition of a special operations coordinator position.
9. Monitored area hospital turn-around times and worked with hospitals in order to lessen patient wait times and to insure operational availability for EMS response. Developed a color-coded system status policy to identify unit availability and facility delays.
10. Began hosting area/regional training classes for professionals at the HCEMS Administration and Training Center.

PROGRAM COMMENT

EMS ambulance stations are strategically located within the communities. We maintain training and response capabilities as directed by State Emergency Medical Services.

Emergency Medical Services – Quick Response Team

MISSION

Initiate and bridge medication for opioid use disorder (MOUD) while navigators and/or social workers secure patient placement in long-term treatment.

FUNCTION

EMS providers participating in a community paramedicine program will perform MOUD inductions in the field for patients struggling with opioid use disorder.

PERFORMANCE GOALS

1. Ensure proper assessment and treatment is given to patients.
2. Ensure in-home patients continue to receive care.
3. Continue to foster partnerships with other agencies to reduce opioid use disorder.

(Note: This is a new organization established in FY2025 that uses opioid funds to help address the opioid crisis.)

PERFORMANCE OBJECTIVES

1. Connect patients with a substance use navigator or social worker who will link them with inpatient or outpatient rehabilitation
2. Provide adequate care (5-7 days) while the patient is navigated to treatment for substance use disorder and secured in a suitable program
3. HCEMS will collaborate with the Hamilton County Health Department and other community partners to make this program a success for its participants

Other Public Safety

FUNCTION

Fire Training – Funds for certified annual training and purchasing and maintenance of equipment and supplies.

Homeland Security Grants - monies are designated for homeland security equipment (i.e. equipment for chemical, biological, radiological, nuclear) and explosive/urban search and rescue response for the Chattanooga Fire Department; Law Enforcement Terrorism Prevention Plan equipment for the Chattanooga Police Department; and 800 Mhz Radio equipment for the City Radio Shop).

Opioid Settlement – Funds awarded to Hamilton County from a statewide opioid settlement. Such funds may only be spent for opioid abatement and remediation purposes that are specifically approved by the opioid abatement council.

Forest Fire Prevention - Helps to reduce the destructive nature of fires by preventing and/or suppressing forest and brush fires. The objective is to control all wildfires before they reach ten acres in size.

Air Pollution Control – The overall mission is to achieve and maintain levels of air quality which will protect human health and safety and prevent injury to plant and animal life and property. The bureau provides a program of air pollution prevention, abatement, and control to foster the health, comfort and convenience of all citizens of Hamilton County.

Humane Educational Society – Provides shelter and protection for animals that were lost or abandoned in Hamilton County and the City of Chattanooga. The Humane Educational Society educates the public concerning proper care and treatment of all companion animals and attempts to reduce the number of those animals found homeless.

Animal Control Services – Offers various services, including free or low-cost resources like spay/neuter for feral cats and a pet food pantry. Provides resources for reuniting lost pets with their owner and conducts clinics for preventive veterinary services.

PERFORMANCE OBJECTIVES

1. Conduct regular budget and grant reviews to assess spending and remaining funds for the HCSO
2. Provide continuous support for civilian and non-civilian employees to uphold high performance standards
3. Track and complete identified projects for technology, facilities, finance, human resources and vendor partners
4. Upgrade computer systems to the latest platforms and develop new digital and innovative solutions to streamline processes
5. Build leading teams in Administration to provide data-driven insights for executive decision-making
6. Participate in regular meetings with Executive Staff to discuss human resource applicants, legal matters and new initiatives

PERFORMANCE ACCOMPLISHMENTS

1. Achieved financial audits with no finding or discrepancies marking multiple consecutive years.
2. Successfully earned re-accreditation from the Commission on Accreditation for Law Enforcement Agencies (CALEA), marking HCSO's fourth accreditation.
3. Shepherded Jail booking, intake, housing and sally port construction.
4. Implemented new digital tracking systems, launched Sheriff's updated website and introduced a mobile app to enhance public access to services.
5. Multiple technology and facility improvement projects were completed.

Patrol Services

MISSION STATEMENT

We are committed to leading the way in service to the citizens of Hamilton County through the pursuit of excellence in customer service, professionalism, and innovation.

FUNCTION

Patrol deputies respond to all basic calls for law enforcement services throughout the unincorporated parts of Hamilton County and inside any municipalities as necessary 24 hours a day, 365 days a year. Deputies respond to both emergency and non-emergency situations ranging from traffic crashes to domestic situations and are responsible for over a 500 square mile area of Hamilton County.

PERFORMANCE GOALS

1. Maximize patrol utilization of criminal justice software and databases to quickly solve crimes and accurately identify and apprehend the offenders.
2. Ensure service calls and incidents are fully documented in a way which enhances investigative success and supports accurate data collection.
3. Leverage crime analysis reports to direct Patrol operations and staffing with the aim of increasing visibility to prevent crime.
4. Support employee recruiting and retention by continuing to maintain the highest professional standards and unwavering commitment to the Rule of Law which Hamilton County Office of the Sheriff is already known for.
5. Continue to provide exemplary and constitutionally sound Law Enforcement Services for the roughly 380,000 residents of Hamilton County and the millions of guests who visit Hamilton County every year.

PERFORMANCE OBJECTIVES

1. Schedule "Train the Trainer" sessions with the various criminal justice program administrators. Patrol supervisors, select deputies and a representative from information technology (IT) will attend these sessions and disseminate the information to their respective teams
2. Where available and appropriate, video tutorials may be electronically disseminated to Patrol Services personnel
3. Patrol Services supervisors will stress the importance of including details in incident reports which can be invaluable in a subsequent investigation. They will solicit input and feedback from Investigative Services supervision and work with Criminal Records to ensure the information can be entered into the records management system (RMS)
4. A real-time dashboard is being maintained by HCSO crime analysis. Patrol Services supervisors who are unfamiliar will be shown how to access and use the dashboard to focus and prioritize patrol operations
5. Maintain HCSO's high professional standards, steadfast commitment to the Rule of Law and willingness to "press the fight" have proven to be very attractive to potential candidates and creates Esprit de Corps which aids in deputy recruiting and retention
6. During scheduled shifts, Patrol Services deputies and supervisors will focus their attention on investigations and calls for service within the established patrol districts of unincorporated Hamilton County, the Town of Walden and the City of Lakesite. Patrol Services deputies who are working special details such as DUI enforcement grants, Selective Enforcement Unit or other special details will focus on geographical areas determined by supervision based on available crime data
7. To ensure Patrol Services deputies remain current, supervisors will use lineups and shift trainings to review and discuss constitutional law, criminal code, motor vehicle statutes, policies and case law

PERFORMANCE ACCOMPLISMENTS

Sheriff Garrett has been clear with his directive to find ways to make HCSO more efficient and more effective. Among the many technological and equipment improvements over the last two years, one standout has been the deployment of the automated license plate reader (ALPR) hardware and software in patrol vehicles. This technology has allowed Patrol Services to identify and recover numerous stolen vehicles, locate missing persons, apprehend volent fugitives, and identify suspects in numerous crimes.

Public Relations Office

MISSION STATEMENT

We are committed to leading the way in service to the citizens of Hamilton County through the pursuit of excellence in customer service, professionalism, and innovation.

FUNCTION

HCSO Public Relations personnel promote the daily operations and activities of the Hamilton County Office of the Sheriff. Their duties include acting as media liaisons, managing the agency's social media platforms, photographing events and programs, and fostering partnerships with local businesses, community stakeholders, and government officials.

PERFORMANCE GOALS

Focus on expanding the followership of our five social media platforms which includes growing our Facebook page to 58,000 by January 1, 2026, and continue to increase our agency's presence at local community events.

PERFORMANCE OBJECTIVES

1. Increase the number of regular posts on social media
2. Incorporation of more video messages and reels
3. Use of financial boosting of specific posts
4. Focus our efforts on attracting younger followers ranging from ages 18 – 30
5. Increase coverage of agency events, public safety related functions, recruitment events, and public speaking engagements

PERFORMANCE ACCOMPLISMENTS

1. In 2024, we issued a total of 210 news releases, averaging 18 per month marking a 67% increase in the number of news releases compared to 2023.
2. In 2024, through organic content creation, the HCSO Public Relations Office successfully grew our following to approximately 49,000 on Facebook and over 7,100 on Twitter.
3. In 2024, the HCSO Public Relations Office completed 961 graphic design-related projects, a 51% increase from the 634 projects completed in 2023.

School Resource Deputy Unit

MISSION STATEMENT

We are committed to leading the way in service to the citizens of Hamilton County through the pursuit of excellence in customer service, professionalism, and innovation.

FUNCTION

HCSO School Resource deputies are responsible for the physical safety of their assigned schools and respond to any criminal matters that occur within the school. The School Resource Deputy also serves as an informal source of counsel for students and faculty through student and faculty advisories as a preventative measure before a criminal incident can occur.

PERFORMANCE GOALS

1. Be an ambassador to the school administrators, the teachers, the students, and the citizens of Hamilton County.
2. Create a culture of each deputy being a diverse, skilled, servant leader in whatever capacity one serves within the Hamilton County Office of the Sheriff.
3. The School Resource Deputy (SRD) unit and the Crime Intelligence & Analysis Unit (CIAU) will continue their commitment to achieve timely and accurate threat-related data collection.
4. Expand the drug abuse resistance education program (D.A.R.E.).

PERFORMANCE OBJECTIVES

1. Conduct continuous development training
2. Implement the use of the ArcGIS software in conjunction with the CIAU team for the purposes of tracking school threats
3. Increase the number of D.A.R.E. instructors throughout the schools

PERFORMANCE ACCOMPLISMENTS

1. The SRD Unit, along with investigators from Tennessee Homeland Security, discovered and foiled what was one of the most credible threats to a school that has been investigated this school year. Because everyone involved demonstrated a commitment to the safety of the citizens of Hamilton County, their community, and their duty, this volatile student was prevented from carrying out what was a meticulous, detailed, mapped-out plan. This case is a testimonial as to the current school threat investigation process and its efficiency.
2. The SRD Unit was called upon on several occasions to assist Corrections with conducting cell searches at the Hamilton County Jail in the wake of inmate-on-inmate assaults with deadly weapons. During the course of these searches, involved personnel recovered several dozen improvised bladed stabbing weapons and other contraband items.
3. The SRD D.A.R.E. car was revealed and has since been displayed at several school events and a parade in Hamilton County. It is a great "vehicle," if you will, for bringing attention and awareness to the community about the Hamilton County Office of the Sheriff's commitment to educating young people about the danger of drugs and alcohol.

Corrections Services

MISSION STATEMENT

We are committed to leading the way in service to the citizens of Hamilton County through the pursuit of excellence in customer service, professionalism, and innovation.

FUNCTION

HCSO Corrections Services oversee the daily operation of the Hamilton County Jail & Detention Center. The jail serves as the intake point for all arrestees in Hamilton County, regardless of the arresting agency, and is designed to detain those deemed a risk to the community.

PERFORMANCE GOALS

1. Maintain the security of the jail while keeping all other aspects pertaining to the functionality of the building, support services, and corrections-based services operating at an efficient level.
2. Provide a safe, secure, and humane environment for correctional personnel, deputies, visitors, and persons lawfully incarcerated within jail.

PERFORMANCE OBJECTIVES

Support Services

- Kitchen - While a remodel is still under way, rubber reusable food trays have been ordered to resolve issues with Styrofoam trays causing problems with the plumbing of the facility. Also, security gates are being installed to restrict inmate contraband movement.
- Supply - Incorporating the electrical inventory system (Tagmatics) to make the supply function more effectively.

PERFORMANCE OBJECTIVES (continued)

- Medical - Establishing adequate deputy coverage for medical to maintain chronic care inmates, along with a dental hygienist performing tooth care.
- Transportation – Ensuring that transport coordinators communicate well with judicial deputies to maintain a fluid and secure transportation operation.
- Laundry – Maintain accordance with TCI standards requiring linens be washed the required two times a week utilizing two shifts to accomplish this.

Security

- Maintain the security of the facility by performing random searches, gathering intel, and reviewing camera footage along with conducting high-risk transports.

Sentence Management

- Establish and maintain an accurate time-credit calculation process that will be without possible flaws generated by human error. This will be accomplished by working with IT to create a CJUS system to perform these calculations.

Re-entry

- Maintain a high level of security while inmates are offsite attending the electrical program; begin making room for a new carpentry class.

Training

- Training serves as the initial and foundational introduction to the Office of the Sheriff. To ensure success, it is essential to provide accurate information, proper training, and the necessary equipment. This will be achieved by facilitating clear communication between Corrections Services and their counterparts in the Law Enforcement Training Unit.

Shift Operations

- Maintaining and ensuring that deputies and civilian staff operate within the policies of the Hamilton County Office of the Sheriff by being decisive about expectations.

PERFORMANCE ACCOMPLISHMENTS

Opened a new administrative building and the housing units-referred to as the Hotel, and Ooltewah Units, along with creating and establishing new intake and booking areas of the Hamilton County Jail & Detention Center (HCJDC). In conjunction with this operation, a new laundry area has been created, the kitchen remodel is almost complete, and housing unit referred to as Hotel 3 has been opened to house some of our most violent female inmates.

PERFORMANCE OBJECTIVES

1. Encourage more research on parties that are avoiding service or cannot be located
2. Encourage personnel to use available tools to obtain additional information on an individual, such as CJUS, DMV files, social media, and Google searches. Staff would also be encouraged to speak with an individual's employer, landlord, neighbors, or family members to gain additional details
3. Contacting the Crime Intelligence & Analysis Unit for information on any individual that we have been made aware of who may exhibit signs of resistance or violence prior to the execution of a writ of possession or any court order
4. Communicate the value of improving everyone's health and reminding them of resources such as The Well. Also encourage teaming up with a workout partner to support one another

PERFORMANCE COMMENTS

1. Within the last two fiscal years, the Civil Warrants Unit has become more efficient and effective at utilizing various available methods of locating, making contact, and communicating with parties that we are trying to locate for service. These methods may include social media, emails, texting, and Google searches.
2. We have also become more proficient in communicating with landlords, neighbors, family members, and previous employers in an attempt to gain more information that would assist in locating an individual. These efforts have resulted in a recent 11% increase in our service percentage rate, and we are striving to raise our service percentage rate from 66% to 69%.

PERFORMANCE OBJECTIVES

1. Upgrade all commercial fixtures at the Hamilton County Jail Detention Center (HCJDC) to corrections-grade, energy-efficient equipment. We measure our successes through real-time data, and our statistics are continually improving as we. We will continue to recruit, hire, and improve existing staff. Our team feels confident that with our plan to upgrade our shop location and create a leaner process, we will stay on track to thrive.
2. Ensure staff has the appropriate skill set in order to perform the appropriate tasks
3. Upgrade shop location
4. Elevate the quality of grounds and landscapes of the facility by expanding our team of skilled craftsmen and landscape professionals

PERFORMANCE ACCOMPLISHMENTS

Among many individual achievements, perhaps our proudest, is the sheer volume of substantial projects that were balanced simultaneously. Most of these projects have reached completion, or at least substantial completion, typically on time and under budget. To name a few:

- The completion of the P1 and P2 Jail project.
- The Property Room buildout, which moved property and evidence into a state-of-the-art facility.
- The relocation of the entire law enforcement operations to a larger facility while renovating throughout the process.
- The shuttering of former buildings that no longer served the mission of the Sheriff.
- The procurement of a confidential location to house specialized operations teams.

Other Office of the Sheriff

FUNCTION

Governor's Highway Safety Office Grant – R.I.I.D. Grant – The Office of the Sheriff received a grant from the State Department of Transportation through the Governor's Highway Safety Office Program. For this program, officers are utilized for saturation patrols to identify and arrest impaired drivers. Officers establish sobriety checkpoints during peak hours identified when most drunk drivers are on the roadways. Officers also identify and seek out the multi-offender/driver who has been identified as having an alcohol problem and continues to drive while license was restricted or revoked.

Governor's Highway Safety Office Grant – Safe Journey – The Office of the Sheriff received a grant from the Tennessee Department of Transportation to provide funding for the following:

- Provision and installation of car seats
- Conducting car seat safety checkpoints
- Law enforcement activities related to child restraint usage

SCAAP Grant - The SCAAP grant under the DOJ makes payments to local governments which incur costs due to incarceration of undocumented criminal aliens.

DOJ Bulletproof Vest Grant - The Bulletproof Vest program provides funds to local law enforcement to provide protective armored vests to officers which assist greatly in providing a safer atmosphere.

TN Criminal Justice Program Evidence – This grant, expiring December 31, 2022, with no required match, will allow the Office of the Sheriff to purchase literacy improvement and addiction treatment curriculums, a data dashboard, and classroom and office supplies for reentry participants and staff.

Sheriff Mental Health Services - This program was established to reduce the number of individuals with mental illness in the Hamilton County Jail as well as local hospitals.

Debt Service Fund (continued)

Reimbursement of Certain General Obligation Bonds

The majority of the funding for the Debt Service Fund comes from annual appropriations from the County General Fund. In addition, the County has entered into an interlocal agreement with each of the component units Water and Wastewater Treatment Authority and the Hamilton County Schools. In each of the below listed bond issues, Hamilton County agreed to issue general obligation bonds on behalf of the component unit whereby the component unit would be obligated to reimburse the County for the associated debt service for such debt. Further discussion of the reimbursements and interlocal agreements is noted below.

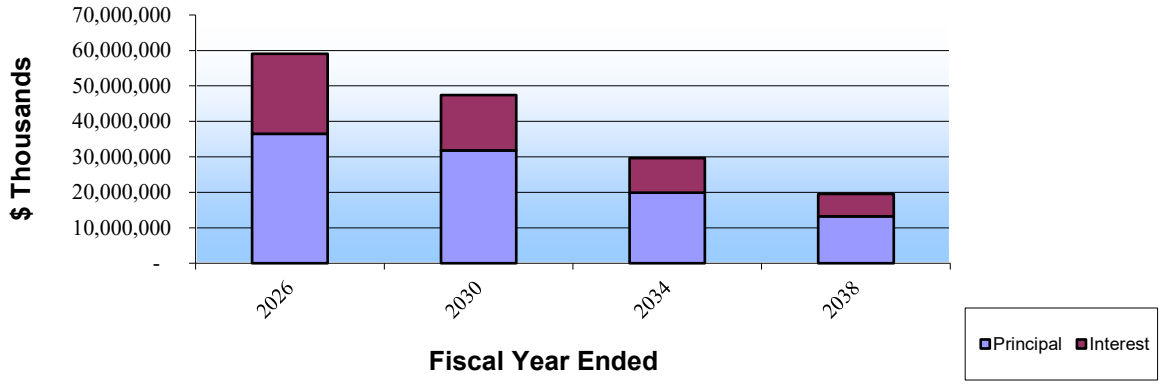
County's General Obligation Bonds, Series 2020A – The Hamilton County Water and Wastewater Treatment Authority agreed to reimburse Hamilton County for a portion of the debt service requirements on the County's General Obligation Bonds, Series 2004 (for water and wastewater treatment projects). Hamilton County refunded the Series 2004 General Obligation Bonds in November 2011 through the issuance of General Obligation Bonds, Series 2011B, and in September 2020, the County refunded the remaining outstanding Series 2011-B through the issuance of bonds (General Obligation Bonds, Series 2020-A).

Additionally, in conjunction with the issuance of the General Obligation Bonds, Series 2020-A, Hamilton County entered into an interlocal agreement with WWTA. Under terms of the 2020 agreement, Hamilton County included funding for certain WWTA projects in its 2020-A General Obligation Bond issue and required the WWTA to reimburse the County for the principal and interest costs on such portion of the bond issue.

General Obligation Bonds, Series 2024A – in conjuction with the issuance of the General Obligation Bonda, Series 2024A, Hamilton County enetered into additional interlock agreement with the WWTA. Under terms off the 2024 agreement, Hamilton County included funding for certain projects in its 2024A General Obligation Bond issue and required the WWTA to reimburse the County for the principal and interest costs on such portion of the bond issue. Required future reimbursements by the Hamilton County Water and Wastewater Treatment Authority for debt service on the bonds at June 30, 2025 are $24,285,650. Payment due in fiscal year 2026 is $1,916,900.

County's General Obligation Bonds, Series 2018 Hamilton County entered into an agreement with the Hamilton County Schools relative to the issuance of the Hamilton County General Obligation Bonds, Series 2018A. Under the terms of the agreement, Hamilton County included funding for $10 million of certain projects for Hamilton County Schools in its 2018A General Obligation bond issue and required the HCS to reimburse the County for the principal and interest costs on such portion of the bond issue. Required future reimbursements by HCS for debt service at June 30, 2025 on the bonds are $5,605,196. Payment due in fiscal year 2026 is $801,155.

Total Debt Service Requirements



Hamilton County's debt retirement schedule is very aggressive, usually based on a 15-year level principal repayment.

Section 5-10-501 to 5-10-509, inclusive, of the laws of the State of Tennessee provide that bonds may be issued without regard to any limit or indebtedness for Tennessee counties.

Capital Improvements Program

The Hamilton County Capital Improvements Program (CIP) is a roadmap for maintaining and funding Hamilton County's present and future infrastructure needs. This plan is designed to ensure that capital improvements will be made when and where needed, and that the County will have the funds available to pay for the improvements. The CIP outlines project descriptions, costs, funding sources, and estimated future costs associated with each capital improvement. The plan is financed through bond proceeds, capital projects funds, grants, and the General Fund budget and reserves.

The County defines a capital improvement as an investment of public and/or private funds for assets having a useful life of at least five years. Capital improvements may consist of:

- land acquisition costs;
- new construction, remodeling or additions to public buildings;
- construction of new and/or replacement of existing infrastructure projects (roads, bridges, storm drains, etc.);
- equipment, vehicles and/or computer hardware or software having a useful life of at least five years;
- other associated activities which are non-recurring expenditures.

In general, relatively minor capital outlays with a useful life of less than 15 years are included in the General Fund capital outlay operating budget and are adopted as part of the annual budget process. Purchases or construction of assets with a useful life (depreciable life) of 15 years or more are funded generally through bond issues or capital projects reserves.

The County has multiple bond issues outstanding with remaining funds and ongoing projects. The primary purpose of the 2020 bonds included a refunding portion to replace previous issues with lower interest debt and new funding to be used for various County capital projects; and the primary purpose of the 2021 bonds was to fund a project to replace an aging school. This bond issue also included additional funds for certain general government projects such as various County facilities renovations and improvements, a joint project with the city of Chattanooga for a first responder training facility, and a new EMS station.

The County closed on a bond issue in September 2024 that will fund a capital plan for Hamilton County Schools which includes new school projects, existing school improvements and additions, and school deferred maintenance. Hamilton County Schools (HCS) formed a School Facilities Working Group in order to study facilities needs and to develop a plan to address the many needs of our school facilities. Many of the HCS school buildings are aging, and some are at capacity in the areas of the County experiencing rapid growth. Three projects are in the design phase with others to follow soon.

At the end of the CIP section, we have summarized the projected effect that future capital expenditures will have on the operations of the General Fund.

The CIP Process

The County develops a five-year capital improvements plan to assist in planning and prioritizing its current and anticipated needs. The long-range CIP plan is updated each year during the budget process and reviewed and amended throughout the year as needed.

As part of the CIP process, the County departments and Hamilton County Schools are asked to review and prioritize their capital needs. The projects are evaluated annually to assure that only priority projects receive funding commensurate with the County's ability to pay for them.

The departments submit all capital requests with cost estimates to the County Finance Division to be reviewed for affordability and demonstrated need. The smaller and more immediate needs are included in the General Fund capital outlay budget that is adopted as part of the annual operating budget for the coming year. Capital improvements funded by General Obligation Bonds or Federal and/or State grants are formally approved by the County Commission when the applicable resolution for the project is presented.

As departmental needs often change over time, the CIP is considered preliminary and subject to change by the Mayor and/or County Commission. As such, any planned capital improvements projects that have not been formally presented to and adopted by the Board of Commissioners, though presented in this CIP budget document, are subject to change.

Long-Range Capital Improvements Program
Fiscal Years 2026 - 2030

Sources of Capital Improvement Program (CIP) Funding

The County funds its capital improvement program through a variety of sources, including current operations, capital projects funds, fund balance reserves, and debt – generally 15-year general obligation bonds. The bond issue that closed in September 2024 is for 20-year general obligation bonds as it is a much larger bond issue than we have historically done so Hamilton County Government and Hamilton County Schools could obtain sufficient funding to make a significant impact on school facility needs.

In 2022, the Federal Government appropriated $71.4 million in State and Local Fiscal Recovery Funds (SLFRF) from the American Rescue Plan Act (ARPA) to Hamilton County. The County Legislative Body allocated American Rescue Plan Act funds to be used for capital improvement projects for water and wastewater development projects, expansion of broadband throughout various underserved pockets of the County, and for other capital projects as allowed under the Revenue Replacement Guidance in the ARPA Final Rule. The majority of these funds have already been spent. The remaining projects to be completed are for Hamilton County School projects, wastewater improvement projects and broadband access improvement projects and will be completed and fully expended in accordance with the ARPA Final Rule expenditure and completion deadlines.

Since 2023, the County has also taken a more active approach in seeking Federal and State of Tennessee grants for capital projects. Our Public Works Development Services Department and Economic and Community Development Department have focused on new grant opportunities related to addressing growth issues, improving quality of life and other advantageous projects for Hamilton County. Examples of these grants include funding for the Forensic Center building purchase and renovation; water line access at McDonald Farm in the northern part of the County; improvements at the Harrison Senior and Community Center; electric vehicle charging station access; and electric vehicle additions to the general government fleet program. In FY 2024, the County Board of Commissioners approved a resolution to establish a County Roads Improvement Capital Projects Fund that was proposed by the Mayor's staff and Public Works Division. Funding of $5.8 million was transferred in FY 2024 from fund balance of the General Fund to this capital projects fund. and the County Board of Commissioners committed another $5.8 million from unassigned fund balance of the General Fund in FY 2025 in order to address specific roads and intersections in areas of the County experiencing significant growth over the past several years.

A schedule of funding for CIP projects projected for the next five fiscal years is presented below:

	Estimated 2026	Estimated 2027	Estimated 2028	Estimated 2029	Estimated 2030
General Fund operating budget	$ 7,534,000	$ 7,638,000	$ 7,785,000	$ 7,533,000	$ 7,608,000

Uses of CIP Funding

Appropriations to the CIP are analyzed on an annual basis. The Long-Range CIP budget is updated annually and as needed during the year to reflect changes in priorities and needs. Departments request their capital needs, both for the current year and for future years, during the annual budget process. The capital projects request is then reviewed by the Finance Division and County Mayor as to critical need, priority and affordability. More immediate needs will be included either in the General Fund operating budget or identified for funding through bonds or capital projects funds. All capital projects must be presented to and approved by the County Board of Commissioners prior to expenditure.

A summary of capital expenditures projected for the next five fiscal years is presented below:

Summary of FY 2026 Combined Capital Improvements – All Funds

This section provides a summary of the FY 2026 combined capital improvements which are generally budgeted in the General Fund and/or allocated from bond funds and capital projects funds. The County has more aggressively sought grant funding for certain capital projects which are reflected in this document. In addition to these funding sources, the County Board of Commissioners has allocated American Rescue Plan Act funds to be used for water and wastewater development projects, expansion of broadband throughout various underserved pockets of the County, and for other capital projects as allowed under the Revenue Replacement Guidance in the ARPA Final Rule.

Administration

FY 2026 Appropriation: **$3,691,000**

Funding Source:

General Fund Capital Outlay **$3,691,000**

The Administration cost center is used to account for capital projects needed to maintain the general activities in the various administrative offices, including the Constitutional Officers, the Mayor's office, the Finance Division, etc. This cost center is also used to account for the County's Fleet Management program, through which all leased vehicles used by County departments are accounted. Major budgeted expenditures in FY 2025 include fleet management leased vehicles (total cost of $1,429,000), office equipment, and computer hardware and related peripheral devices needed by the administrative offices.

We are in the second year of a grant which provides reimbursement of 80% of the cost of electric vehicles. The County purchased 12 electric vehicles in FY 2025 and installed charging stations to accommodate these vehicles. Grant funds of $1,200,000 have been budgeted to purchase approximately 30 electric vehicles and charging stations in FY 2026. The electric vehicles will replace leased vehicles. From estimations by the Hamilton County Efficiency Committee, we expect to realize savings of $62,000 in lease payments during the first year and $124,000 in the following years.

Technology Services (TS)

FY 2026 Appropriation: **$420,000**

Funding Sources:

General Fund Capital Outlay	**$420,000**

The Technology Services function includes the operations of the Technology Services, Geospatial Technology, and Telecommunications departments. This function maintains the computer equipment, major software systems, network, and the telecommunications equipment used by County government. The funding from the General Fund for FY 2026 is to maintain and update the County network, replace aging computers, servers, and purchase and/or renew software licenses. These ongoing efforts ensure our systems are updated, operating efficiently and provide safeguards from cybersecurity threats. This includes computer equipment upgrades for our Geospatial Technology Department. This is a critical resource used by Hamilton County, the city of Chattanooga, and other local municipalities and utilities to ensure that accurate topography maps of the entire area are available for many purposes, such as community development and planning, electricity and natural resources management, property assessments, infrastructure issues, and environmental impact studies.

Emergency Management

FY 2026 Appropriation: **$998,000**

Funding Sources:

General Fund Capital Outlay	**$ 175,000**
Bond Funds	**$ 835,000**

Funding from the General Fund will be used by Emergency Management for fire hydrant maintenance/installation and drone equipment. For several years, we have committed $125,000 annually in funding for fire hydrant maintenance and installation. Emergency Management staff coordinates this with the various utility districts in the County to replace, repair and add fire hydrants. There is not an identified cost savings; however, these efforts are crucial to ensuring that existing hydrants are in good working order and hydrant additions are added especially in high growth areas so access to water is available to provide proper fire response. Funding for drones is another area in which it is difficult to assign a value to the impact of the funds. Our administration believes that drones are critical for search and rescue missions, Sheriff law enforcement support, and public event planning and safety. These public events enhance the quality of life for our residents and promote tourism which attracts visitors to our area providing revenues to the entire County.

Public Safety – Emergency Medical Services (EMS)

FY 2026 Appropriation: $1,539,000

Funding Sources:

General Fund Capital Outlay	**$ 264,000**
Bond Funds	**$ 1,275,000**

Funding from the General Fund will be used by the EMS Department for the purchase of Toughbook laptops and iPads, software upgrades and protective equipment for ambulance personnel. In addition, the Mayor's office along with EMS administration has staffed an EMS Quick Response Team specifically designed to help fight the opioid crisis in our County. This new team will need specific equipment which will be purchased with opioid settlement funds. Hamilton County EMS staff responds to many opioid related emergency calls. This team will provide continued medical and recovery assistance after these type of calls for the victim and family members. Our administration is hopeful that this service will provide a tremendous impact in the fight against opioid and related addictions.

Proceeds from bond funds will be used to purchase 3 new replacement ambulances equipped with power lift stretcher systems. It is crucial to replace ambulances on a rotating basis as these vehicles are high mileage and spend the majority of their time on the road.

In addition, bond funds were approved by the County Board of Commissioners to be used to provide additional resources for capital purchases for the Volunteer Fire Departments. The County provides annual appropriations to these emergency agencies; however, they have many financial challenges. This was an opportunity to address some of these needs.

As our County continues to grow, Emergency Medical Services is required to provide service to an increasing number of residents and businesses. These funds will help us to continue providing ambulances, equipment and training tools which helps save lives and protect our first responders. All of these efforts and investments provide a well-equipped and well-trained EMS staff to the residents and visitors in our community. While there is not an identified cost savings associated with these expenditures, they are necessary to address the needs of our citizens and visitors, fulfill state requirements, and maintain our certifications.

Public Works – Highway, Streets and Roads

FY 2026 Appropriation:	**$4,269,000**
Funding Source:	
General Fund Capital Outlay	**$ 494,000**
Bond Funds	**$ 1,075,000**
Capital Projects Fund	**$ 2,700,000**

The Public Works – Highway, Streets and Roads cost center includes capital improvements to County highways, roads and streets and heavy equipment for the Highway Department. In FY 2026, funding from the General Fund and bond funds will be used to purchase heavy equipment and a new fueling station. Some heavy equipment purchases are to replace aging equipment to provide

The County Board of Commissioners approved a resolution in FY 2024 presented by the Mayor's staff and Public Works administration to transfer $5.8 million to create a County Roads Improvements Capital Projects Fund, and in FY 2025, the Board of Commissioners committed another $5.8 million from unassigned fund balance of the General Fund. Specific roads and intersections have been identified for improvement particularly in high growth areas of the County. These projects began in FY 2025 and will continue over the next few years. The Development Services Department of Public Works is also working to obtain additional grant funding that would supplement these projects.

Bond funds will be used to purchase an asphalt zipper milling machine and a new fuel station at the new location on Cromwell Road for the Highway Department. The asphalt zipper milling machine provides an improved process for road paving which is more efficient and recycles the removed pavement. This results in an approximate material savings of $43,000 per mile on our paving projects. In addition, a road paving project that normally takes six full working days can now be done in two days.

Maintaining County roads and highways is a continuous process. In addition, upgrades in certain areas allow for growth, alleviate traffic flow issues, and improve safety. This plan to upgrade our equipment fleet and improving roads is a key component to addressing these challenges.

Public Works Division – Parks and Recreation

FY 2026 Appropriation:		**$ 10,347,000**
General Fund Capital Outlay	**$ 895,000**	
Bond Funds	**$ 3,196,000**	
Grant Funds	**$ 6,155,000**	
ARPA Funds	**$ 101,000**	

General Fund capital outlay funds will be used for the following expenditures:

- Enterprise South Nature Park - new restrooms, road repairs and mowing equipment
- Riverpark – bridge repairs, mowers and other maintenance equipment
- Community Parks – playground/recreational equipment

These projects do not include a cost savings component; however, they are important to improving and maintaining our parks.

There are two projects supported in large part by grant funding. First, the State of Tennessee, City of Chattanooga and Hamilton County have joined together to reimagine the riverfront area in downtown Chattanooga near the Tennessee Aquarium. The funding for this project is as follows:

- State of Tennessee $15,000,000
- Hamilton County $ 5,000,000
- City of Chattanooga $ 5,000,000

The design phase was recently completed by River City Company and funded jointly by the County and City and is ready to move forward.

The other grant funded project is for the renovation of a former school building into the Harrison Senior Center. The grant agreement is with the State of Tennessee Economic and Community Development Facilities Grant program in the amount of $1,421,028 requiring a 10% match. This project is being done at a former school building in the northern part of the County and will provide much needed access for the residents of that area. The state funding provides the County a great opportunity to renovate an unused property while providing community outreach which would have been cost prohibitive using only County funds.

There are bond funds allocated to Parks & Recreation from prior bond issues ($675,000) and a new allocation of $5 million from the 2024 bond issue. The funds from prior bond issues primarily consist of projects nearing completion or projects that came in under budget. These remaining allocations will be used for various projects at the Riverpark and other community parks. An initiative for FY 2026 includes funding for the "Leaning Into Communities" projects. Hamilton County and the City of Chattanooga have had long partnerships with the Riverpark, Enterprise South Nature Park and Ross's Landing. The Mayor's staff recognized the need for improvements and upgrades to certain of the parks and recreation centers at

other municipalities throughout the rest of the community and has allocated $2.5 million of 2024 Bond Funds for these needs. The County Board of Commissioners has approved allocations for 4 municipalities, and the Mayor will bring forward projects for the other municipalities soon. Each participating municipality has to commit some of their own funding for the project and can receive a maximum of $250,000 per project from Hamilton County.

ARPA funds were allocated to several projects over the past two years. Most of these projects have been completed. The expenditures in FY 2026 will be spent to complete the last roofing project at Chester Frost Campground. The goal of this project is to replace an aging roof and prevent water damage to the related campground structure.

Hamilton County is widely known for our outdoor amenities and activities which attract many events each year. County administration considers this a critical resource in our efforts to attract new businesses, residents and tourists to our area. Maintenance and improvement of our parks and recreational areas provide a significant return on investment for economic development and quality of life for our residents.

Public Works – Other

FY 2026 Appropriation: $15,900,000

Funding Sources:

General Fund Capital Outlay	**$ 195,000**
Bond Funds	**$ 9,005,000**
Grant Funds	**$ 6,700,000**

The Public Works – Other cost center includes capital improvements planned for the Facilities Maintenance Department, Engineering, Water Quality Department, Recycling Department, Custodial/Security Services and Security Services. Funding from the General Fund will be used for capital repairs and maintenance on all County facilities, including elevator maintenance and improvements, equipment needed for County maintenance projects, and computers, software and other monitoring equipment for Water Quality. The most significant capital outlay expenditure in FY 2026 is the purchase of a replacement box truck for our recycling team. Hamilton County will receive 50% of this cost in state grant funds which will provide an estimated savings of $35,000.

Proceeds from bond funds will be used for elevator replacements, Hamilton County Business Development Center renovations, Juvenile Detention Center renovations, and the design phase of a new Health Department/County Administration facility.

Grant funds represent allocations from the State of Tennessee for continued renovations of the forensic center building. The construction phase of this project is approximately halfway through and is projected to be complete in the spring or summer of FY 2026. This was a huge need for our county and the

surrounding region. The current facility is too small and had many needs. The County received $12 million in total grant funds for this project. Initially, the plans were for new construction; however, our staff found a building for sale that was very suitable for a renovation which makes it possible for the state funding to completely cover the cost of the facility. This change in approach will save several million dollars of County funds. Our expectation is that County funds will be needed to cover costs of some of the equipment needed. This need will be better assessed as we near the completion date.

Office of the Sheriff

FY 2026 Appropriation: $3,555,000

Funding Sources:

General Fund Capital Outlay	**$ 1,400,000**
Bond Funds	**$ 2,155,000**

Funding from the General Fund will be used primarily for the replacement of patrol vehicles; purchase of law enforcement equipment for the new vehicles; computers and servers; and other law enforcement equipment.

The County has allocated $4 million in bond funds from the 2024 bond issue to help address capital needs for the Office of the Sheriff. This funding will be used for various projects, including a submersible remotely operated vehicle and continued renovations and improvements at the Hamilton County Jail and Detention Center.

The goal and impact of capital funding for the Hamilton County Sheriff reaches many aspects of our community and beyond. It is critical that we provide excellent law enforcement services in order to protect our residents and visitors. Our officers and staff need to be well-equipped and trained. Proper facilities include those for administration, certified sworn officers, correctional staff, and inmates. We have made great strides, but there is much still to accomplish. These plans are continually monitored and assessed by Sheriff Administration in order to promptly address changes in needs.

Industrial Development & Other Infrastructure Projects

FY 2026 Appropriation: **$ 11,389,000**

Funding Sources:

Bond Funds	**$ 1,100,000**
Grant Funds	**$ 1,529,000**
ARPA Funds	**$ 8,760,000**

The County allocated ARPA funds totaling $39,231,000 for projects to improve and upgrade our water and sewer infrastructure systems. Construction for these projects began in FY 2023 and will continue in accordance with the ARPA Final Rule expenditure deadlines. The primary focus of these projects will be to improve and repair existing wastewater treatment plants, control non-point sources of pollution, improve resilience of infrastructure to severe weather events, create green infrastructure, and protect waterbodies from pollution. In addition, the County plans to use ARPA funds to expand broadband access into the underserved areas of our community. This is considered a critical need as high-speed internet has become essential to educational success for all ages, access to a complete set of resources for job seeking opportunities, and remote workforce opportunities.

Bond funds and grant funds will be used for the Phase 1 site development project at McDonald Farm which will provide water access to the property. This is the first step toward providing the infrastructure necessary to attract industry to this location. There is much more infrastructure and funding needed to make this a reality; however, improving water access is a necessary first step that also fulfills needs of the parks and recreation portion of the property.

These projects include a similar goal to improve specific infrastructure needs in Hamilton County. The related grants and ARPA funds have provided funding and opportunities to address these issues that are very expensive and cost prohibitive.

Hamilton County Schools (HCS)

FY 2026 Appropriation: **$ 54,027,000**

Funding Source:

Bond Funds	**$ 50,372,000**
Grant Funds	**$ 2,000,000**
ARPA Funds	**$ 1,655,000**

Hamilton County has a significant amount of bond funds dedicated to Hamilton County Schools facilities which include new schools, school improvements, school renovations and major maintenance projects. The 2021 bond issue funds are being used to complete the Tyner Middle/High School construction. The high school section was complete and opened in March 2025 with the middle school section opening in August 2025.

The majority of the bond funds currently allocated are from the 2024 bond issue and include the following projects:

- North River Elementary – to replace 3 smaller schools
- Soddy Daisy Middle School – expansion, major renovations
- Franklin-Roberts Future Ready Center - new technical high school in downtown Chattanooga
- Brainerd Middle/High – renovate and add middle school
- Clifton Hills Elementary – major renovations
- Deferred maintenance across all County schools- roofs, chillers, renovations, etc.

The Hamilton County Board of Commissioners has approved resolutions to begin the design phase for the first three listed projects with the others soon to follow. Various deferred maintenance projects have been approved and are underway as well.

The primary impact of school construction and renovation projects are as follows:

- Replace aging schools
- Combine and relocate smaller schools into a larger campus
- Reduce maintenance costs
- Increase energy efficiencies and reducing utilities expenditures
- Address needs in areas of growing populations

Hamilton County allocated $7.3 million in ARPA funds to various capital projects at several Hamilton County schools. Most of the projects have been completed or near completion in order to ensure completion dates that will meet ARPA Final Rule expenditure deadlines. These projects include a track at East Hamilton Middle/High School, a track at East Ridge High School, lights at Central High School, tennis courts at Signal Mountain Middle/High School, turf field installation at Howard High School, and improvements to softball field at Brainerd High School.

Effect of CIP Program on Future General Fund Operations – The majority of CIP expenditures listed above are for the replacement of aging buildings, equipment and infrastructure. We anticipate that the replacements will definitely lead to greater efficiencies in both the County's and the HCS operations and energy usage and will result in improvements in the effectiveness of our services provided. These planned capital expenditures should help control future operating costs; however, we do not anticipate any major cost savings or cost increases in General Fund operations resulting directly from the capital improvements.

Hamilton County Schools

The Hamilton County Schools (HCS), a discretely presented component unit of Hamilton County Government, is presented in this section. The HCS provides public education for grades kindergarten through twelve. The Hamilton County Commission levies taxes for the operations of the school system and issues debt for all significant capital projects. The budget for the school system is prepared by the superintendent and his staff and presented to the eleven-member elected Board of Education before it is presented to the Hamilton County Commission.

Mayor's Office

Message from the Superintendent

At the 2025 State of the System, we celebrated the inspiring progress made since the start of *Opportunity 2030*, our bold strategic plan to ensure that every student in Hamilton County is connected, competitive, and life-ready. Students shared stories of growth, resilience, and excellence—and reminded us that continued progress requires continued investment.

Hamilton County Schools' *Opportunity 2030* plan is rooted in the values and beliefs of our community: public education is the foundation of a thriving community, all students can learn, well-being is essential to student success, and reducing barriers is a shared responsibility.

As we enter our next year of implementation, we are keeping these commitments front and center. This year's State of the System highlighted our **Portrait of a Graduate**, which defines the attributes we believe all students must develop to thrive in school, work, and life: **academic mastery, community involvement, resilience, problem-solving, and effective communication**. Our work this year and beyond is focused on intentionally aligning our strategies and resources to develop these essential qualities in every student.

The values that guide our school system—**Integrity, Excellence, Inclusiveness, Care, Collaboration, and Stewardship**—continue to drive how we make decisions. In building the FY26 budget, we evaluated how every dollar supports the heart of our mission. We scrutinized each investment through the lens of our five strategic commitments: **Every Student Learns, Every Student Belongs, Every School Equipped, Every Employee Valued, and Every Community Served**.

Rising costs—especially in areas like healthcare and operational expenses—have outpaced revenue growth, requiring us to make difficult decisions in order to maintain a balanced budget. Each of these decisions was rooted in our values and commitments and prioritized student needs. However, sustaining the level of support our students and staff deserve will require future revenue growth that aligns with the rising cost of delivering high-quality public education. Without it, we will continue to face increasingly difficult trade-offs that directly impact our students, staff, and families.

This proposed budget reflects our resolve to deliver on these commitments with urgency and purpose. It is not enough to have a vision—we must resource it boldly and wisely. That means continuing to support the educators and staff who make this work possible, strengthening the conditions for learning, and deepening connections with families and partners across our community.

Hamilton County Schools belong to all of us. The future of our students depends on all of us. **Together, we can create opportunity by design and ensure that all children thrive and experience a future without limits**.

With Care and Commitment,
Dr. Justin Robertson, Superintendent

HAMILTON COUNTY SCHOOLS
BUDGET GUIDELINES DOCUMENT

Overview

Our budget guidelines provide a framework for all cost center managers in submitting and justifying annual budget proposals for Hamilton County Schools.

Budget planning shall include a comprehensive analysis of available funding, staffing, curriculum, facilities, projections, performance goals, and priorities.

The budget proposal should be balanced, consistent with board policy and contract conditions, to include provisions for:

1. Programs to meet the needs of the entire student body
2. Staffing arrangements adequate for proposed programs
3. Maintenance of the district's equipment and facilities
4. Efficiency and economy

Budget preparation shall be the responsibility of the Director of Schools or his/her designee and the finance department. The Director of Schools will establish procedures for the involvement of staff, including requests from department heads and principals, all of whom shall seek advice and suggestions from other staff and faculty members.

The Director of Schools and the Chairman of the Board shall develop a budget preparation calendar no later than January 1 of the current school year. The calendar shall be used as a guide for coordinating and completing budgetary activities, collecting budget data, aligning activities with priorities, and making budget decisions.

Hamilton County Schools has adopted priority-based budgeting for preparation of the annual budget.

Priority-Based Budgeting

Priority-based budgeting is an alternative version of zero-based budgeting and has been recognized by the Government Finance Officers Association as a public finance best practice.

The traditional approach to public sector budgeting is incremental, whereas the current year's budget becomes the basis for the next year's spending plan, and the majority of the organization's analytical attention is focused on how to modify this year's spending plan based on revenues anticipated in the next year. Priority-based budgeting is a common sense, strategic alternative to incremental budgeting. The concepts of priority-based budgeting as compared to traditional budgeting practices can be summarized as follows:

- Budgets are not connected to prior year spending
    1. Prevents "embedding" of existing costs in the cost base
    2. Allows spending levels to be changed and set based on necessary activities of a function or focus area, rather than historical trends

    3. Requires organizations and departments to work to understand activities and cost structure
- Budgets are tied to specific focus areas and activities
    1. Better aligns spending targets with required activities of a focus area
    2. Replaces "do more with less" with "do the right things with the right amount"
    3. Requires fairly detailed knowledge of organizational and departmental activities and willingness to make changes
- Spending increases and/or decreases are not simply spread evenly across budgets
    1. Eliminates "sandbagging" practices in the budgeting process
    2. Allows for more strategic allocation of planned spend
    3. Requires work to analyze and prioritize activities and expenditures
- Funding is targeted to focus areas and activities that align with the strategic plan
    1. Allows for better alignment of expenditures with overall strategy and focus areas
    2. Can reduce the influence of "we have always done it that way"
    3. Prioritizing activities can be challenging

Philosophy of Priority-Based Budgeting

The underlying philosophy of priority-based budgeting is about how an organization should invest resources to meet its stated objectives. This helps us better articulate the services we deliver to the community, what price we pay for these services, and what value is provided to the community. The principles associated with this philosophy of budgeting are as follows:

- Prioritize focus areas
- Do the important things well
- Question past patterns of spending
- Spend within the organization's means
- Know the true cost of doing business
- Provide transparency of community priorities
- Provide transparency of impact
- Demand accountability for results

General Process for Priority-Based Budgeting

1. Identify available resources (revenues)
2. Identify priorities
3. Obtain input from community
4. Define focus areas
5. Develop performance targets
6. Evaluate departmental requests against focus areas
7. Allocate resources
8. Create accountability for results
9. Communicate results
10. Create operational efficiencies and innovation

Strategic Plan

Opportunity 2030 is the district plan which outlines the work of Hamilton County Schools over the next seven years. Our just cause is to see all children thrive and experience a future without limits. Creating opportunity by design is the overarching theme that guides the decisions we make to support our students towards graduation, beginning in Pre-K and progressing through their senior year in high school. The following overview defines our key strategies within these five commitments: Every Student Learns, Every Student Belongs, Every School Equipped, Every Employee Valued, and Every Community Served.

Mission

To equip students with the knowledge, skills, and support to thrive in life.

Vision Statement

By 2030, Hamilton County Schools will be a leader in developing our diverse graduates to be connected, competitive, and life ready.

Community Input and Priorities

Over the course of several months, the district engaged the community to gather its feedback on the future direction of Hamilton County Schools. Key items we heard during the listening sessions included:

- A focus on every child
- Student growth both in and out of the classroom
- Access to great schools
- Create employee opportunities for engagement and feedback
- Value communities and understand their needs

The superintendent also regularly meets with Parent, Student, and Teacher Advisory Councils to gather feedback on district needs and areas for improvement. These groups have highlighted instructional programs, student belonging, communication, and community engagement as warranting greater strategic focus of the district.

Opportunity 2030

In considering the board goals, community input, and TDOE's ESSA state plan, district administration has worked to incorporate this guidance into the Opportunity 2030 strategic plan. This work plan will help guide schools and central office to meet board and community priorities. We have organized the feedback into five action areas that form the basis of a detailed work plan which the district will execute over the next seven years.

Our Commitments

- **Every Student Learns** – Every student will improve in their learning each school year.
- **Every Student Belongs** – Every student will have connections to their school through educators, staff, other students, and their community.
- **Every School Equipped** – Every school will have equitable access to resources such as facilities, technology, and operations that provide for their individual students' needs.
- **Every Employee Valued** – Every educator and staff member is valued while feeling empowered, supported, and connected to their work.
- **Every Community Served** – Every family, partner, mentor, and advocate will be connected and empowered in their critical role in supporting our students to become life-ready.

Performance Measures

The appropriate central office staff personnel will take ownership of the defined action steps and align to the work of teachers and leaders in our schools. District administrators will regularly report to the board and community its progress on these action areas. Moreover, the key metrics identified for each area will provide the community transparent reporting on outcomes. The metrics define the accountability for the results we expect based on successfully implementing our strategic plan.

Details for all metrics can be found within the strategic plan document located at https://hcde.org/opportunity-2030/

Financial Policy Guidelines

Numerous financial policy guidelines are followed to enable the schools to achieve a sound financial position. Some of the most significant guidelines pertaining to the budget are as follows:

Balanced Budget

The Budget should be balanced with current revenues equal to or greater than current expenditures/expenses using the following strategies: improve productivity, shift the service or payment burden away from the schools, improve revenues, create new service fees or raise existing fees based on the cost of services, reduce or eliminate programs, increase property taxes; and, lastly, reduce or eliminate services.

Tax Rate

The tax rate should be within the reasonable range of comparable schools and should be adequate to produce the revenues needed to pay for school programs, as approved by the Board of County Commissioners. The tax rate for 2025 is County General Fund - $0.8563, School Fund - $0.6540, District Road Fund $.0054 – Total Tax Rate - $1.5157.

Exemptions

The County exemptions are provided by State law.

Hamilton County Schools Fund Balances

The Hamilton County Schools fund balance should be adequate to handle unexpected decreases in revenues, as well as at a reasonable level for extraordinary unbudgeted expenditures. The minimum fund balance should be 3% of the operating budget as required by Tennessee Code Annotated (TCA) 49-3-352.

Effective Planning and Implementation of Services, Policies, Laws, and Regulations

- Improve communication and understanding between the Board of Education and the community by promoting a dialogue with reference to the costs and benefits of services in order to protect our quality of life.
- Increase the responsiveness of the organization by promoting efficiency, which may include modifying existing policies and procedures.
- Improve public/private and intergovernmental coordination.
- Assist in understanding the importance of improving and expanding County revenue sources to fund the stated goals.

Roles and Responsibilities of the Board of Education

1. Be responsive to and represent the wishes of the citizens.
2. Establish strategies, set policies and determine priorities through the approval of objectives, plans, and budgets.
3. Educate citizens on the need for accomplishing stated goals of Hamilton County Schools.

Accounting, Auditing, and Financial Reporting Policies

1. An independent audit will be performed annually.
2. The schools will produce annual financial reports in accordance with generally accepted accounting principles as outlined by the Governmental Accounting Standards Board.
3. The schools will maintain a strong audit review process that supports our commitment to efficient accountability in financial reporting.

Purpose of Financial Operations Policies

The Hamilton County School Board shall establish internal accounting and administrative controls to provide reasonable assurance that:

a) Obligations and costs are in compliance with applicable law;
b) Funds, property and other assets are safeguarded against waste, loss, unauthorized use or misappropriation; and
c) Revenues and expenditures applicable to agency operations are properly recorded and accounted for to permit the preparation of accounts and reliable financial and statistical reports and to maintain accountability over the assets.

Finance and Financial Management

Financial Management Responsibilities

Board of Education

The Board has the duty of overseeing the entire financial management of the district.

Superintendent

The Board shall assign specific financial management responsibilities to the Superintendent.

Finance Director

The Superintendent shall assign specific financial duties to the Chief Financial Officer. The Chief Financial Officer shall compile the data needed to develop the budget, shall act as a resource person for the Board, Superintendent and other staff personnel on financial matters and shall implement the approved budget through applicable policies, procedures or regulations.

Staff

Staff members shall provide needed data and assistance to the Chief Financial Officer. Any staff member having authority to spend District funds shall do so in accordance with applicable federal, state or local statutes, and Board policies, procedures or regulations.

The Budget and Budgetary Process

Budget Defined

a) The district's budget is a written document, presenting the Board's plan for the allocation of the available financial resources in a spending plan which sustains and improves the educational function of the district.
b) The budget will be based upon the educational needs and financial ability of the district, as identified by the Superintendent, Staff and the School Board.

Statutory Provisions

Board of Education

The Board shall require the Board Chairman and Superintendent to prepare the budget on forms provided by the State and submit it to the County Commission after approval by the Board.

Superintendent

The Superintendent is responsible for preparing and submitting the budget to the Board and shall immediately notify the Board of any irregularities or unanticipated revenues or expenditures.

Preparation

The Superintendent, after comparing the needs of the schools against the sources of anticipated revenue, shall prepare a tentative budget allocating funds for the operation of the district.

Adoption

a) The Board, after reviewing and amending the Superintendent's tentative budget, shall adopt a budget for the forthcoming school year.
b) Copies of the adopted budget will be available for the public on the Hamilton County Schools website.

Presentation to County Commission

The Superintendent shall present the budget adopted by the Board to the County Commission prior to the date for setting the tax rate.

Budget as a Spending Plan

Responsibility for Administering

The budget represents a controlled spending plan for the fiscal year. The Superintendent is authorized to make expenditures and commitments in accordance with and in harmony with the official actions of the Board and the laws of the State of Tennessee.

Methods and Procedures

The Board of Education will be provided monthly financial statements.

Transfer of Funds

Reclassifying of existing budget appropriations between accounts shall have managerial approval prior to the expenditure. Any change in the expenditure of major budget categories shall be approved by the Board. Any change in expenditure of state function categories shall be approved by the Board and the County Commission.

Operational Policy

Provide sufficient time to complete the budget process:

Start the budget process sufficiently early to ensure that a budget and the tax rate can be adequately discussed and approved by the full Commission before the budget year starts on July 1.

Find and implement ways to improve the efficiency of County services:

- Encourage employees and citizens to help identify ways to provide educational services for less cost.
- Give high priority to projects that can be shown to provide educational services for less cost.

Maintain a trained, motivated work force:

- Provide incentives to encourage employees to learn new job skills.
- Provide a system that rewards outstanding performance.

Pay employees competitive, consistent salaries:

- Provide annual salary increases for employees to cover cost-of-living increases when sufficient funds are available.
- Pay salaries that are comparable to those of similar counties.

Protect health and the environment:

- Ensure that environmental considerations are factored into budget decisions.
- Comply with ADA requirements.

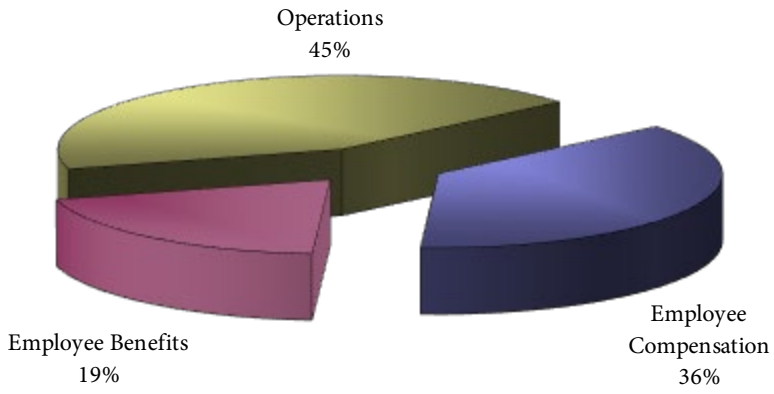
Employee Compensation and Employee Benefits represent 36% and 19% respectively, of the total General Fund budget.

FY 2026 Expenditures by Type



Summary of Hamilton County, TN - Pay Plan

The County's pay plan currently has 643 job classifications and 78 active salary ranges. The ranges were established with the minimum at 20% below the market rate and the maximum at 20% above market rate. There is a 2.5% difference between the midpoints (market rate) of each consecutive salary range.

Hamilton County uses job evaluations to maintain internal equity, and salary ranges with market rates as the midpoint to remain competitive in the labor market.

The market rate for each salary range is reviewed based on the annual salary survey. This is correlated with other Job Family survey information in the establishment of the range placement.

Employees may be hired within 80% to 100% of the market. In special circumstances, hiring salaries may rise to 120% of the maximum range. Documentation and approval are required for any hire above 100% of the market rate.

When an employee's salary falls below 80%, the employee's salary is increased to 80% of the market rate for that range when the results of the survey are implemented and if funds are available.

Any employees in the salary range below the new minimum will receive an adjustment to the minimum of the established range, unless funds are not available. No employee's salary will be reduced as a result of the salary survey.

Promotions occur when an employee moves into a position that has a salary range market rate at least 10% higher than the market rate of the employee's current position.

In-range increases that adjust an employee's salary upward within the current range are permitted. Such increases require documentation of increased responsibilities, outstanding performance or achievement, or additional skills/education.

A Merit Increase Guide is developed annually. This matrix has as its goal to reward employees based on performance. The pay for performance goal is to move productive and achieving employees toward the market rate. Specific percentages of pay increases (merit pay) are determined based on the employees' performance appraisal rating. An example of the matrix follows.

3.50-3.99	Exceptional
4.00-4.99	Outstanding
4.50-5.00	Superior

Performance evaluations are done bi-annually. Merit increases are awarded annually dependent upon available funds. When the funds are not available the employee remains in their current range and no salary increase is granted by performance or market survey.

The County developed an on-line performance appraisal system with achievement factors, measurement definitions and goals that may be tailored to job responsibilities; also includes universal factors for evaluating all employees. Weighting is used to designate the importance of the achievement factor(s).

The on-line employee evaluation system allows managers to review their departmental employee evaluations. Division administrators, along with other key personnel, are able to review their division's employee evaluations as an internal quality control.

Fiscal Year 2026 budget includes an annual raise; employees received 1% pay increase and a $750 one-time bonus.

Personnel Changes

Full-time employees are permanent employees who earn pension and leave time.

Skimp employees are permanent employees who do not work more than 1,300 hours a year and earn leave time but do not participate in the pension plan.

Part-time employees are permanent employees who do not work more than 1,040 hours a year and do not participate in the pension plan or earn leave time.

Temporary employees do not have permanent status, do not work more than 1,040 hours a year and do not participate in the pension plan or earn leave time.

Full-time equivalents (FTE)

Full-time - 1 full time equivalent
Skimp - .63 full time equivalents
Part-time - .5 full time equivalents
Temporary - .5 full time equivalents

Hamilton County General Fund experienced a significant reorganization in personal staffing for FY2026. Overall, personnel count decreased by 16.22(FT) positions. Please see discussion below.

Overall personnel changes resulted in minimal costs.

Unassigned

Mental Health decreased staff by 2(FT) positions, Mental Health-TMCP increased staff by 2(FT) positions, Recovery Court increased staff by 1(FT) position and 4(PT) positions, Risk Management increased by 2(FT) positions, Office of Emergency Management decreased staff by 1(FT) position, Economic & Community Development decreased staff by 3.5(FT) positions. The overall impact in cost for Unassigned Division was a net increase of $84,316.

Finance

Technology Services increased staff by 1(FT) position and 1(PT) position. The overall impact in cost for Finance Division was neutral; the positions were transfers from Health & Social Services.

PUBLIC WORKS

Building Inspection increased staff by 1(FT) position, Traffic Shop increased staff by 1(FT) position, Real Property decreased staff by 1(FT) position, Development Services increased staff by 2(FT) positions, Engineering decreased staff by 1(FT) position, Facilities Maintenance decreased staff by 3.5(FT) positions, Property Management increased staff by 2(FT) positions, Recreation decreased staff by 1.67(FT) positions, Riverpark decreased staff by 5.35(FT) positions, Enterprise South Nature Park increased staff by .64(FT) position due to increases in distribution percentage for several positions and added 6(FT) positions funded at a distribution percentage of 50% per each position, and Community Parks increased staff by 4.75(FT) positions. The overall impact in cost for Public Works Division was a net increase of $544,351.

HEALTH & SOCIAL SERVICES

Overall, Health & Social Services staff decreased by 18.12 (FT) positions. The decrease is due to the loss of federal funding in the amount of approximately $1.6 million.

HUMAN RESOURCES

Overall, Human Resources staff decreased by 3(FT) positions. The decrease is due to the reduction of 3(FT) positions of the mailroom staff being reassigned to other departments. The impact in cost is neutral.

PUBLIC SAFETY

BJA 24 Smart Supervision, a new program, added a staff of 2(FT) positions at a cost of $276,524 which is 100% grant funded.

OFFICE OF THE SHERIFF

School Resource Deputy Unit increased staff by 1(FT) position at a cost of $89,920.
